Surely Not, Doctor! Robert Clifford,2014-10-02 Doctor Bob s country practice is in Tadchester on the Somerset coast but no one can accuse the town of being a sleepy little backwater All human life is there with its quirks colour comedy and richness There s the absent minded incontinent vicar of St Peter s the well known London publisher whose dog has more taste than most the lady magistrate who travels for miles for a doctor with warm hands and the packet of suppositories which prompts a bomb scare Then there s the hairdresser with a penchant for male strippers and the whispering journalist who learnt how to shout Even off duty Doctor Bob s life is full of incident and he himself ends up with a long spell in hospital It all goes to show that truth can be so much stranger than fiction

Purpose Driven Thieves Juliet McLean, 2016-07-15 My book *Purpose Driven Thieves* is a nine year window into my life. It is a true story of gross medical negligence by twenty-four neurosurgeons and radiologists who overlooked the cancer inside my spinal cord simply because I was born with a disease called Poland's Syndrome and had previously had spinal surgery related to this condition. This is a story of shocking lies, deceit and incompetence all in the name of money medicine controlled by the most corrupt of all world corporations: insurance. It is a story that would be unbelievable if I did not have the doctors' notes, MRIs etc to substantiate it. It is also a comparative analysis of the United States method of buying health insurance vs the United Kingdom's method of buying healthcare based on the author's personal experience. We, the patients over the past five generations, have made doctors, pharmaceutical firms and insurance companies **Purpose Driven Thieves**

Plays for Our American Holidays: Plays for festivals: including New Year's day, Twelfth night, Arbor day, April Fool's day, May day, Thanksgiving day, Forefather's day Robert Haven Schauffler, Anne Putnam Sanford, 1928

Oh Dear, Doctor! Robert Clifford, 2014-09-18 *Oh Dear Doctor* is the fourth in the series of Dr Clifford's richly entertaining and true life accounts of his experiences as a G.P. in a small West Country practice. Once again the inhabitants of Tadchester and Sanford prove that patients are not necessarily a virtue. Like Ralph the tiny greengrocer only too aware that an operation might restore marital duties with his huge bowler-hatted wife the commander's wife who was literally a knock out and the dubious joys of being a school medical officer. Even off duty things don't go too smoothly there are trials and tribulations of taking his elderly and eccentric father-in-law on a camping holiday through France and the writer's summer school where Dr Clifford ends up holding endless surgeries. Doctor, family man, humourist, philosopher and counsellor Dr Robert Clifford takes us through his busy life sharing his patients' problems and joys, tragedies and courage.
