## **Sentencing Reform In Overcrowded Times A Comparative Perspective:**

*Sentencing Reform in Overcrowded Times* Michael Tonry, Kathleen Hatlestad, 1997-04-24 Sentencing and corrections issues are much the same in every Western country and increasingly efforts are being made to import policies and practices that have succeeded elsewhere This volume brings together articles on sentencing reform in the United States other English speaking countries Australia Canada England Wales New Zealand South Africa and Western Europe by leading national and international authorities on sentencing policy practices and institutions Short timely and readable the articles originally appeared in the journal *Overcrowded Times* Together they fill a major gap in the academic and policy literatures and will be essential reading for students scholars and practitioners in the field      **Sentencing and Society** Cyrus Tata, Neil Hutton, 2017-03-02 Combining the latest work of leading sentencing and punishment scholars from twelve different countries this major new international volume answers key questions in the study of sentencing and society It presents not only a rigorous examination of the latest legal and empirical research from around the world but also reveals the workings of sentencing within society and as a social practice Traditionally work in the field of sentencing has been dominated by legal and philosophical approaches Distinctively this volume provides a more sociological approach to sentencing so allowing previously unanswered questions to be addressed and new questions to be opened This extensive collection is drawn from around one third of the papers presented at the First International Conference on Sentencing and Society Almost without exception the chapters have been revised cross referenced and updated The overall themes and findings of the international volume are set out by the opening Introduction and the closing Reflections chapters Research findings on particular penal policy questions are balanced with an analysis of fundamental conceptual issues making this international volume essential reading for sentencing and punishment scholars criminal justice policy makers and graduate students      **Overcrowded Times** ,1997      **The Handbook of Crime & Punishment** Michael H. Tonry, 2000 Consisting of 28 articles this comprehensive reference work on the study of crime examines its causes effects trends and institutions current philosophies of punishment and ways of controlling crime      Sentencing and Sanctions in Western Countries Michael Tonry Director of the Institute of Criminology University of Cambridge, Richard Frase Director of the Institute of Criminology University of Minnesota Law School, 2001-03-12 This collection of original essays surveys the evolution of sentencing policies and practices in Western countries over the past twenty five years Contributors address plea bargaining community service electronic monitoring standards of use of incarceration and legal perspectives on sentencing policy developments among other topics *Sentencing and Sanctions in Western Countries* provides a range of scholars and students excellent cross national knowledge of sentencing laws and practices when and why they have changed over time and with what effects      Sentencing and Sanctions in Western Countries Michael Tonry, Richard Frase, 2001-05-31 This collection of original essays surveys the evolution of sentencing policies and practices in Western countries over the past twenty five years Contributors address plea

bargaining community service electronic monitoring standards of use of incarceration and legal perspectives on sentencing policy developments among other topics Sentencing and Sanctions in Western Countries provides a range of scholars and students excellent cross national knowledge of sentencing laws and practices when and why they have changed over time and with what effects *Changing Attitudes to Punishment* Julian Roberts, Mike Hough, 2013-01-11 Throughout the western world public opinion has played an important role in shaping criminal justice policy yet opinion polls demonstrate that the public actually know little about crime and justice This book consisting of chapters from leading authorities in the field is concerned to address this problem and draws upon research in a number of different countries to address the issues arising from this state of affairs *Understanding Public Attitudes to Criminal Justice* Mike Hough, Julian Roberts, 2005-11-16 Which factors shape public opinion of criminal justice How do the views of the public influence criminal justice policy and practice This book provides an introduction to public attitudes towards criminal justice It explores the public's lack of confidence in criminal justice processes and summarizes findings on public attitudes towards the three principal components of the criminal process the police the courts and the prison system It examines the importance that people attach to different criminal justice functions such as preventing crime prosecuting and punishing offenders and protecting the public Topics include Youth justice and public opinion Public perception of restorative justice Penal populism and media treatment of crime The reliability of public opinion polls The drivers of public opinion Understanding Public Attitudes to Criminal Justice provides an international perspective on the issues surrounding criminal justice and public opinion drawing on research from the UK the United States and Canada and a range of other countries including South Africa Australia and New Zealand Key reading for students in criminology criminal justice and media studies this book is also of value to researchers and those with an interest in crime and the media *The Future of Imprisonment* Michael H. Tonry, 2004 The imprisonment rate in America has grown by a factor of five since 1972 In that time punishment policies have toughened compassion for prisoners has diminished and prisons have gotten worse a stark contrast to the origins of the prison 200 years ago as a humanitarian reform a substitute for capital and corporal punishment and banishment So what went wrong How can prisons be made simultaneously more effective and more humane Who should be sent there in the first place What should happen to them while they are inside When how and under what conditions should they be released The Future of Imprisonment unites some of the leading prisons and penal policy scholars of our time to address these fundamental questions Inspired by the work of Norval Morris the contributors look back to the past twenty five years of penal policy in an effort to look forward to the prison twenty first century future Their essays examine the effects of current high levels of imprisonment on urban neighborhoods and the people who live in them They reveal how current policies came to be as they are and explain the theories of punishment that guide imprisonment decisions Finally the contributors argue for the strategic importance of controls on punishment including imprisonment as a limit on government power chart the rise and fall of efforts to improve

conditions inside analyze the theory and practice of prison release and evaluate the tricky science of predicting and preventing recidivism A definitive guide to imprisonment policies for the future this volume convincingly demonstrates how we can prevent crime more effectively at lower economic and human cost

Race, Law and Society Ian Haney López, 2017-05-15 Race Law and Society draws together some of the very best writing on race and racism from the law and society tradition yet it is not intended to merely reprint the

greatest hits of the past Instead from its introduction to its selection of articles this anthology is designed as a how to manual a guide for scholars and students seeking templates for their own work in this important but also tricky area Race Law and Society pulls together leading exemplars of the sorts of social science scholarship on race society and law that will be essential to racial progress as the world begins to travel the twenty first century Decisions to Imprison Rasmus H. Wandall,2016-05-13 Rasmus Wandall uses quantitative and qualitative methods from studies carried out in Denmark to address the formal and informal norms and ideologies that are used to generate decisions to imprison Focusing on the operations of the courtroom participants his work investigates how court decision making is organized to allow the sentencing procedure to be open to more than its formal legal framework while at the same time keeping the sentencing within the boundaries of law and legal validity The author uses the theory of law s operational closure developed by Niklas Luhmann The theory provides an advantageous point of departure to capture the close and subtle interactions between law s need for validity and for contextual openness in every legal operation including court decision making *Law and Society* Steven Vago,2015-07-14 For one semester undergraduate courses in Law and Society Sociology of Law Introduction to Law and a variety of criminal justice courses offered in departments of Sociology Criminal Justice and Political Science Examines the interplay between law and society Law and Society 10e provides an informative balanced and comprehensive analysis of the interplay between law and society This text presents an overview of the most advanced interdisciplinary and international research theoretical advances ongoing debates and controversies It raises new levels of awareness on the structure and functions of law and legal systems and the principal players in the legal arena and their impact on our lives In addition it looks at the legal system in the context of race class and gender and considers multicultural and cross cultural issues in a contemporary and interdisciplinary context Parental Incarceration and the Family Joyce A. Arditti,2014-05-22 Winner of the 2014 Outstanding Book Award presented by the Academy of Criminal Justice Sciences Over 2% of U S children under the age of 18 more than 1 700 000 children have a parent in prison These children experience very real disadvantages when compared to their peers they tend to experience lower levels of educational success social exclusion and even a higher likelihood of their own future incarceration Meanwhile their new caregivers have to adjust to their new responsibilities as their lives change overnight and the incarcerated parents are cut off from their children s development Parental Incarceration and the Family brings a family perspective to our understanding of what it means to have so many of our nation s parents in prison Drawing from the field s most recent research and the author s own fieldwork Joyce Arditti offers an in depth look at how incarceration affects entire families offender parents children and care givers Through the use of exemplars anecdotes and reflections Joyce Arditti puts a human face on the mass of humanity behind bars as well as those family members who are affected by a parent s imprisonment In focusing on offenders as parents a radically different social policy agenda emerges one that calls for real reform and that responds to the collective vulnerabilities of the incarcerated

and their kin      **Penal Populism and Public Opinion** Julian V. Roberts, 2003 The five countries examined are the United States the United Kingdom Canada Australia and New Zealand      **Central Prison** Gregory S. Taylor, 2021-04-07 Gregory S Taylor's Central Prison is the first scholarly study to explore the prison's entire history from its origins in the 1870s to its status in the first decades of the twenty first century Taylor addresses numerous features of the state's vast prison system including chain gangs convict leasing executions and the nearby Women's Prison to describe better the vagaries of living behind bars in the state's largest penitentiary He incorporates vital elements of the state's history into his analysis to draw clear parallels between the changes occurring in free society and those affecting Central Prison Throughout Taylor illustrates that the prison like the state itself struggled with issues of race gender sectionalism political infighting finances and progressive reform Finally Taylor also explores the evolution of penal reform focusing on the politicians who set prison policy the officials who administered it and the untold number of African American inmates who endured incarceration in a state notorious for racial strife and injustice Central Prison approaches the development of the penal system in North Carolina from a myriad of perspectives offering a range of insights into the workings of the state penitentiary It will appeal not only to scholars of criminal justice but also to historians searching for new ways to understand the history of the Tar Heel State and general readers wanting to know more about one of North Carolina's most influential and infamous institutions
