**Cornplanter** Thomas S. Abler, 2022-12-05 The era following the American War of Independence was one of enormous conflict for the Allegany Senecas There was then no Seneca leader more influential than Chief Warrior Cornplanter Yet there has been no definitive treatment of his life until now Complex and passionate yet wise Cornplanter led his people in war and along an often troubled path to peace This incisive biography traces his rise to prominence as a Seneca military leader during the American Revolution and his later diplomatic success in negotiations with the Federal government The book also explores Cornplanter's dealings with other Native American councils and with his own people It tells how Senecas faced heavy pressure to sell their lands and how they concurrently embraced a reformed and revitalized Iroquois religion as inspired by Cornplanter's visionary half brother Handsome Lake Thomas S Abler skillfully weaves together previously discordant strands of the Chief Warrior's life into a concise animated and enlightening portrait Even as Cornplanter examines a critical period in American history it gives us a multi dimensional knowledge of politics and diplomacy from the Seneca point of view Thoroughly researched and clearly written this is an ideal companion for students and aficionados of the American Revolution and early nationhood the Iroquois and New York State history
