Sentenced To Life A Parable In Three Acts:

Sentenced to Life Malcolm Muggeridge, Alan Edward Carlos Thornhill, 1983 **The Three Laws of Performance**

Steve Zaffron, Dave Logan, 2011-07-28 A proven system for rallying all of an organizations employees around a new vision and ideas for making the vision stick When something at work isn t going smoothly managers struggle with what part of the problem to tackle first Do they start with cost reduction Or should they go for process improvements first The authors who have helped hundreds of companies and individuals change and improve say spend time and money adjusting the systems in which people operate rather than targeting people and their performance directly The authors show that it s in fact possible to change everything at once with a focus on making such transformations permanent and repeatable Brand new Introduction written for the paperback edition Filled with illustrative examples from Northrup Grumman BHP Billiton Reebok Harvard Business School and many others Two experts in the field show how to make major transformations happen The book outlines a process for engaging all employees to buy in to an improved vision of an organization s new and improved future *Emotional Structure, Creating the Story Beneath the Plot* Peter Dunne, 2007 The leap from concept to final draft is great and the task is filled with hard work and horrors It is here that most writers struggle to get the plot right at the expense of the story s real power The result is a script that is logical in every way yet unmoving Emotional Structure by Emmy and Peabody Award winning producer writer and teacher Peter Dunne is for these times when the plot fits nicely into place like pieces in a puzzle yet an elemental terribly important something remains missing The missing piece won t be found by adding action you can t stir the soul with a car chase And the problem won t be helped by a change of location the only location that matters is deep in your protagonist The solution is to pay constant attention to the inseparable nature of plot development and emotional development When you create any scene whether it s a police pursuit on the interstate or a heart to heart in the kitchen the emotional reasoning behind the scene has to be evident When you develop the emotional current that sustains the action you create a scene with heart and soul and you and your viewers are going to feel the passion

Story Sensei Synopsis Worksheet Camy Tang, 2024-03-23 Has your fiction manuscript been rejected by literary agents or traditional publishing houses and you re not sure why Do you feel something s off with your novel but you don t know what Sometimes the problem isn t the writing it s the characterization or the overall story structure If you think this might be a problem with your manuscript you don t want to pay for a freelance editor when you could fix those story elements yourself The Story Sensei s Synopsis worksheet was designed as a way for fiction writers to not only write a synopsis but also doctor their own manuscript by utilizing a large scale bird s eye view of their stories This different way of looking at your novel can often point out flaws in character arcs major plot points and overall story structure The exercises in this worksheet will ensure that your story structure has all the vital elements including character external goal internal spiritual arc obstacles conflict climax resolution This worksheet will guide you through writing your synopsis Don t have a completed manuscript No

problem as long as you're familiar with the main points of your story you can still write a synopsis using this worksheet. It may even help you craft your story and fill in missing pieces as you write the synopsis. Camy uses examples from proposals for her own novels which garnered her contracts with Christian publishers Zondervan, HarperCollins, and Love Inspired Suspense/Harlequin. There is also a special section on spiritual internal arcs since Christian novels tend to have strong spiritual threads in the stories. Even if your story is not inspirational, the internal arc section will help you outline a strong internal arc for your character or troubleshoot if the internal arc has some weaknesses. This version of the Synopsis worksheet includes extra examples, tips on trimming synopses, exercises on chapter-by-chapter and character synopses. Also in this version is an appendix of extra articles including "The 50 word elevator pitch," story blurbs including the ones used in Camy's original proposal for her Inspirational chick-lit Sushi series which she submitted to Zondervan.

Henry James, Gertrude Stein, and the Biographical Act Charles Caramello, 2000-11-09 Focusing on biographical portraiture Charles Caramello argues that Henry James and Gertrude Stein performed biographical acts in two senses of the phrase they wrote biography but as a cover for autobiography Constructing literary genealogies while creating original literary forms they used their biographical portraits of precursors and contemporaries to portray themselves as exemplary modern artists Caramello advances this argument through close readings of four works that explore themes of artistry and influence and that experiment with forms of biographical portraiture James s early biography of Nathaniel Hawthorne and his much later group biography William Wetmore Story and His Friends and Stein s celebrated Autobiography of Alice B Toklas and her largely forgotten Four in America which comprises biographies of Ulysses S Grant Wilbur Wright Henry James and George Washington The first comparative study of these two great expatriate writers Henry James Gertrude Stein and the Biographical Act addresses questions of art influence and literary culture by analyzing important biographical portraits that themselves address the same questions Originally published 1996 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback
