**Long Time, No See** Dermot Healy, 2011-04-01 Long Time No See introduces us to the unforgettable world of Mister Psyche In the isolated coastal townland of Ballintra in the Northwest of Ireland Recent school leaver occasional worker full time companion and Malibu provider to Uncle Joe Joe and his friend The Blackbird Psyche is a boy on the cusp of adulthood undone by a recent traumatic event Hanging out with men some forty plus years his senior proves hazardous for Mister Psyche when the appearance of a bullet hole in Uncle Joe Joe s window draws him into a series of mis adventures which unsettle and bemuse Perhaps The Blackbird is losing it Or perhaps The General has decided to act on a decades old grudge Whichever way as the paranoia grabs a creeping hold of Uncle Joe Joe his fragile world threatens to collapse And it is Mister Psyche who must digest this and acknowledge the new world taking shape in the old An epic in miniature peopled by a cast of innocents and broken misfits Long Time No See s lyrical power casts a miraculous literary spell **Long Time, No See**

Beth Finke, 2010-10-01 Long Time No See is certainly an inspiring story but Beth Finke does not aim to inspire Eschewing reassuring platitudes and sensational pleas for sympathy she charts her struggles with juvenile diabetes blindness and a host of other hardships sharing her feelings of despair and frustration as well as her hard won triumphs Rejecting the label courageous she prefers to describe herself using the phrase her mother invoked in times of difficulty She did what she had to do With unflinching candor and acerbic wit Finke chronicles the progress of the juvenile diabetes that left her blind at the age of twenty six as well as the seemingly endless spiral of adversity that followed First she was forced out of her professional job Then she bore a multiply handicapped son But she kept moving forward confronting marital and financial problems and persevering through a rocky training period with a seeing eye dog Finke s life story and her commanding knowledge of her situation give readers a clear understanding of diabetes blindness and the issues faced by parents of children with significant disabilities Because she has taken care to include accurate medical information as well as personal memoir Long Time No See serves as an excellent resource for others in similar situations and for professionals who deal with disabled adults or children *Billboard* , 1999-01-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
