Seneca Moral Essays Volume Ii

John S McHugh

Seneca Moral Essays Volume II:

Seneca in Ten Volumes Lucius Annaeus Seneca (le Jeune.),2001 Moral Essays, Volume II Seneca, **Seneca** Lucius Annaeus Seneca (Philosophus),2014 In Moral Essays Seneca c 4 65 CE expresses his Stoic philosophy on providence steadfastness anger forgiveness consolation the happy life leisure tranquility the brevity of life and gift giving **Lucian, Volume II** Lucian (of Samosata.),M. D. Macleod,1929 Lucian ca AD 120 190 apprentice sculptor then traveling rhetorician settled in Athens and developed an original brand of satire Notable for the Attic purity and elegance of his Greek and for literary versatility he is famous chiefly for the lively cynical wit of the dialogues in which he satirizes human folly superstition and hypocrisy The General History of Drugs, Volume Two, Part One Antonio Escobedo,2018-10-30 The first English translation of La historia de las drogas by Antonio Escobedo *Reformed Ethics : Volume 2 (Reformed Ethics)* Herman Bavinck,2021-12-07 Herman Bavinck's four volume Reformed Dogmatics is one of the most important theological works of the twentieth century The English translation was edited by leading Bavinck expert John Bolt who now brings forth a recently discovered manuscript from Bavinck that is being published for the first time Serving as a companion to Reformed Dogmatics Reformed Ethics offers readers Bavinck's mature reflections on ethical issues This book the second of three planned volumes covers the duties of the Christian life and includes Bavinck's exposition of the Ten Commandments Christian Grace and Pagan Virtue J. Warren Smith,2010-12-21 Ambrose of Milan 340 397 was the first Christian bishop to write a systematic account of Christian ethics in the treatise De Officiis variously translated as on duties or on responsibilities But Ambrose also dealt with the moral life in other works notably his sermons on the patriarchs and his addresses to catechumens and newly baptized There is a vast modern literature on Ambrose but only in recent decades has he begun to be taken seriously as a thinker not just as a working bishop and ecclesiastical politician Because Ambrose was one of the few Latin Christian writers in antiquity who knew Greek another major area of Ambrose scholarship has been the study of his sources notably the Jewish philosopher Philo and Christian writers such as Origen of Alexandria In this book Warren Smith examines the neglected biblical liturgical and theological foundations of Ambrose's thought on ethics Earlier studies have found little that was distinctively Christian in Ambrose's image of the virtuous person Smith shows that though like the pagans Ambrose emphasized moderation courage justice and prudence for him these characteristics were shaped by the church's beliefs about God's salvific economy The courage of a Christian facing persecution for example was an expression of faith in Christ's resurrection and the church's eschatological hope Eschatology for Ambrose was not pagan wisdom clothed in pious language but the very logic upon which virtue rests **Baumgarten's Philosophical Ethics** Alexander Gottlieb Baumgarten,2023-12-14 Alexander Baumgarten's Ethica Philosophica 1740 served as a chief textbook of philosophical instruction in German universities for several decades and was used by Immanuel Kant for his lectures on moral philosophy between 1759 and 1794 Now translated into English for the first time John Hymers explores the extent of Baumgarten's

influence on the development of German philosophy Accompanied by an introduction to Baumgarten and his work this translation features an explanation of the main themes of the *Ethica Philosophica* touching upon its relation to Christian Wolff and G F Meier s practical philosophy but focusing especially on its role in Kant s lectures First time translations of elucidatory passages from the writings of Meier Wolff and Heinrich K hler appear together with the relevant transcriptions of Kant s lectures on ethics Based on a thorough knowledge of the original text Hymers clear translation and supporting material makes it possible to distinguish Kant s own remarks and insights from his attempts to expound and summarize Baumgarten s ideas This is a much needed contribution for anyone working in the history of modern philosophy *Seneca : Moral essays : v.2* J. W. Basore (trans),1979

What We Owe to Nonhuman Animals Gary Steiner,2023-09-27 This book strongly challenges the Western philosophical tradition s assertion that humans are superior to nonhuman animals It makes a case for the full and direct moral status of nonhuman animals The book provides the basis for a radical critique of the entire trajectory of animal studies over the past fifteen years The key idea explored is that of felt kinship a sense of shared fate with and obligations to all sentient life It will help to inspire some deep rethinking on the part of leading exponents of animal studies The book s strong outlook is expressed through an appeal for radical humility on the side of humans rather than a constant reference to the human animal divide Historical figures examined in depth include Aristotle Seneca and Kant contemporary figures examined include Christine Korsgaard and Martha Nussbaum This book presents an account according to which the tradition has not proceeded on the basis of impartial motivations at all but instead has made a set of pointedly self serving assumptions about the proper criteria for assessing moral worth Readers of this book will gain exposure to a wide variety of thinkers in the Western philosophical tradition historical as well as contemporary This book is suitable for professionals working in nonhuman animal studies students advanced undergraduates and practitioners working in the fields of philosophy environmental studies law literature anthropology and related fields

Consolationscapes in the Face of Loss Christoph Jedan,Avril Maddrell,Eric Venbrux,2018-10-09 Human beings are grieving animals Consolation or an attempt to assuage grief is an age old response to loss which has various expressions in different cultural contexts Over the past century consolation has dropped off the West s cultural radar The contributions to this volume highlight this neglect of consolation in popular and academic discourses and explore the usefulness of the concept of consolation for analysing spatio temporal constellations *Consolation*scapes in the Face of Loss brings together scholars from geography philosophy history anthropology and religious studies The chapters use spatial and conceptual mappings of grief and consolation to analyse a range of spaces and phenomena around grief bereavement and remembrance comfort and resilience including battlefield memorials crematoria graveyards and natural burial sites in Europe Authors shift the discussion beyond the Global North by including responses to traumatic grief in post conflict African societies as well as Australian Aboriginal traditions of ritual consolation The book focuses on the relationship between space place and consolation In so doing it offers a new lens for

research on death grief and bereavement It offers new insights for students and researchers interrogating contemporary bereavement as well as those interested in meaning making emerging socio cultural practices and their role in personal and collective resilience

Philosophies of Technology: Francis Bacon and his Contemporaries (2 vols.) ,2008-10-31 The essays in the present volume attempt to historically reconstruct the various dependencies of philosophical and scientific knowledge of the material and technical culture of the early modern era and to draw systematic conclusions for the writing of early modern history of science The divisive transformation of humanist scholarly culture the Scholastic school philosophy as well as magic in the form of a philosophy of practice is always associated with the work of Francis Bacon All of these essays in this volume reflect the close interaction between technical models and knowledge production in natural philosophy natural history and epistemology It becomes clear that the technological developments of the early modern era cannot be adequately depicted in the form of a pure history of technology but rather only as part of a broader cultural history of the sciences Contributors include Todd Andrew Borlik Arianna Borrelli Thomas Brandstetter Daniel Damler Luisa Dolza Moritz Epple Berthold Heinecke Dana Jalobeanu J rgen Klein Staffan M ller Wille Romano Nanni Jarmo Pulkkinen Pablo Schneider Andr s Vaccari Benjamin Wardhaugh Sophie Weeks and Claus Zittel

Archaeology and the Letters of Paul Laura Salah Nasrallah,2019 This study illuminates the social political economic and religious lives of those to whom the apostle Paul wrote It articulates a method for bringing together biblical texts with archaeological remains

The Vanity of Thoughts Thomas Goodwin,2024-11-07 How long shall thy vain thoughts lodge within thee Jeremiah 4 14 Our minds are constantly flooded with unwelcome ideas in this age of information and entertainment In The Vanity of Thoughts Thomas Goodwin challenges us to fight these frivolous and sinful mental companions This timely reminder about the importance of mind renewal paves a path to bringing every thought captive to the Lordship of Jesus Christ Part of the Puritan Treasures for Today series

Mark Challenges the Aeneid Floyd E. Schneider,2019-12-13 Most scholars believe that Mark wrote his Gospel to the Romans True but in addition to presenting the Gospel to the Romans Mark actually contextualized his Gospel by challenging the leading propaganda of his day Virgil s Aeneid The Roman poet Virgil wrote his masterpiece epic poem the Aeneid to promote the myth that Caesar Augustus was the son of god The Aeneid went viral almost immediately upon publication in 19 BC becoming Rome s premier piece of propaganda that promoted Augustus as the emperor who would bring peace to the world Within the first century the Aeneid reached from Masada to northern Britain and became a foundational piece of Roman education Mark s mother Mary and his uncle Joseph Barnabas raised him in wealth and educated him in the four languages of Hebrew Aramaic Greek and Latin They drew him to Jesus and Barnabas took Mark on the first missionary journey Mark spent time with Peter in Rome where Mark wrote his Gospel in Greek Mark most certainly had direct access to the most influential piece of Latin literature the Aeneid and he wrote his masterpiece Gospel comparing Augustus with Jesus the true Son of God

Metaphors of the Ancient World Fabian Horn,2025-03-17 The objective of

this edited volume is to bring together contributions from the fields of Ancient Greek and Latin Philology that apply the cognitive linguistic framework of Conceptual Metaphor Theory CMT to ancient texts and other source material The individual chapters are unified by this shared theoretical approach occasionally supplemented by further theoretical frameworks and methodologies from literary criticism and the cognitive sciences The scope of the volume is broad and there is no restriction to specific literary genres or periods of history Discussion ranges from the Archaic Greek epic poetry of Homer to the early imperial philosophical treatises of Seneca the Younger Topics treated along the way include Presocratic philosophy Ancient Greek comedy and Roman love elegy This collection of research by theoretically aligned Classicists thereby showcases the potential and versatility of CMT when it comes to the study and interpretation of ancient texts

Novatian's Theology of the Father and Son Daniel Lloyd, 2020-07-23 Early Christian theologian Novatian s c 200 258 work begins with the topic of the unique and supreme Father The categories he uses to describe the Father include both traditions from Christian sources and articulations of negative theology especially as seen in Middle Platonism After establishing the limitations set by philosophical and theological language Daniel Lloyd turns to the positive categories Novatian chooses for describing the Father highlighting Novatian s emphasis on revelation evaluating the parameters of the uniqueness of the Father and showing that his theology presents the Father as distinct in attributes such as incomprehensibility eternality and inability to change Having presented Novatian s theology of the Father as the center point of his thought Lloyd next assesses Novatian s theology of the Son showing that his categories and terminology even to the point of calling the Son God do not function against his theology of the unique Father Novatian has many resources for speaking about the Son s divinity in a way that does not contradict his theology of the Father Lloyd presents and analyzes these resources to demonstrate that the Son s status as ontologically subordinate to the Father is the best reading of De Trinitate

Greek Identity and the Athenian Past in Chariton Steven D. Smith, 2007 I Chariton of Aphrodisias secretary of the rhetor Athenagorus shall relate a love story that took place in Syracuse Thus begins the earliest of the canonical Greek romances the 1st century CE historical novel known as Callirhoe Chariton s erotic tale is about the constancy of love in a world where virtue is always in danger of being corrupted Chaereas and Callirhoe fall in love but then are tragically separated after the heroine believed dead is buried alive Each is eventually sold into slavery in the East and Callirhoe herself contemplates the abortion of her unborn child when she is forced to marry a man she does not love Hero and heroine are finally reunited in the foreign city of Babylon only to be plunged into a war between Persia and Egypt Classical Athenian historiography philosophy oratory myth and drama were all integral in shaping this timely work of fiction set in the years following Athens doomed Sicilian Expedition 415 413 BC Chariton s novel is more though than just a romanticized representation of a famous episode from Greek history The novel is clearly meant to be read for pleasure but it also has a political edge By imaginatively redeploying Athenian literature and political discourse in the construction of his fictional world Chariton gives voice to contemporary concerns about

freedom tyranny the ever expanding meaning of Greek identity and the role of Greek culture in a world dominated by Rome This is a book that will be of value to anyone interested in Greek literature the classical tradition and the complex relationship between art and empire **Rome's Enemies Within** John S McHugh,2024-10-30 The greatest danger to Roman emperors was the threat of deadly conspiracies arising among the Senate the imperial court or even their own families All the emperors that reigned from Augustus to the end of the first century AD faced such efforts to overthrow or assassinate them John McHugh uncovers these conspiracies narrating them and seeking to explain them The underlying cause in many cases was the decline in influence patronage and status granted by emperors to the Senatorial class leading some to seek power for themselves or a more generous candidate Attempted assassinations or coups led the emperors to mistrust the Senate and rely more on freedmen causing more resentment Paranoid emperors often reacted to the merest hint of treason real or imagined with punishments and executions leading more of those around them to consider desperate measures out of self preservation And of course amid this vicious circle of poisonous mistrust there were ambitious family members promoting their own or their offspring s claims to the purple and the duplicitous Praetorian Guard John McHugh brings to light a century of assassination conspiracy and betrayal exploring the motives and aims of the plotters and the bloody cost of success or failure **On Seneca's "Ad Marciam"** C.E. Manning,2018-08-14 Preliminary Material C E Manning The Date and Purpose of the Ad Marciam C E Manning The Structure of the Ad Marciam C E Manning The Literary and Philosophical Background of the Ad Marciam C E Manning The Language and Style of the Ad Marciam C E Manning The Text of the Ad Marciam C E Manning Commentary C E Manning Select Bibliography C E Manning Index C E Manning Mnemosyne A D Leeman H W Pleket and W J Verdenius
