*America in Historical Fiction* Vandelia L. Vanmeter, 1997-02-15 Portrayals of America's people places and events in historical fiction integrate literature with history and make an exciting supplement to U S history classes This book helps educators and students locate the best in classic and contemporary fiction in this subject area Arranged in major chronological divisions of U S history the annotated entries include standard bibliographic information time period subject location research base if known and whether the title is more appropriate for mature students or younger secondary students VanMeter often lists prequels and sequels or notes when a title is more than 600 pages long Extensive indexing provides access to entries on a wide variety of topics from women immigrants and ethnic groups to military political and social events

*Florida Studies* General Editor, Claudia Slate, 2009-05-05 Florida was the first region of the United States to be discovered explored and after a fashion settled by Euroamericans Its population in the early 21st century is approaching 17 million Within years the number of people living in the state will surpass those living in New York and the Sunshine State will become the most populous area east of the Mississippi The first book in English about Florida was written by Jean Ribault A French adventurer Ribault established a colony of Huguenots near present day Jacksonville He was captured by the very able Spanish commander Pedro Menendez who ordered his French rival and all his minions killed The state's long and colorful past is matched by its equally long and colorful literary production Strangely critical assessment of Florida literature has lagged far behind With this volume the Florida College English Association has formally begun an effort to correct this lamentable oversight Included are papers on every aspect of Florida literature and history by scholars from every part of the state who are employed in every kind of institution of higher learning Of special interest are the studies of Florida literature in the 19th century and in the late 20th and early 21st centuries areas that are generally ignored in national journals The papers on the contributions of African American literary figures such as Zora Hurston and James Weldon Johnson are noteworthy Of particular interest are the suggestions for teaching Florida studies in the classroom which can be adapted for high school as well as college students

**Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is

interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

**Evidence of Hope** Paul G. Johnson, 2008-01-01 Social issues shape the news Yet pulpit and pews maintain an awkward silence about them One layperson said I have been a member here for twenty five years but I have no idea what any member thinks about any social issue Op ed pages and sound bites cause people to wonder if friends are red or blue on social issues but in this book content dips below the surface where the water is a bipartisan calm Here is one example for genuine competition to occur the sides have to be fairly even We do this in sports Another example question is why is health care so high when the healing is free Hope is implicit in Thy kingdom come on earth recited by many churchgoers on a weekly basis as part of the Lord's Prayer Hope becomes explicit when practical theology and applied sociology are joined because they point to the same Source the hidden pressure for justice and peace at work in the world This Source allows grace and truth to be discovered in social issues Indeed the grace of God generates compassion a prerequisite for multifaceted social justice Wrath has no capacity to foster anything but fear of being left behind There are single issue books of three hundred plus pages but there are no books that speak to a variety of social issues This one does speak to a variety of social issues with clarity readability and economy

**The Essential Mystery Lists** Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher's Best and

Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction     **The Readers' Advisory Guide to Genre Fiction** Joyce G.
