**Ethical Monotheism** Ehud Benor,2017-12-15 The term Ethical Monotheism is an important marker in Judaism s tumultuous transition into the modern era The term emerged in the context of culture wars concerning the question of whether or not Jews could or should become emancipated citizens of modern European states It appeared in arguments whether or not Judaism could be considered a Religion of Reason a symbolic motivational representation of a universal morality and in debates about whether or not Judaism could or should reform itself into a Religion of Reason This book is both a decisive departure from such discussions and an attempt to add a further post modern statement to their ongoing development As departure it refuses to take for granted a philosophical conception of Religion of Reason as the standard for Ethical Monotheism according to which Judaism was to be evaluated or reformed As continuation the book undertakes a phenomenology of Jewish modes of ethical religiosity that allows it to inquire what kind of ethical monotheism Judaism might be Through sophisticated analysis of select snapshots or fragments of a hologram guided by a robust theory of religion the author discloses Judaic ethical monotheism as an ongoing wrestling with the meaning of justice By closely examining five main snapshots of this long process the Bible rabbinic Judaism Maimonides The Zohar and the modern philosophers Buber and Levinas the author offers his own constructive philosophy of Judaism and his own distinctive philosophy of religion Ethical Monotheism offers a new way to think about Judaism as a religion and as a coherent philosophical debate and demonstrates the need to integrate philosophy history cognitive psychology anthropology theology and history of science in the study of religion

**Families of the Bible** Kamila Blessing,2010-08-19 Reinterpreting the Bible through Family Systems Theory this fascinating exploration shows how the theology of creation restoration and salvation can be meaningfully and uniquely understood through the lens of the biblical family It is not possible to recreate a biblical family in the modern world Thus we must think of the principles of faithful family life demonstrated in the Bible and express them in a new way That is the idea underlying Families of the Bible A New Perspective Examining themes related to family health connection spirituality and psychology the author relates stories from the Bible to modern day experience in an effort to help readers strengthen and heal their own families whatever their structure While the book addresses the family of the patriarchs and other major traditional families in the Bible it also specifically examines Jesus s new definition of family showing how his psycho spiritual family has a different and more inclusive shape than the natural family The author who is an Episcopal priest insists that the Bible shows God as faithful in providing for his people The many disadvantaged in our society as well as those who are alone and those who have found that wealth does not provide satisfaction will benefit from this thoughtful reinterpretation

God's Faithfulness G. Jay Osborne,2020-10-28 God s Faithfulness concerns a young woman who had

been raised in an ungodly home by a father who filled her mind with superstition and disbelief in an Almighty God Belief in God or Jesus Christ was for people who needed a church to hold them up when life became impossible for them to stand on their own The idea of God or Jesus Christ being anything other than a myth was completely irrational Her father's hateful attitude and disbelief made their home a hell on earth a life of turmoil and distress keeping her from ever having happy thoughts or believing she could find a life of happiness Cassandra Cassie Ann Rollins left the home of an overbearing abusive father to find true love with James Adam Henderson a man whom she believed would love her unconditionally forever In the years that followed she would realize apart from God's unconditional love there is no promise of true love or happiness in life No person can tell you how they will act in the future without God James Cassie and their three girls could not have been happier for the first few years of their marriage and then overnight their world collapsed      **Midrash as Literature** Jacob Neusner,2003-04-16      **Snowmelt Timberdoodles** Herschel D. Raney,Herschel Raney Jr.,2003-02-09 Memory is the electric skeleton for the visual life Here are trips into marshes and swamps forests and stream valleys and the associations triggered from such simple experiences Whether we go to forget or to remember these are the traces of one walker's year among insects and birds through the seasons in the Mississippi and Arkansas River Valleys Neither biography nor diary it is at times personal narrative and at times just the moment conveyed as purely as possible We are sometimes only what we have seen and who we recall in the seeing It is the joy of going even for an hour This is the come back and tell it part Among dogs armadillos songbirds and children sometimes it is best just to be humble and stay out of the way Sometimes you laugh and write it down      **Nag Hammadi Texts and the Bible** C.A. Evans,Webb,R.A. Wiebe,2019-07-01 This volume places in synoptic form parallel texts from Nag Hammadi and from the Bible This will enable scholars of Coptic Gnosticism as well as scholars concerned with early Christian biblical interpretation to make the comparisons necessary to determine relationships and what dependence if any there may be between these two bodies of material This volume should facilitate the discussion concerning the origin antiquity and relationship of Gnosticism to Christianity The volume also contains an extensive bibliography of materials relevant to this topic Finally a Scripture index will make it possible for the reader to find quickly any desired passage      *Adam and Evelyn* Ingo Schulze,2011 Originally published in Germany as Adam and Evelyn by Berlin Verlag GmbH Berlin in 2008 T p verso      **Murder on the Menu** Alex Coombs,2023-12-07 An irresistibly delicious mix of cooking and murder Trisha Ashley Takes two of the world's greatest pleasures food and mystery writing and combines them exquisitely I devoured it Thomas Mogford Chef Charlie Hunter's arrival in the beautiful Chilterns is the fulfilment of a long held dream to open her own restaurant in an idyllic countryside location But instead of rural peace and a chance to lick her wounds Charlie finds something ugly stirring under the chocolate box perfection When a prominent local builder is found dead in suspicious circumstances Charlie the outsider becomes a suspect And the only way to clear her name seems to be to find out who the real killer is Using all the craft Charlie's learned in kitchens discipline timing preparation and grim
