The Companion to Southern Literature Joseph M. Flora, Lucinda Hardwick MacKethan, 2001-11-01 Selected as an Outstanding Academic Title by Choice. Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association. There are many anthologies of southern literature but this is the first companion. Neither a survey of masterpieces nor a biographical sourcebook. The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre-Columbian era to the present, referencing specific works of all periods and genres. Top scholars in their fields offer original definitions and examples of the concepts they know best, identifying the themes, burning issues, historical personalities, beloved icons, and common or uncommon stereotypes that have shaped the most significant regional literature in memory. Read the copious offerings straight through in alphabetical order: Ancestor Worship, Blue Collar Literature, Caves, or skip randomly at whim: Guilt, The Grotesque, William Jefferson Clinton. Whatever approach you take, The Companion's authority, scope, and variety in tone and interpretation will prove a boon and a delight. Explored here are literary embodiments of the Old South, New South, Solid South, Savage South, Lazy South, and Sahara of the Bozart. As up to date as grit lit, K Mart fiction, and postmodernism, and as old-fashioned as Puritanism, mules, and the tall tale, these five hundred entries span a reach from Lady to Lesbian Literature. The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche. The South's lavishly rich literature provides the best means of understanding the region's deepest nature, and The Companion to Southern Literature will be an invaluable tool for those who take on that exciting challenge.

Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha. 250 contributors including scholars, writers, and poets. 2 tables of contents: alphabetical and subject, and a complete index. A separate bibliography for most entries.

Holidays in the Danger Zone Debbie Lisle,2016-07-15 Holidays in the Danger Zone exposes the mundane and everyday interactions between two seemingly opposed worlds warfare and tourism Debbie Lisle shows how a tourist sensibility shapes the behavior of soldiers in war especially the experiences of Western military forces in exotic settings This includes not only R R but also how battlefields become landscapes of leisure and tourism She further explores how a military sensibility shapes the development of tourism in the postwar context from Dark Tourism engaging with displays of conflict and atrocity to exhibitions of conflict in museums and at memorial sites as well as advertising film journals guidebooks blogs and photography Focused on how war and tourism reinforce prevailing modes of domination Holidays in the Danger Zone critically examines the long historical arc of the war tourism nexus from nineteenth century imperialism to World War I and World War II from the Cold War to globalization and the War on Terror *Liminalities of Gender and Sexuality in*

Nineteenth-Century Iranian Photography Staci Gem Scheiwiller,2016-12-01 Nineteenth century Iran was an ocularcentered society predicated on visibility and what was seen and unseen and photographs became liminal sites of desire that maneuvered betwixt and between various social spaces public private seen unseen accessible and forbidden thus mapping graphing and even transgressing those spaces especially in light of increasing modernization and global contact during the nineteenth and early twentieth centuries Of primary interest is how photographs negotiated and coded gender sexuality and desire becoming strategies of empowerment of domination of expression and of being seen Hence the photograph became a vehicle to traverse multiple locations that various gendered physical bodies could not and it was also the social and political relations that had preceded the photograph that determined those ideological spaces of im mobility In identifying these notions in photographs one may glean information about how modern Iran metamorphosed throughout its own long dur e or resisted those societal transformations as a result of modernization **American Photo** ,2005-05 Illustrated Outdoor World and Recreation ,1917
