

Senator Joseph Mccarthy And The American Labor Movement

William F. Thompson

Senator Joseph McCarthy And The American Labor Movement:

Senator Joseph McCarthy and the American Labor Movement David M. Oshinsky, 1976 **The Unions and the Red Scare. Can McCarthyism be held Responsible for the Dwindle of the US-American Labor Movement?** Diana Kiesinger, 2015-04-15 Studienarbeit aus dem Jahr 2013 im Fachbereich Amerikanistik Kultur und Landeskunde Note 2,7 Technische Universität Chemnitz Anglistik Amerikanistik Veranstaltung American Society Culture and Politics Sprache Deutsch Abstract The second Red Scare or the Great Red Scare which had been mostly introduced and carried out by Senator Joe McCarthy took place between 1947 and 1957 With the aid of radical measurements such as interrogations witch hunts and accusations of not only organisations and individuals with high responsibility jobs but also ordinary working people the US government aimed to seek out the inner enemy of the nation the Communists It spreaded out into every corner of the United States be it the film industry the government academics and also into work related institutions like labor unions on which this paper is going to concentrate exclusively As to that this paper is going to analyse in how far this temporary outbreak of hatred against Communists contributed to the ongoing decline of the labor movement which is nowadays said to be weak in strike power and proper visions The topic is for as much special in considering its contemporary relevance

Senator Joseph McCarthy and American Labor David M. Oshinsky, 1968 **The UAW and the Heyday of American Liberalism, 1945-1968** Kevin Boyle, 1995-11-21 Kevin Boyle has done a masterful job of identifying the unique contribution of the UAW not only to American Liberalism but also to the nation and to all people As contemporary labor and society at large search for new directions this book should be required reading Victor G Reuther Joseph McCarthy Arthur Herman, 2000 A daring and controversial second look at Senator Joseph McCarthy that declares that many of his notorious accusations were actually true 16 page photo insert McCarthy's Americans M. J. Heale, 1998 Was the communist witch hunt unleashed by Senator Joe McCarthy an aberration or has red scare politics been an intrinsic part of American political life since the 1930s Was McCarthyism a populist or an elitist phenomenon Was Senator McCarthy virtually irrelevant to the phenomenon McCarthy's Americans shows that some of the contending interpretations of McCarthyism are mutually compatible and reveals the importance of pressures usually overlooked M J Heale's deeply probing study of McCarthy's hinterland in the American states demonstrates that what is usually called McCarthyism was part of a political cycle that emerged in the 1930s and took two decades to run its course Heale also argues that much of the red scare dynamic came from the big cities and the white South It was here that a range of interests exhibiting a fundamentalist fury with the changing times that the political order had fashioned during the New Deal years rested on fragile foundations Defying the consensus liberalism of the 1950s McCarthy and more important the many little McCarthys in the states kept alive a brand of right wing politics preparing the way for George Wallace in the 1960s and the revitalized conservatism of Richard Nixon in the 1970s and Ronald Reagan in the 1980s **Senators of the United States** Diane B. Boyle, 1995 S Doc 103 34 Compiled

by Jo Anne McCormick Quatannens Diane B Boyle editorial assistant prepared under the direction of Kelly D Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their autobiographies and other published works *Senators of the United States*, 1995 **The Senate, 1789-1989:**

Addresses on the history of the United States Senate Robert C. Byrd, 1988 This Senate Bicentennial publication consists of addresses to the Senate on its history delivered between 1981 and 1987 The lectures discuss leadership power organization setting and the 1989 Senate Furthermore they have been compiled revised and edited to present the United States Senate history and traditions of the past 200 years McCarthyism and the Red Scare William T. Walker, 2011-03-03

This book is a must read for anyone studying and researching the rise and fall of Senator Joseph R McCarthy and McCarthyism in American political life Intolerance in America that targets alleged internal subversives controlled by external agents has a storied history that stretches hundreds of years While the post World War II Red Scare and the emergence of McCarthyism during the 1950s is the era commonly associated with American anticommunism there was also a First Red Scare that occurred in 1919 1920 In both time periods many Americans feared the radicalism of the left and some of the most outspoken like McCarthy used slander to denounce their political enemies The result was an atmosphere in which individual rights and liberties were at risk and hysteria prevailed McCarthyism and the Red Scare A Reference Guide tracks the rise and fall of Senator Joe McCarthy and the broad pursuit of domestic Red subversives in the post World War II years and focuses on how American society responded to real and perceived threats from the left during the first decade of the Cold War

Labor's Text Laura Hapke, 2001 Hapke's book remarkable in scope and inclusiveness offers those concerned with American working people a mine of information about and analysis of the rich lived history of American laborers as that has been represented in fictions of every kind She provides an invaluable foundation for understanding the dirtiest of America's dirty big secrets the pervasiveness of class differences class discrimination indeed of class conflict in this the wealthiest nation in history Hers is an indispensable guided tour through more than a century and a half of literary representations of hands at their looms pikets on the line agitators on their soapboxes ordinary working women men and children in kitchens parks factories and fields across America Paul Lauter A K G M Smith Professor of Literature Trinity College Labor's Text sets over 150 years of the multi ethnic literature of work in the context of the history that informed it the history of labor organizing of industrial change of social transformations and of shifting political alignments Any scholar of American literature or American history cannot help but be enlightened by this boldly ambitious and illuminating book Shelly Fisher Fishkin professor of American studies University of Texas Austin Labor's Text traverses nearly two centuries of the U S literary response in fiction to workers and the work experience Casting her net more broadly than any of her predecessors Hapke's revision of the genre includes many recent writing not usually recognized as part of the tradition Coming at a moment when there is a steady increase in interest about class from color and gender inflected perspectives this is a work of committed

scholarship that may well prove to be a crucial compass to reorient the thinking and scholarship of a new generation Alan Wald author of *Writing from the Left* A stunning work of scholarship It is an extraordinary achievement and an immense contribution to working class studies Janet Zandy author of *Calling Home Working Class Women's Writings* Laura Hapke is a professor of English at Pace University The winner of two Choice magazine Outstanding Academic Book awards she is the author of *Daughters of the Great Depression Women Work and Fiction in the American 1930s* and other books on labor fiction and working class studies *The Senate, 1789-1989* Robert C. Byrd, 1988 *Truman and the Democratic Party* Sean J. Savage, 2014-07-11 What best defines a Democrat in the American political arena idealistic reformer or pragmatic politician Harry Truman adopted both roles and in so doing defined the nature of his presidency Truman and the Democratic Party is the first book to deal exclusively with the president's relationship with the Democratic party and his status as party leader Sean J Savage addresses Truman's twin roles of party regular and liberal reformer examining the tension that arose from this duality and the consequences of that tension for Truman's political career Truman saw the Democratic party change during his lifetime from a rural dominated minority party often lacking a unifying agenda to an urban dominated majority party with strong liberal policy objectives A seasoned politician who valued party loyalty and recognized the value of political patronage Truman was also attracted to a liberal ideology that threatened party unity by alienating southern Democrats By the time he succeeded Franklin Roosevelt the diversity of opinions and demands among party members led Truman to alternate between two personas the reformer committed to liberal policy goal civil rights national health insurance federal aid to education and the party regular who sought greater harmony among fellow Democrats Drawing on personal interview with former Truman administration members and party officials and on archival materials most notably papers of the Democratic National Committee at the Harry S Truman Library Savage has produced a fresh perspective that is both shrewd and insightful This book offers historians and political scientists a new way of looking at the Truman administration and its impact on key public policies *The History of Wisconsin, Volume VI* William F.

Thompson, 2013-03-28 The sixth and final volume in the History of Wisconsin series examines the period from 1940 1965 in which state and nation struggled to maintain balance and traditions Some of the major developments analyzed in this volume include coping with three wars racial and societal conflict technological innovation population shifts to and from cities and suburbs and accompanying stress in politics government and society as a whole Using dozens of photographs to visually illustrate this period in the state's history this volume upholds the high standards set forth in the previous volumes

Right-Wing Populism in America Chip Berlet, Matthew N. Lyons, 2016-05-06 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in depth look at the historical roots and current landscape of right

wing populism in the United States Illuminated is the potent combination of anti elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America Labor's Cold War Shelton Stromquist,2008 How the Cold War affected local level union politics

Mapping the Cold War Timothy Barney,2015-04-13 In this fascinating history of Cold War cartography Timothy Barney considers maps as central to the articulation of ideological tensions between American national interests and international aspirations Barney argues that the borders scales projections and other conventions of maps prescribed and constrained the means by which foreign policy elites popular audiences and social activists navigated conflicts between North and South East and West Maps also influenced how identities were formed in a world both shrunk by advancing technologies and marked by expanding and shifting geopolitical alliances and fissures Pointing to the necessity of how politics and values were spatialized in recent U S history Barney argues that Cold War era maps themselves had rhetorical lives that began with their conception and production and played out in their circulation within foreign policy circles and popular media Reflecting on the ramifications of spatial power during the period Mapping the Cold War ultimately demonstrates that even in the twenty first century American visions of the world and the maps that account for them are inescapably rooted in the anxieties of that earlier era **The Oxford Handbook of the Cold War** Richard H. Immerman,Petra Goedde,2013-01-31 The Oxford

Handbook of the Cold War offers a broad reassessment of the period war based on new conceptual frameworks developed in the field of international history Nearing the 25th anniversary of its end the cold war now emerges as a distinct period in twentieth century history yet one which should be evaluated within the broader context of global political economic social and cultural developments The editors have brought together leading scholars in cold war history to offer a new assessment of the state of the field and identify fundamental questions for future research The individual chapters in this volume evaluate both the extent and the limits of the cold war s reach in world history They call into question orthodox ways of ordering the chronology of the cold war and also present new insights into the global dimension of the conflict Even though each essay offers a unique perspective together they show the interconnectedness between cold war and national and transnational developments including long standing conflicts that preceded the cold war and persisted after its end or global transformations in areas such as human rights or economic and cultural globalization Because of its broad mandate the

volume is structured not along conventional chronological lines but thematically offering essays on conceptual frameworks regional perspectives cold war instruments and cold war challenges The result is a rich and diverse accounting of the ways in which the cold war should be positioned within the broader context of world history *Senate, 1789-1989, V. 1: Addresses on the History of the United States Senate* , **Young Bob** Patrick J. Maney, 2003 He made his mark on national life as a key architect of Franklin Roosevelt s New Deal a leading champion of labor rights and civil liberties and author of legislation that endures to this present day Young Bob was one of the best senators in history but also one of the most tragic In 1946 at the height of his national prominence La Follette lost his Senate seat to Joseph McCarthy Seven years later with McCarthy very much on his mind La Follette committed suicide BOOK JACKET
