## On New Creation:

**Dynamics of the new Creation with study notes** Tony Smits, Tony Smits B.Th, 2011      **The New Creation in Christ** Alfred Prempeh-Dapaah, 2016-04-30 What actually makes a person become a new creation in Christ and what should be the lifestyle of the new creation in Christ This book reveals some of the realities of the new creation in Christ that can be compared to a metamorphosis Knowing what makes a person become a new creation in Christ is the beginning of a good strong and successful Christian life It helps the person to identify themselves and what they have to accomplish God purposed plan of life for them in Christ Good to be read by the just born again and all that seeks to grow into spiritual maturity      **Awaken to Your New Creation** ,      *New Creation Realities* E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought the inward soul the re created spirit the focus of God's great redemptive work on earth The four Gospels give us a wonderful picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul's Epistles give us the risen triumphant One the conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God's presence without a sense of guilt condemnation or inferiority      Christian Eschatology and the Physical Universe David Wilkinson, 2010-05-27 Does matter matter The scientific picture of the end of the physical Universe has undergone dramatic changes since the turn of the 21st century with its future characterized by accelerated expansion and futility Yet Christian theology has been largely silent on this despite the interest in eschatology in popular culture and in theology itself What can Christian theology learn from and contribute to the scientific picture of the future of the Universe Can the biblical narratives of creation and new creation have a fruitful dialogue with scientific discoveries David Wilkinson shows what a fruitful dialogue this can be Critiquing the folk eschatology of the Left Behind series the misguided faith of the scientific optimists and the lack of scientific engagement of the theologians of hope Wilkinson argues for a rediscovery of the theological theme of new creation and the centrality of bodily resurrection      **Publication** , 1991      **Studies in the Scriptures: The new creation** Charles Taze Russell, 1904      The Book of Revelation G. K. Beale, 2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the

UBS Greek New Testament edited by Kurt Aland and others While engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis *God of Holy Love* Paul K.

Moser, Benjamin Nasmith, 2019-08-30 The God of Christian faith is according to Peter Taylor Forsyth a God of holy righteous love As a result God's intervention in human life is morally robust being in search of the transformation of its recipients toward holy love Its high point is in the cross of Jesus Christ This book contains twenty of Forsyth's essays that clarify the nature and manifestation of God's holy love Forsyth contends that God is an active personal agent who desires interpersonal fellowship with humans under the authority of divine holy love He attends to the experience of God in moral conscience where one can experience forgiveness and redemption by God He challenges readers to consider whether their experience includes an encounter with a God who manifests holy love **Preservation and Protest** Ryan Patrick

McLaughlin, 2014-11-01 Preservation and Protest proposes a novel taxonomy of four paradigms of nonhuman theological ethics by exploring the intersection of tensions between value terms and teleological terms McLaughlin systematically develops the paradigm of cosmocentric transfiguration arguing that the entire cosmos shares in the eschatological hope of a harmonious participation in God's triune life With this paradigm McLaughlin offers an alternative to anthropocentric and conservationist paradigms within the Christian tradition an alternative that affirms both scientific claims about natural history and the theological hope for eschatological redemption *Participating in Christ* Michael J. Gorman, 2019-09-17

World renowned scholar Michael Gorman examines the important Pauline theme of participation in Christ and explores its contemporary significance for Christian life and ministry One of the themes Gorman explores is what he calls resurrectional cruciformity that participating in Christ is simultaneously dying and rising with him and that cross shaped living infused with the life of the resurrected Lord is life giving Throughout the book Gorman demonstrates the centrality of participating in Christ for Paul's theology and spirituality *An Exposition of the Creed* John Pearson, 1843 Catholic Theology Frederick
