Long Ride To Nowhere:

The Long Ride Bonnie Bryant, 2014-08-19 School's out and three horse crazy best friends promise to have the best summer ever. Before Lisa Atwood, Stevie Lake, and Carole Hanson become high school juniors in the fall, the girls have a busy summer ahead. Lisa is spending every waking minute with her boyfriend Alex, who's also Stevie's twin brother, until she leaves to visit her dad and his new family in California. Stevie just got her driver's license, and when she isn't delivering pizza, she's hanging out with her boyfriend Phil Marsten. And Carole is working long hours at Pine Hollow Stables for the horses and for Ben Marlow, the mysterious stable hand who's just as horse crazy as she is. But everything changes when the new girl arrives in town with a champion horse in tow. Will Lisa, Stevie, and Carole's friendship ever be the same again? *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1978

The Longest Ride Nicholas Sparks, 2013-09-17 From the dark days of WWII to present day North Carolina, this New York Times bestseller shares the lives of two couples overcoming destructive secrets and finding joy together. Ira Levinson is in trouble. Ninety-one years old and stranded and injured after a car crash, he struggles to retain consciousness until a blurry image materializes beside him: his beloved wife Ruth, who passed away nine years ago. Urging him to hang on, she forces him to remain alert by recounting the stories of their lifetime together: how they met, the precious paintings they collected together, the dark days of WWII and its effect on them and their families. Ira knows that Ruth can't possibly be in the car with him, but he clings to her words and his memories, reliving the sorrows and everyday joys that defined their marriage. A few miles away, at a local bull riding event, a Wake Forest College senior's life is about to change. Recovering from a recent breakup, Sophia Danko meets a young cowboy named Luke, who bears little resemblance to the privileged frat boys she has encountered at school. Through Luke, Sophia is introduced to a world in which the stakes of survival and success, ruin and reward, even life and death, loom large in everyday life. As she and Luke fall in love, Sophia finds herself imagining a future far removed from her plans, a future that Luke has the power to rewrite if the secret he's keeping doesn't destroy it. First Ira and Ruth, Sophia and Luke. Two couples who have little in common and who are separated by years and experience. Yet their lives will converge with unexpected poignancy, reminding us all that even the most difficult decisions can yield extraordinary journeys beyond despair, beyond death, to the farthest reaches of the human heart.

Words in Rhythm David Stewart Handelman, 2012-07-18 The time that I have spent traveling in the many journeys of my life, I find myself listening to sweet music. I also find myself seeking not only words of wisdom that I can translate, but I hear music that remind me of life past and the many hopes for the future. In order to fully appreciate what any author is trying to articulate, one must first put themselves into the poem or story to fully understand what they are trying to write or say. Poetry is based upon the author's own interpretation of the subject that they are writing about. True poetry is taken from the depth of one's own soul and their feelings at the time that they put the quill to the parchment.
