which is not a biography or a general history of the Showa era focuses on five decisions taken by Emperor Hirohito which the author considers the key turning points of his reign these concern the 26 February 1936 insurrection of young army officers the termination of the Pacific War the post war constitution the issue of abdication and the San Francisco Peace Treaty

Graser,2022-10-25 Smell the Gunpowder The Land of the Morning Calm is inspired by true events and veterans firsthand accounts of Americans who served in Korea Because of these veterans the Republic of Korea remains a free sovereign nation and one of the strongest and wealthiest countries in Asia Today North Korea continues to have a nuclear arsenal and is one of the most militarized countries in the world creating a critical security challenge Concerns about North Korea and its intentions remain at the highest level since the end of the 1950s and 1960s Korean Conflicts South Korea has urged the United States and North Korea to formally reach a peace agreement ending the decades long conflict The outcome of a peace agreement is uncertain and Smell the Gunpowder makes no pretense of providing the complete account of the undeclared unconventional struggles that have gripped Korea since 1945 although it may serve to

refocus attention on a most intriguing chapter in the annals of American and Korean history **In Peace & War** Robin Rhoderick-Jones, 2019-07-30 A British military veteran presents an insider's history of the UK's elite armored regiment across three centuries of service highly recommended Military Historical Society Formed in 1993 the Queen's Royal Hussars trace their origins back to 1685 when King James II formed a standing army An amalgamation of two former regiments the Queen's Own Hussars and the Queen's Royal Irish Hussars the QRH carry on the distinguished history of their antecedents A veteran of both the Queen's Own and the Queen's Royal Irish Robin Rhoderick Jones tells the history of these celebrated regiments who fought alongside each other at Dettingen Balaklava the Peninsula in India and during the two World Wars Recently the QRH have seen action in Bosnia Herzegovina Kosovo Iraq and Afghanistan where they provided the first cavalry led ground holding battlegroup In Peace and War is a superbly researched record of the QRH through more than 300 years distinguished service to the Crown While the demands facing the QRH have changed over the years their dedication bravery commitment and sense of humor remain constant **Transactions of the Grotius Society Problems of Peace and War** Grotius Society, London, 1917 *Interim Report of Committee on National Expenditure ...* Great Britain. Committee on National Expenditure, 1922 **Parliamentary Papers** Great Britain. Parliament. House of Commons, 1922 [An Historian in Peace and War](#) T.G. Otte, 2016-04-15 The First World War and subsequent peace settlement shaped the course of the twentieth century and the profound significance of these events were not lost on Harold Temperley whose diaries are presented here An established scholar and later one of Britain's foremost modern and diplomatic historians Temperley enlisted in the army at the outbreak of the war in August 1914 Invalided home from the Dardanelles campaign in 1915 he spent the remainder of the war and its aftermath as a general staff officer in military intelligence Here he played a significant role in preparing British strategy for the eventual peace conference and in finalising several post war boundaries in Eastern Europe Later in the 1920s and 1930s Temperley was to co edit the British diplomatic documents on the origins of the war and the vicissitudes of modern Great Power politics were to be his principal preoccupation Beginning in June 1916 the diary presents a more or less daily record of Temperley's activities and observations throughout the war and subsequent peace negotiations As a professional historian he appreciated the significance of eyewitness accounts and if Temperley was not at the very heart of Allied decision making during those years he certainly had a ringside seat Trained to observe accurately he recorded the concerns and confusions of wartime conscious always of the historical significance of what he observed As a result there are few sources that match Temperley's diary which presents a fascinating and unique perspective upon the politics and diplomacy of the First World War and its aftermath
