## **Separatism And Womens Community:**

**Separatism and Women's Community** Dana R. Shugar, 1995-01-01 This is the kind of book I've been looking for Bonnie Zimmerman author of *The Safe Sea of Women Lesbian Fiction* 1969 1989 The energy spent on all sides of debates about women's separatism demonstrates the vitality of separatism as an important issue Excited by the prospect that changes in their personal lives could reverberate through the nation many women have organized rural communes and urban business collectives putting ideas into practice *Separatism and Women's Community* reviews debates in separatist theory historical narratives by members of separatist collectives and utopian novels that envision how collectives might be formed Shugar compares the ideas and proposals of theorists including Robin Morgan Shulamith Firestone Joyce Cheney Joan Nestle Ti Grace Atkinson and the Radicalesbians with the experience of women from collectives as diverse as Cell 16 the Combahee River Collective the Gutter Dyke Collective the Seattle Collective the Bloodroot Collective and the Lavender Woman Collective of Chicago Despite the attempts to connect action and thought many women were ill prepared for the problems they found in collective life Women who theorized that oppression based on difference was a man made phenomenon were confronted by other women who challenged their racism classism or homophobia The community had to respond to these confrontations in ways that would strengthen rather than destroy their tentative connections with other women Dana R Shugar is an assistant professor of English and women's studies at the University of Rhode Island [Reader's Guide to Women's Studies](#) Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors

**New Perspectives on Environmental Justice** Rachel Stein, 2004-06-25 Women make up the vast majority of activists and organizers of grassroots movements fighting against environmental ills that threaten poor and people of color communities *New Perspectives on Environmental Justice* is the first collection of essays that pays tribute to the enormous contributions women have made in these endeavors The writers offer varied examples of environmental justice issues such as children's environmental health campaigns cancer research AIDS HIV activism the Environmental Genome Project and popular culture among many others Each one focuses on gender and sexuality as crucial factors in women's or gay men's activism and applies environmental justice principles to related struggles for sexual justice The contributors represent a wide variety of activist and scholarly perspectives including law environmental studies sociology political science history medical anthropology American studies English African and African American studies women's studies and gay and lesbian studies offering multiple vantage points on gender sexuality and activism Feminist womanist impulses shape and sustain environmental justice movements around the world making an understanding of gender roles and differences crucial

for the success of these efforts      Sapphists and Sexologists: Histories of Sexualities Mary McAuliffe, Sonja Tiernan, 2009-03-26 *Sapphists and Sexologists Histories of Sexualities Volume II* contributes to the ever evolving debates on lesbian lives and histories This volume includes a mixture of engaging essays from established and young scholars and opens with a succinct incisive and often comical take on lesbian lives relationships and cats by internationally esteemed scholar Sally R Munt Unique essays include the personal reflections on writing historical fiction by the celebrated author Emma Donoghue and an exclusive conversational record from Joan Nestle on her life loves and activism The scope of this collection is truly international a collaborative work of scholars from many different disciplines universities and countries The central theme of the book continues from the first volume *Tribades Tommies and Transgressives Histories of Sexualities* in its questioning of established histories of sexualities methodologies and theoretical practices      Disreputable Women Christina Jessica Carney, 2025 *Disreputable Women* is a deeply transdisciplinary study of how black women use sex work and place making to claim economic bodily and sexual autonomy in a militarized city that is intent on displacing and caging them Christina Jessica Carney distills the production of these disreputable women during two major twentieth century urban development processes in downtown San Diego where municipal police public health officials and even activists designated street involved sex workers and the places they congregated as blight Carney documents how some black women reconceptualized the public and private spheres by using residential hotels and multiuse commercial spaces for housing and work controlling their erotic economies and their sexual cultural lives She marks how discrete and explicit intellectual economic and political practices by black women complicate a dominant understanding of red light areas and black sex workers as undesirable contaminators to be cleaned out Instead her intuitive framework of disreputability offers a more ethical and workable approach to imagining the built environment and its inhabitants developing a rich and robust grammar for understanding black women s lives amid scenes of militarization and gendered anti blackness      Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public      Community Activism and Feminist Politics Nancy Naples, 2012-11-12 This collection demonstrates the diversity of women s struggles against problems such as racism violence homophobia focusing on the complex ways that gender culture race ethnicity and class shape women s political consciousness in the US      *Media Narratives in Popular*

*Music* Chris Anderton, Martin James, 2021-12-16 The historical significance of music makers music scenes and music genres has long been mediated through academic and popular press publications such as magazines films and television documentaries *Media Narratives in Popular Music* examines these various publications and questions how and why they are constructed It considers the typically linear narratives that are based on simplifications exaggerations and omissions and the histories they construct an approach that leads to totalizing official histories that reduce otherwise messy narratives to one dimensional interpretations of a heroic and celebratory nature This book questions the basis on which these mediated histories are constructed highlights other hidden histories that have otherwise been neglected and explores a range of topics including consumerism the production pressure behind documentaries punk fanzines Rolling Stones covers and more

**New Lesbian Criticism** Sally Munt, 1992 This volume explores whether there can be a specific lesbian aesthetic juxtaposed against reading as a woman or as a heterosexual Contributors both explore the uses of recent theories such as post structuralism and offer a lesbian critique of such methodologies Close readings of contemporary lesbian fiction and popular culture focus on works such as *Zami* *Oranges Are Not the Only Fruit* *The Wanderground* and *Desert of the Heart* as well as on lesbian pornography Together the essays point to lesbian culture s ability to create new meanings for itself and to foreground the intertextuality of lesbian identities Contributors Sonya Andemahr Lisa Henderson Hilary Hinds Katie King Reina Lewis Sally Munt Gillian Spraggs Angela Weir Anna Wilson Elizabeth Wilson and Bonnie Zimmerman

**No Angel in the Classroom** Berenice M. Fisher, 2001 *No Angel in the Classroom Teaching through Feminist Discourse* presents a theoretically complex yet down to earth and personal account of feminist teaching in higher education Starting with a nuanced interpretation of consciousness raising longtime feminist educator Berenice Malka Fisher develops her philosophy of feminist teaching as a form of political discourse Through reflection on a series of candid classroom stories she analyzes knotty problems faced by academics and activists What counts as knowledge in discussion of feminist issues Can teachers exercise authority without being authoritarian What is the role of caring in political deliberation Should safety be considered when students and teachers address volatile topics How can feminist and other teachers committed to social justice give serious attention to the intersections of gender race and sexual orientation This groundbreaking book is intended for the beginning and veteran teachers and others concerned with the contribution of education to extending social justice Fisher s work offers a pedagogical vision that inspires both passion and critical thinking

**The Queerness of Home** Stephen Vider, 2022-01-21 Stephen Vider considers how the meanings of domesticity shifted for gay men and lesbians from the late 1960s to early 1980s from a site of supposed isolation or deviance to a source of identity community and pleasure His manuscript reveals the multiple uses appeals and limits of domesticity for LGBTQ people in the post World War II period in their efforts to make social and sexual connections and to appeal for expanded rights and freedoms For example the 1970s witnessed an efflorescence of gay communal households that proved to be seedbeds for alternative modes of domesticity

using the privacy of domestic space to achieve broader social and political changes Vider brings a novel perspective to gay identity and culture examining domesticity as a meeting point between practices and discourse the local and national the private and the public      *Community Psychology, CourseSmart Solutions eTextbook for Rasmussen/Ambassador* Larry Z. Leslie,2015-11-19 Communication Research Methods in Postmodern Culture explores communication research from a postmodern perspective while retaining key qualitative and quantitative research methods The author uses easy to understand language to incorporate new research methods inspired by contemporary culture and includes review questions and suggested activities designed to help readers understand and master communication research The blend of new and traditional methods creates a book appropriate to the study of communication in an increasingly complex cultural environment      Out and Proud in Chicago Tracy Baim,2009-03-01 Out and Proud in Chicago takes readers through the long and rich history of the city s LGBT community Lavishly illustrated with color and black and white photographs the book draws on a wealth of scholarly historical and journalistic sources Individual sections cover the early days of the 1800s to World War II the challenging community building years from World War II to the 1960s the era of gay liberation and AIDS from the 1970s to the 1990s and on to the city s vital post liberation present      *Gay Rights* Rachel Kranz,Tim Cusick,2014-05-14 Provides an overview of issues related to gay rights including history terminology biographical information on important individuals and a complete annotated bibliography      **Histories of Architecture Education in the United States** Peter L. Laurence,2023-10-31 Histories of Architecture Education in the United States is an edited collection focused on the professional evolution experimental and enduring pedagogical approaches and leading institutions of American architecture education Beginning with the emergence of architecture as a profession in Philadelphia and ending with the early work but unfinished international effort of making room for women and people of color in positions of leadership in the field this collection offers an important history of architecture education relevant to audiences both within and outside of the United States Other themes include the relationship of professional organizations to educational institutions the legacy of late nineteenth century design concepts the role of architectural history educational changes and trans Atlantic intellectual exchanges after WWII and the Cold War the rise of the city and urban design in the architect s consciousness student protests and challenges to traditional architecture education and the controversial appearance of environmental activism This collection in other words provides a relevant history of the present with topics of concern to all architects studying and working today      Herlands Keridwen N. Luis,2018-10-23 How women only communities provide spaces for new forms of culture sociality gender and sexuality Women s lands are intentional collective communities composed entirely of women Rooted in 1970s feminist politics they continue to thrive in a range of ways from urban households to isolated rural communes providing spaces where ideas about gender sexuality and sociality are challenged in both deliberate and accidental ways Herlands a compelling ethnography of women s land networks in the United States

highlights the ongoing relevance of these communities as vibrant cultural enclaves that also have an impact on broader ideas about gender women's bodies lesbian identity and right ways of living As a participant observer Keridwen N Luis brings unique insights to the lives and stories of the women living in these communities While documenting the experiences of specific spaces in Massachusetts Tennessee New Mexico and Ohio Herlands also explores the history of women's lands and breaks new ground exploring culture theory gender theory and how lesbian identity is conceived and constructed in North America Luis also discusses how issues of race and class are addressed the ways in which nudity and public hygiene challenge dominant constructions of the healthy or aging body and the pervasive influence of hegemonic thinking on debates about transgender women Luis finds that although changing dominant thinking can be difficult and incremental women's lands provide exciting possibilities for revolutionary transformation in society

*Women, Culture, and Community* Elizabeth Hayes Turner, 1997 Why in the late 19th and early 20th centuries did southern women black and white advance from the private worlds of home and family into public life transforming the cultural and political landscape of their community Using Galveston as a case study Turner asks who where the women who became activists

**Feminist Foundations** Kristen A. Myers, Cynthia D. Anderson, Barbara J. Risman, 1998-03-10 There can be no doubt that feminism and its influence on the academy has wrought enormous changes on the social sciences in general and sociology in particular This edited volume is an outgrowth of a discussion that began on the Sociologists for Women in Society Listserv in which participants were asked to talk about key pieces in feminist scholarship that had particularly influenced their sociological thinking Editors Kristen A. Myers Cynthia D. Anderson and Barbara J. Risman have chosen articles that fall into what they consider the intellectual genres that compose feminist sociology This collection differs from others because the editors avoid organizing material by substantive specialty areas i.e. family race and ethnicity criminology or methods Their vision instead sees sociology as an integrated discipline where feminist contributions have systematically influenced the shape of the whole by similarly influencing the distinct parts In addition to simply compiling a comprehensive list of important articles from the last two decades the editors have invited major feminist scholars to comment and reflect on the articles in each section of the book These reflections help provide the historical and social context in which feminist scholarship has taken place This book will be of obvious appeal to feminist scholars and gender sociologists Yet as feminist thought rightfully takes its place away from the margins and toward the center of the discipline this book stands as a rich and useful resource for any contemporary theory course

*Queer Frontiers* Joseph Allen Boone, 2000 Twenty three scholars artists and critics forecast the impact of queer theory on the future of sexuality Arguing that queer theory is poised to transform society's perception of gender itself this anthology locates itself at the forefront of various debates both inside and outside the academy

**Candida Royalle and the Sexual Revolution** Jane Kamensky, 2024-03-12 Finalist for the 2024 National Book Critics Circle Award for Biography Assiduously researched elegantly written Margaret Talbot The New Yorker Acclaimed historian Jane Kamensky

chronicles an indelible twentieth century American life and offers an entirely new understanding of the so called sexual revolution Whether in front of the camera or behind it Candice Vadala understood herself as both an artist and an entrepreneur As Candida Royalle 1950 2015 underground actress porn star producer of adult movies and staunch feminist she made a business of pleasure She helped crystalize the broader hedonistic turn in American life in the second half of the twentieth century a period when the rules of sex were rewritten when the white hot sex wars cleaved feminism and realigned American politics when Big Freud Big Drugs and Big Porn all came into looming focus when the sex industry of the 1970s and 80s radically upended conventional understandings of law technology culture love and human desire The sexual revolution was Royalle s war even when other avowed feminists exited the field or became her opponents and pornography emerged as the arena in which she would wage it With the founding of her adult film company Femme Productions in 1984 Royalle became an owner of the means of pornographic production infusing her sets with the ideals of labor feminism On screen and off she was by turns exuberant and thoughtful self possessed and gleefully shameless A trailblazer who lived along the cultural fault lines of her generation she danced at Woodstock marched for women s liberation survived the AIDS crisis and became a talk show regular interviewed by Phil Donahue Dr Ruth Westheimer Morton Downey Jr Jane Pauley and many others As a performer director producer and writer she moved the needle of her industry But she never transcended the politics of pleasure With full access to Royalle s remarkable archive historian Jane Kamensky has spent years examining the intersection of Royalle s life with the clashes that have defined her era and ours Deeply informed by these never before studied materials Kamensky explodes the conventions of biography with its assumptions about who makes history and how Written with cinematic verve Candida Royalle and the Sexual Revolution evokes Royalle s times in their broadest contours as Kamensky traces the rise of an improbable heroine who broke the mold and was herself broken in turn
