On Right Livelihood:

On Right Livelihood Jiddu Krishnamurti, 2023-04-25 On Right Livelihood explores ways for us to be engaged in but not engulfed by our work In a world frantic to produce possess and consume few of us have time to wonder if our work damages the environment if we are making the most of our talents or simply making a living if we truly savor our leisure time Krishnamurti presents sage and eloquent teachings on these issues of vital concern to us all Krishnamurti has said Is it not necessary for each to know for oneself what is the right means of livelihood If we are avaricious envious seeking power then our means of livelihood will correspond to our inward demands and so produce a world of competition ruthlessness oppression ultimately ending in war Teaching Right Livelihood.
