On Our Way The Final Passage Through Life And Death:

On Our Way Robert Kastenbaum, 2004-05-20 A profound look at how death and dying is understood negotiated and experienced by different cultures

On Our Way Robert Kastenbaum, 2004-05-20 How do our ideas about dying influence the way we live Life has often been envisioned as a journey the river of time carrying us inexorably toward the unknown country and in our day we increasingly turn to myth and magic ritual and virtual reality cloning and cryostasis in the hope of eluding the reality of the inevitable end In this book a preeminent and eminently wise writer on death and dying proposes a new way of understanding our last transition A fresh exploration of the final passage through life and perhaps through death his work deftly interweaves historical and contemporary experiences and reflections to demonstrate that we are always on our way Drawing on a remarkable range of observations from psychology anthropology religion biology and personal experience Robert Kastenbaum re envisions life s forward looking progress from early childhood bedtime rituals to the many small rehearsals we stage for our final separation Along the way he illuminates such moments and ideas as becoming a corpsed person going down to earth or up in flames respecting or abusing and eating the dead coping with too many dead conceiving and achieving a good death undertaking the journey of the dead and learning to live through the scrimmage of daily life fully knowing that Eternity does not really come in a designer flask Profound insightful often moving this look at death as many cultures await it or approach it enriches our understanding of life as a never ending passage

Death, Society, and Human Experience Robert Kastenbaum, Christopher M. Moreman, 2024-03-28 The 13th edition of *Death Society and Human Experience* provides a panoramic overview of the ways that we are touched by death and dying both as individuals and as members of society A landmark text in the field the authors draw on contributions from the social and behavioral sciences as well as the humanities including perspectives offered through history philosophy religion literature and the arts to provide thorough coverage and understanding of topics associated with the end of life and death and dying By approaching the subject from multiple angles the authors explain the various ways that individual cultural and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss Originally written by Robert Kastenbaum a renowned scholar who developed one of the world s first death education courses Christopher M Moreman who has worked in the field of death studies for two decades has updated this edition In addition to infusing his close areas of focus both in afterlife beliefs and experiences and how these might affect how people live their lives he s weaved in new coverage of current affairs including The impact of COVID 19 on experiences of death bereavement mourning and more Expanded legalization of physician assisted dying in the United States and several countries Changes in bereavement rituals and traditions stemming from technology use and social media With additional content and classroom extensions available online *Death Society and Human Experience* remains a thoughtful exploratory and impressively comprehensive overview for undergraduate and graduate courses in death dying and bereavement
