Davies,2009-03-26 What is a grimoire The word has a familiar ring to many people particularly as a consequence of such popular television dramas as Buffy the Vampire Slayer and Charmed But few people are sure exactly what it means Put simply grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia At their most benign they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and worst of all to call up and make a pact with the Devil Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day But the grimoire represents much more than just magic To understand the history of grimoires is to understand the spread of Christianity the development of early science the cultural influence of the print revolution the growth of literacy the impact of colonialism and the expansion of western cultures across the oceans As this book richly demonstrates the history of grimoires illuminates many of the most important developments in European history over the last two thousand years An Encyclopaedia of Occultism Lewis Spence,2006-09-01 This compendium of

information on the occult sciences occult personalities psychic science demonology spiritism and mysticism was one of a kind when it was first published in 1920 and is still considered the best in its field today Spence organizes a world s worth of magic from Ab a magical month in the ancient Semitic calendar to Zulu witch finders into 2 500 dictionary style entries that explore concepts and personalities both familiar Freemasonry Morgan le Fay and obscure palingenesis a process by which plants or vegetables are destroyed and then resurrected Leonora Galigai a 17th century Italian aristocrat who was burned as a witch A delight for devotees of the weird and the strange and a valuable resource for students of mythology and the evolution of scientific thought this important volume is at home in the libraries of all book lovers Scottish journalist and

folklorist LEWIS SPENCE 1874 1955 was a Fellow of the Royal Anthropological Institute of Great Britain and Ireland and Vice President of the Scottish Anthropological and Folklore Society He published more than 40 works on mythology and the occult including History of Atlantis An Introduction to Mythology and Myth and Ritual in Dance Game and Rhyme     **The Reference Catalogue of Current Literature** ,1910
