The Separate Lives of Three Sisters Laparis Milena Lamoore, 2005-04-12 Three different young women three different sets of taste each young woman nurturing each full of adventure style creativity good times bad times and the future But all in all each has a life to live each has a place to live and each has a separate journey Please follow the lives of Samantha Robin and Cindy to see where life takes them Because not every single woman is the same **EIGA** Nick Deocampo, 2017-11-09 Nick Deocampo's continuing film saga investigates on its third volume how World War II affected the growth of cinema in the Philippines 1942-1945 Revealed in the book is a vast wealth of information about Japanese wartime manipulation of motion pictures that would only lead to the inglorious end of the colonial film cycle at war's conclusion This valuable construction of the country's wartime film history uncovers significant intellectual efforts made by Japanese film critics and film artists who formed the Propaganda Corps assigned to the country They conceived for Filipinos a national identity for their cinema even while this was wrapped in a fascist colonial and militaristic context Seventy years after the end of World War II Deocampo triumphs over trauma and forgetfulness as he revisits the wartime period and its cinema He provides a landmark contribution to historical memory as he uncovers one of the bleakest moments in Philippine film history **Grace's Day** William Wall, 2018-08-09 An Irish Independent Book of the Year As the great John McGahern used to say there's verse and there's prose and then there's poetry William Wall is a poet in both mediums John Banville An underrated veteran at the peak of his powers Sunday Times It's this mood of lives irreparably spoiled that make this bitter tasting tale so potent Daily Mail Grace and her mother and sisters live on an island off the west coast of Ireland Their father is a successful writer of travel books that advocate a simpler way of life though he is so seldom there that his family become the subjects of his social experiments and his children's freedom is indistinguishable from poverty Grace and Jeannie take turns to look after their little sister Emily Then one day Grace's day a terrible tragedy occurs that changes everything This is novel about a world of adult self-indulgence and the consequences of careless decisions and dishonest compromises *Adapting Chekhov* J. Douglas Clayton, Yana Meerzon, 2012-10-02 This book considers the hundred years of re-writes of Anton Chekhov's work presenting a wide geographical landscape of Chekhovian influences in drama The volume examines the elusive quality of Chekhov's dramatic universe as an intricate mechanism an engine in which his enigmatic characters exist as the dramatic and psychological ciphers we have been decoding for a century and continue to do so Examining the practice and the theory of dramatic adaptation both as intermedial transformation from page to stage and as intramedial mutation from page to page the book presents adaptation as the emerging genre of drama theatre and film This trend marks the performative and social practices of the new millennium highlighting our epoch's need to engage with the history of dramatic forms and their evolution The collection demonstrates that adaptation as the practice of transformation and as a rethinking of habitual dramatic norms and genre definitions leads to the rejuvenation of existing dramatic and performative standards pioneering

the creation of new traditions and expectations As the major mode of the storytelling imagination adaptation can build upon and drive the audience s horizons of expectations in theatre aesthetics Hence this volume investigates the original and transformative knowledge that the story of Chekhov s drama in mutations offers to scholars of drama and performance to students of modern literatures and cultures and to theatre practitioners worldwide **The Queen's Rivals** Brandy
