On Mastering Aikido Hardcover:

On Mastering Aikido, 2nd Edition Daniel Linden, 2011-03-18 This is the New Third Edition of On Mastering Aikido It takes the reader on a journey through the world of the martial art known as Aikido and the teachings of Daniel Linden Sensei Written for advanced students of the art those who are already conversant with the fundamental teachings Linden Sensei crosses the line often between teaching and entertaining with humorous touching stories of years of training in the world s most difficult martial way On Mastering Aikido consists of nine dialogs an Introduction and Afterward The dialogs are each devoted to one of the main principles of Aikido knowledge what Linden Sensei refers to as the Eight Pillars of Aikido Wisdom We discover a ninth in the Afterward but as Linden says It is almost impossible to attain These dialogs are pleasant to read and clearly explain each of the principles in conversation between teacher and student and sometimes teacher to teacher Interspersed are stories and anecdotes that bridge the gaps between times attitudes and enlightenment On Mastering Aikido applies as well to the study of Aikido as it does to yoga karate judo basketball tennis tango or any activity that uses the human body as a tool The book s focus is on physical mastery and the rules which Linden Sensei lays down can be applied to any human endeavor It was written to be read as a continuous effort but each chapter can stand alone or it can be selected for specific interest The overall effect is almost that of a novel as the reader is swept up in Shoshin Aikido Dojo while students are engaged in training relaxing and work around the school European journeys become travelogues as the dialog unfolds The book is engaging enjoyable enlightening and humorous In an age when most Martial Art books read like math textbooks it is a rare find In this Second Edition Mr Linden offers more insights and a renewed and refreshed viewpoint

An Introduction to Aikido Mastering the Basics Through Proper Training ((English translation of Aikido book)) Mitsuteru Ueshiba, 2020-03-02 This book has a greater number of sequence photographs than other books on aikido techniques previously published This will help beginners to understand what they need to pay attention in mastering basic movements It also has many close up photographs and photographs taken from some different angles which I hope will make techniques more understandable It will also be of great help to instructors in charge of beginners and children The basics explained in this book constitute the fundamentals of aikido techniques Therefore you have to keep practicing them even after you are promoted to higher ranks I hope this book will help you to check what you have learned by observing your instructor s demonstrations at your dojo and thereby improve your skills Preface Before You Start Training Nage waza Nage katame waza Katame waza Developing Kokyu ryoku Aikido and the Aikikai Public Utility Foundation Brief Personal Records of Successive Doshus Mitsuteru Ueshiba was born on June the 27th 1981 the 56th year of the Showa era as a grandson of Morihei Ueshiba he started working for the Aikikai Foundation and in 2015 became the Director of the Hombu Dojo of Aikido
