Senor De Los Ultimos Dias El Visiones Del Ano Mil:

El nuevo Apocalipsis Homero Aridjis, 2020-08-05 El Apocalipsis ser obra del hombre y no de Dios es el dictum persistente con el que Homero Aridjis nos avis hace casi cincuenta años de lo que estamos viviendo y de lo que estaba por venir Fue una profecía de la destrucción que nos debe inquietar un pronóstico sobre todo ecológico de quien ha hecho de la lucha medioambiental el eje de su obra literaria y de su compromiso con la vida Aridjis ha escrito las páginas finales para este libro El nuevo Apocalipsis en los días de una pandemia que amenaza a la humanidad En la presente antología el lector encontrar junto a una profecía antigua reactualizada la grandeza de una literatura que está entre las más valoradas de México y Latinoamérica Y hallar también la belleza de una escritura que se sedimenta en una terrible posibilidad que ha de entenderse sobre todo como una llamada militante que nos invita a reaccionar La selección de textos y las introducciones críticas a los distintos apartados a cargo de los profesores Jos Carlos Rovira Anbal Salazar Anglada y Víctor Manuel Sanchis Amat constituyen una completa visión de uno de los mundos y las obsesiones de un creador universal y necesario *Utopian Dreams, Apocalyptic Nightmares* Miguel López-Lozano, 2008 Utopian Dreams Apocalyptic Nightmares traces the history of utopian representations of the Americas first on the part of the colonizers who idealized the New World as an earthly paradise and later by Latin American modernizing elites who imagined Western industrialization cosmopolitanism and consumption as a utopian dream for their independent societies Carlos Fuentes Homero Aridjis Carmen Boullosa and Alejandro Morales utilize the literary genre of dystopian science fiction to elaborate on how globalization has resulted in the alienation of indigenous peoples and the deterioration of the ecology This book concludes that Mexican and Chicano perspectives on the past and the future of their societies constitute a key site for the analysis of the problems of underdevelopment social injustice and ecological decay that plague today's world Whereas utopian discourse was once used to justify colonization Mexican and Chicano writers now deploy dystopian rhetoric to interrogate projects of modernization contributing to the current debate on the global expansion of capitalism The narratives coincide in expressing confidence in the ability of Latin American and U.S. Latino popular sectors to claim a decisive role in the implementation of enhanced measures to guarantee an ecologically sound ethnically diverse and just society for the future of the Americas Latin American Novels of the Conquest Kimberle S. López, 2002 The fictionalized explorers and conquistadors represented in this corpus all identify with certain aspects of Amerindian culture significantly those elements that are most distinct from European culture such as cannibalism and human sacrifice but also feel the need to distance themselves from these others in order to protect their own European cultural identity In most cases the conquistadors themselves are represented as outsiders within the enterprise of imperialism due to ethnic religious or sexual differences from the norm This representation turns the gaze inward toward the other within European culture underscoring the complex origins of Latin American cultures in the violent encounter between the Amerindians and the conquistadors By examining these issues Lopez's Latin American

Novels of the Conquest illuminates the ways in which Latin American novelists used their literary imaginations to embody their ambivalence regarding their own transcultural heritage as children of both the colonized and the colonizer BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Lord of the Last Days* Homero Aridjis,1995 In 10th Century Spain the conflict between Christians and Moors through the eyes of twin brothers Born to a caliph and his concubine the boys paths divide in childhood one to become a Christian monk the other a Saracen warrior then come together in a battle on opposing sides By the author of 1492 **Aztec and Maya Apocalypses** Mark Z.
