Lutwidge Dodgson known better by his pseudonym Lewis Carroll was a 19th century English logician mathematician
photographer and novelist He is especially remembered for his children s tale Alice s Adventures in Wonderland and its
sequel Through the Looking Glass By the time of Dodgson s death in 1898 Alice the integration of the two volumes had
become the most popular children s book in England By the time of his centenary in 1932 it was perhaps the most famous in
the world This book presents a complete catalogue of Dodgson s personal library with attention to every book the author is
known to have owned or read Alphabetized entries fully describe each book its edition its contents its importance and any
particular relevance it might have had to Dodgson The library not only provides a plethora of fodder for further study on
Dodgson but also reflects the Victorian world of the second half of the 19th century a time of unprecedented investigation
experimentation invention and imagination Dodgson s volumes represent a vast array of academic interests from Victorian
England and beyond including homeopathic medicine spiritualism astrology evolution women s rights children s literature
linguistics theology eugenics and many others The catalogue is designed for scholars seeking insight into the mind of Charles
