Thinking Like a River Franz Krause, 2023-06-02 The Kemi River is the major watercourse in the Finnish province of Lapland and the stream of life for the inhabitants of its banks Franz Krause examines fishing transport and hydropower on the Kemi River and analyses the profoundly rhythmic patterns in the river dwellers' activities and the river's dynamics The course of the seasons and weekly and daily rhythms of discharge temperature work and other patterns make the river dwellers' world an ever transforming phenomenon The flows of life and the frictions of everyday encounters continually remake the river and its inhabitants negotiating national strategies economic power people's ingenuity and the currents of the Kemi River

Soul Like a River J. B. Morton, 2023-05-26 The year is 1959 and the winds of change rip through the bucolic river town of Jordan South Carolina On the cusp of the civil rights movement in America ethnic tensions reach a boiling point within a cauldron of clashing ideologies and faiths A devout family one intimately connected to the land awaits the homecoming of the eldest son from up north He has been away at the seminary for some six years In a highly anticipated event he arrives home with none other than the Reverend Martin Luther King Jr himself In the tumultuous weekend that follows the mighty King electrifies Jordan with the gospel of freedom and integration But amidst the larger social conflict another contrasting mindset intervenes that embodied by the fiery young protagonist Jimmy A product of the mean streets of an urban ghetto the precocious intruder is steeped in the militant ethos of Malcolm X and his worldview amounts to a bombshell within this isolated genteel community a potent source of moral confusion that will wreak havoc threatening to rip little Jordan asunder Wendy Williams syndicated television and radio host A treat for lovers of fiction RAWSISTAZ reviewers em Make note of the name and make sure to digest this important work His is a new refreshing literary voice Curtis Bunn Founder National Club Conference em

The Blood Runs Like a River Through My Dreams . Nasdijj, 2001-09-17 THE BLOOD RUNS LIKE A RIVER THROUGH MY DREAMS transports readers to the majestic landscapes and hard Native American lives of the desert Southwest and into the embrace of a way of looking at the world that seems almost like revelation Born to a storytelling Native mother and a roughneck song singing cowboy father Nasdijj has lived on the jagged edged margins of American society yet hardship and isolation have only brought him greater clarity and a gift for language that is nothing short of breathtaking Nasdijj tells of his adopted son Tommy Nothing Fancy of the young boy's struggle with

fetal alcohol syndrome and of their last fishing trip together It is a heartbreaking story written with great power and a diamondlike poetry But whether Nasdijj is telling us about his son about the chaotic alternately harrowing and comical life he led with his own parents or about the vitality and beauty of Native American culture his voice is always one of searching honesty wry humor and a nearly cosmic compassion While Nasdijj struggles with his impossible status as someone of two separate cultures he also remains a contradiction in a larger sense he cares for those who often shun him he teaches hope though he often has none for himself and he comes home to the land he then must leave **THE BLOOD RUNS LIKE A RIVER THROUGH MY DREAMS** is the memoir of a man who has survived a hard life with grace who has taken the past experience of pain and transformed it into a determination to care for the most vulnerable among us and who has found an almost unspeakable beauty where others would find only sadness This is a book that will touch your soul *Like a River* Granger Smith, 2023-08-01 New York Times USA Today Wall Street Journal Publishers Weekly ECPA Bestseller Country music artist Smith debuts with a sensitive and moving recollection of his path through grief In stark intimate prose the author candidly renders the realities of suffering while articulating a moving message of renewal Those seeking a faith based path through grief will find this instructive and affecting Publishers Weekly *Like a River* a triumphant story of new life birthed out of tragedy will teach readers how to face their failures confront their pain and connect with God the true source of life On June 4th 2019 country music singer Granger Smith was enjoying a final evening with his kids before heading to Nashville for the CMT Music Awards and his next tour While helping his daughter London with her gymnastics his youngest son fell into their pool Granger did everything he could to get to him but he was too late River drowned and Granger s world shattered The days weeks and months that followed River s death sent Granger on a dark and painful journey Every time he closed his eyes he replayed the horrific event in his mind and every time he opened his computer he was bombarded by the critique and criticism of people who blamed him for the accident Despite his best effort to get back on stage with a smile and song it was all a facade On the inside he was dying Fortunately that s not how his story ended And now he is compelled to help people all around the world find strength peace and hope on the other side of tragedy *Like a River* life is full of twists and turns *Like a River* people pollute our world with their critique and criticism *Like a River* tragic events keep us dammed up But like a river we can find the courage to keep moving downstream Rivers don t run on their own strength they flow from their source When we try to keep going on our own we won t make it but when we connect to the greater source we will find the strength and the faith to keep living after loss This triumphant story of new life birthed out of death will inspire every reader to live *Like a River* **Long Like a River** Nancy Schoenberger, 1998-03 Many rivers run through Nancy Schoenberger s third collection of poems *Long Like a River* winner of the 1997 New York University Press Prize for Poetry From the Clark Fork its full house of trout the dream of a summer noon to the Mississippi long as its Indian name to the Amazon and Napo Rivers these poems explore the poet s Deep South roots plumbing memory and desire and paying homage along the way to

Theodore Roethke and George Seferis **Rabindranath Tagore's The Home and the World** Pradip Kumar Datta,2005
Designed as a companion to Rabindranath Tagore's Ghare Baire The Home and the World the ten essays of this volume cover the novel in terms of the complexity of colonial modernity The book will be of great value and interest to those studying Indian literature post coloniality gender representations and nationalism River's End Melody Carlson,2012 With brokenness and humility three generations of women return to their roots to discover who they are and who they are meant to be *Trees Without Wind* Rui Li,2012-12-18 Unfolding in the tense years of the Cultural Revolution 1966 1976 *Trees Without Wind* takes place in a remote Shanxi village in which a rare affliction has left the residents physically stunted Director Liu an older revolutionary and local commune head becomes embroiled in a power struggle with Zhang Weiguo a young ideologue who believes he is the model of a true revolutionary Complicating matters is a woman named Nuanyu who like Zhang Weiguo and Director Liu is an outsider untouched by the village's disease Wedded to all of the male villagers Nuanyu lives a polyandrous lifestyle based on necessity and at odds with the puritanical idealism of the Cultural Revolution The deformed villagers representing the manipulated masses of China become pawns in the Party representatives' factional infighting Director Liu and Zhang Weiguo's explosive tug of war is part of a larger battle among politics self interest and passion gripping a world undone by ideological extremism A collectively told narrative powered by distinctive subjectivities *Trees Without Wind* is a milestone in the fictional treatment of a horrific event **History of Transportation in China** Zhi Dao, The book provides highlights on the key concepts and trends of evolution in the History of Transportation in China as one of the series of books of China Classified Histories **GYPSY BLOOD** Steve Vernon,2017-04-01 Half Gypsy Carnival carries his dead Poppa inside him as a perpetual adviser as he works as fortune teller and occult troubleshooter banishing demons and succubi with a carefree confidence born only of youth His life journey takes a distinctly different turn when he meets Maya an alluring female vampire This novel details a dark version of the modern world in which demons appear unbidden and where having a talent and using it successfully can mean either life or death **GYPSY BLOOD** is a fast paced dark funny and terrifying novel like nothing that you have ever read before The whole thing rolls like an avalanche of skateboards building to a climactic battle royal between Carnival a two timing lady vampire a she demon with a mother complex a social climbing blood god the collective spirit of the city and a mercenary mariachi band in a rickshaw This is a fantasy for those folks who HATE fantasy If you have got a taste for over the top stories in the campy mode of the *EVIL DEAD* movies then this is definitely a book that you should look into The Goreletter If Harlan Ellison Richard Matheson and Robert Bloch had a three way sex romp in a hot tub and then a team of scientists came in and filtered out the water and mixed the leftover DNA into a test tube the resulting genetic experiment would most likely grow up into Steve Vernon **BOOKGASM** *Gypsy Blood* is for fans of dark fantasy who think they've seen it all Where else are you going to find a novel that opens with life and death battle with a succubus rolls into a vampire's palm reading session which segues into a bathtub summoning

ceremony and climaxes with a non stop showdown between a blood demon a city incarnate and a mercenary band of mariachi armed with a homemade propane powered kamikaze rickshaw and assorted armaments Hellnotes True originality is rare but you will find it every time that Steve Vernon puts his fingers on the keyboard Jeff Strand author of PRESSURE

Where the river meets the ocean - Stories from San Francisco Estuary Peggy W. Lehman,Pedro Morais,Theodore Flynn,Frances P. Wilkerson,2022-11-02 What is an estuary Where do they occur How do they work Who lives there And why are estuaries important to our planet This collection will answer all of these questions and more Estuaries are places where fresh water from rivers moving downstream from the mountains mixes with salty water moving upstream from the ocean Estuaries thus contain both fresh and salty water habitats places where many kinds of plants and animals can live and grow San Francisco Estuary is the largest estuary on the West Coast of the United States and is home to millions of people plants and animals Our scientists have been studying all aspects of the San Francisco Estuary for nearly 50 years and we have 35 stories to tell about the people plants and animals in the estuary We will tell you horror stories of how tiny poisonous plants and vampire fish kill other fish and we have success stories of how conservation saves the lives of tiny mice in marshes and birds along the Pacific Flyway The Collection of stories is divided into six sections so you can easily find the stories that interest you the most The first section describes the many kinds of habitats in the estuary including rivers shallow bays wetlands and marshes and what makes them a good home for plants animals and people In the second section the water quality scientists will describe how they use boats special instruments and new technology to determine whether the water is healthy for people plants and animals In the third and fourth sections we will tell stories about how plants and animals live in the estuary Microbiologists will describe the tiny microscopic plants and animals that live in the estuary what makes them grow how important they are as food for animals and why they are sometimes poisonous Fish scientists will describe the many kinds of fish in the estuary and how we measure their growth determine where they are what they eat and the ways they use both fresh and saltwater habitats to grow and raise their young In the fifth section scientists will discuss how invasions of plants and animals from outside of the estuary have changed habitats and the survival of native plants and animals Lastly in the sixth section we will share how scientists in the estuary are using new technologies and management actions to control invasions of unwanted plants and animals increase the growth of native plants and animals improve water quality and restore habitats in the estuary

Reading the River John Hildebrand,2009-07-30 John Hildebrand sets out in a canoe to explore the great riverway of

northwestern Canada and Alaska The geography is closely rendered and the characters especially sharply drawn The country is filled with mad dropouts at river fish camps good hearted girls in the towns sullen natives in tumbledown villages cranky old timers terrible drunks and worse moralizers who live off the wild landscape and its abundant resources This is a fine work and Hildebrand is a fine writer Charles E Little Wilderness The River's Gift AQEEL AHMED,2024-04-14 The River s Gift Tilly learns that being nice makes life the most fun as she takes care of a thirsty birds Summary In The River s Gift a beautiful story readers meet Tilly a lively and curious young girl who sees a thirsty bird in her backyard and goes on an unexpected trip of empathy and self discovery The story does a great job of teaching lessons about the value of being kind persistent and appreciating the beauty around us through Tilly s adventures Tilly s journey through the book is driven by her finding the thirsty bird at the beginning Even though her path isn t easy she is motivated to get water because she knows what the bird needs Her journey takes her through the garden over organic barriers and to listen to the river and an old tree for wisdom It is also emotional and spiritual showing her how important it is to connect with others and understand their feelings Tilly reads each part of The River s Gift because she wants to know how big of an effect small acts of kindness can have From the moment she sees that the bird s water bowl is empty until it sings its thanks Tilly changes and learns She faces many problems along the way but she keeps going because she is determined and has learned to value nature s wisdom The wise old tree and the river teach Tilly and her readers about the flow of kindness and how it can keep lives going and make them better When Tilly gives the bird water to quench its thirst at the end of the story it represents the satisfaction of a deeper emotional need as well as the desire to give and receive kindness Just as the bird s sweet thank you song fills the air Tilly realizes that the real gifts are the happiness and understanding she gets from being kind not the water itself The story The River s Gift is beautifully written and has a strong message about how important it is to be kind even though the plot is simple Giving things away instead of keeping them can make you happy and small acts of kindness can make a big difference in the world Young readers can learn from Tilly s story that helping others can bring a lot of happiness This makes The River s Gift a timeless story of kindness and generosity Chapter 1 How Tilly was found Tilly was a little girl whose heart was as big as her mind She lived in a sunny part of a backyard full of flowers of every color you can think of and the sounds of nature filled the air There was a scene that stopped Tilly in her tracks as she walked around this small haven Her eyes were wide with wonder at everything she saw Hidden under a green plant was a small bird Tilly had never seen this kind of bird before It was happy flying from tree to tree It didn t have bright shiny feathers instead they were frayed and dirty It also didn t make much noise not even a happy song Its voice was so soft that if you weren t paying close attention you might have missed it Because Tilly was interested and cared about it she got down next to the bird and stared at it softly Its small chest heaved hard and she saw that its beak got longer like it was looking for something Tilly knew right away that the bird needed water more than anything else She was so determined that it made her heart grow She was aware of what she had to do That

wasn't the only reason she wanted to help she thought it was her duty to make sure this young bird that had gotten into her garden got the care it needed When Tilly found out this it was the start of an unbelievable trip She made up her mind right away to go look for some water for the thirsty bird Tilly's garden which was a place of fun and discovery was the starting point for a wonderful trip No longer was it enough to just play and make up stories the goal was to make a difference in the world no matter how small Tilly learned that small things could mean a lot to someone else In this case it was a little bird that was thirsty and needed help Tilly worked on the project with as much drive as the sky is blue She made herself into a hero in one of her stories on a quest for something much more important than fame or money the chance to be nice and make the world a little better She had never been so happy and felt like she had a purpose in life as when she thought about helping the bird It looks like she found out a secret the best way to be happy is to give rather than receive Tilly learned something new from what she found in her backyard that she thought she already knew She learned that we could find things to do and chances to do good right in our own neighborhoods All you need is a lot of heart and a little insight This bird with its dead feathers and weak voice was about to take Tilly on an adventure she could never have imagined This trip will not only change the bird's life but it will also teach Tilly how important it is to care about other people and how fun it is to help them Thoughts of excitement and fear filled Tilly's heart as she got ready to go find water She had no idea where the search would lead her or what problems she would have to deal with She was determined to get the bird's water back This quest began when the thirsty bird was found It was the start of an amazing and interesting adventure One where a little girl's heart showed the way and kindness won out This was the beginning of Tilly's journey which showed her and everyone who heard her story how small acts of kindness can make a big difference in the world Chapter 2 The Empty Space In the middle of her new mission to save the thirsty bird Tilly noticed something simple but important that would change the course of her journey the bird's water bowl was empty Still Tilly saw this as more than just an empty plate She saw it as a small but important plea for help When she realized this she felt like she had more responsibilities To be kind she learned one must first pay attention and look beyond what people say to find the needs that are hidden in the world's quiet places Tilly saw more than just the broken and dry bottom of the bowl when she looked inside She saw an image of what it meant to be human The dust that had built up there suggested that it had been missed rather than being deliberately ignored For Tilly it was a wake up call that people who need help don't always know how to ask for it They suffer in silence hoping that someone will notice care and do something Tilly's first lesson in kindness was taught in this empty bowl a small unimportant part of the backyard The lesson stressed how important it is to think about other people especially those whose words aren't loud enough to be heard This lesson wasn't just about putting water in a bowl it was about meeting a need and understanding that all living things have basic needs that must be met before we can be kind to them Tilly felt like she had a reason for living She saw that there were lots of chances to make the world a better place a world she thought she knew The empty bowl

represented more than just thirst it also showed how much we need to care and act in a world that ignores even the smallest calls for help far too often The dry sandy area came to stand for Tilly's goal Truthfully being kind is more than just words and thoughts it made her remember that She learned that being kind isn't just an emotion but also a choice and a set of acts that come from having a strong sense of empathy and compassion She would use what she learned not only when she tried to help the bird but also whenever she talked to other people Tilly learned that she needed to listen with her whole being watch with her eyes and really want to help the people around her in order to meet their needs It was a turning point for Tilly when she stood in front of the empty water bowl Now she was able to step outside of her own life and see herself through the eyes of someone else She felt connected to the bird like they both knew what was important even though they were different The empty bowl made her feel connected which pushed her forward It made her want to do more than just fill the bowl It made her want to connect with others in a more caring and understanding way

The Long Walk Stephen King, 2016-01-01 SOON TO BE A MAJOR MOTION PICTURE COMING SEPTEMBER 12 2025 In this 1 national bestseller master storyteller Stephen King writing as Richard Bachman tells the tale of the contestants of a grueling walking competition where there can only be one winner the one that survives In a dystopian near future America has fallen on hard times Sixteen year old Ray Garraty is about to compete in the annual grueling match of stamina and wits known as the Long Walk One hundred boys must keep a steady pace of four miles per hour day and night without ever stopping The winner gets The Prize anything he wants for the rest of his life But the rules of the Long Walk are harsh and the stakes could not be higher There is no finish line the winner is the last man standing Contestants cannot receive any outside aid whatsoever Slow down under the speed limit and you're given a warning Three warnings and you're out of the game forever
