Sermons On The First Readings:

Sermons on the First Readings Tony Everett, Schuyler Rhodes, Stan Purdum, 2007 Modern life presents many difficult and challenging situations but as the Hebrew scriptures tell us in rich detail that's nothing new for God's people. Indeed the Bible shares the epic story of how God's faithful followers were formed and shaped through centuries of trial by fire. In this inspiring collection of powerful messages based on the First Readings from Cycle A of the Revised Common Lectionary five master practitioners of the homiletic craft explore passages from the Old Testament and the Book of Acts and show how the wisdom contained in those ancient texts offers vital moral and spiritual guidance for contemporary living. Building on stories in which God moves ordinary people to extraordinary heights these sermons for each Sunday and major celebration throughout the entire church year passionately proclaim the good news of God's continuing presence and the possibilities that offers for our lives our churches and the world. This essential resource is useful for Fresh homiletical approaches to the lectionary texts Inspiring preaching illustrations and sermon starters Understanding scripture passages Bible study and discussion groups Personal devotions and inspirational reading.
