Serpents and Apples Karen Barrie, Kathleen Cain, 1992-05-01 Are working women liberated or imprisoned The Biblical creation account has it that humans had to leave Paradise and lead lives of labor all because of Eve who was tempted by a serpent to eat from the tree of knowledge of Good and Evil But it's not that simple When we understand that everything in life can be either good or bad depending on what we make it then sometimes serpents don't seem so awful and apples don't seem so great This book explains how it is that when we have knowledge of good and bad we are empowered to make wise choices and to bring Paradise a little closer to home What each woman does with her workday determines whether or not she will be healthy wealthy and wise
