Disillusionment or New Opportunities? R. Guerriero Wilson,2018-12-17 First published in 1998 this book explores the physical and technological changes which occurred in the growing bureaucracies of big business and of government as well as in the small and mid size business of the city The study of these changes provides a context within which to set the complementary experiences of the men and women who chose to seek a living in the wide array of constantly changing office jobs     Labour in Crisis Neil Riddell,1999 James VI of Scotland and I of England participated in the burgeoning literary culture of the Renaissance not only as a monarch and patron but as an author in his own right publishing extensively in a number of different genres over four decades As the first monograph devoted to James as an author this book offers a fresh perspective on his reigns in Scotland and England and also on the inter relationship of authorship and authority literature and politics in the Renaissance Beginning with the poetry he wrote in Scotland in the 1580s it moves through a wide range of his writings in other genres including scriptural exegeses political social and theological treatises and printed speeches concluding with his manuscript poetry of the early 1620s The book combines extensive primary research into the preparation material form and circulation of these varied writings with theoretically informed consideration of the relationship between authors texts and readers The discussion thus explores James s responses to and interventions in a range of literary political and religious debates and reveals the development of his aims and concerns as an author Rickard argues that despite the King s best efforts to the contrary his writings expose the tensions and contradictions between authorship and authority This book will be of interest to scholars and students of the reign of James VI and I the literary and political cultures of late sixteenth century Scotland and early seventeenth century England the development of notions of authorship and the relationship between literature and politics     **Conservative Suffragists** Mitzi Auchterlonie,2007-10-24 As the suffragette movement was becoming increasingly militant what was the Conservative reaction to successive parliamentary bills on women s suffrage and what was the level of support for votes for women within the Tory party After the 1867 Reform Bill

Conservatives were hesitant about supporting further measures to widen the franchise Although a few party members supported John Stuart Mill's proposal for women's suffrage and some notable individual Conservative women were part of the early organised campaigns for female enfranchisement the period before the 1880s saw little interest in this issue among the party faithful It was only when the grassroots Primrose League was created in 1883 that the suffrage question was taken up by a number of its women members One of the most significant gaps in our knowledge of the British women's suffrage movement is how the Conservative Party dealt with this controversial issue In this important reassessment of Conservative women's suffrage Mitzi Auchterlonie looks at the political activities of Conservative women between 1867 and 1914 As the campaigning by the women's suffrage societies intensified and became more militant Conservative suffragists responded by founding the Conservative and Unionist Women's Franchise Association CUWFA in 1908 This became the third largest women's suffrage party of the pre World War One period Auchterlonie looks at the activities of this organisation and its publication *The Conservative and Unionist Women's Franchise Review* in depth enabling readers to understand the social political economic and imperial issues which most concerned Conservative suffragists She charts their campaigning activities at local and national level using primary sources including memoirs of prominent Conservative supporters of women's suffrage She discusses the relationship between the CUWFA and politicians of all parties as well as their links with other suffrage organisations Auchterlonie concludes that Conservative women dismissed by some as marginal to suffrage history played a significant part in the suffrage campaigns while the party itself contained an unexpectedly diverse range of views towards the idea of votes for women

[The First Black Footballer](#) Phil Vasili, 2012-11-12 Arthur Wharton was the world's first black professional footballer and the first African to play professional cricket in Yorkshire and Lancashire leagues Those promoting Empire as an expression of white supremacy found him a supreme irritation and he eventually died in poverty

**Historical Research** Bill McDowell, 2013-11-04 This is the first practical guide to cover the various stages of a history research project from the selection of the topic and the organization and interpretation of source material through to the completion of the written up record Whether it is for a dissertation thesis article or indeed full length book *Historical Research* deals with the purpose of research and the implications limitations and benefits of different research methods as well as the effective presentation of the finished result

*The Longman Companion to Britain in the Era of the Two World Wars 1914-45* Andrew Thorpe, 2014-09-19 In the momentous period barely 30 years covered by this systematic reference guide the Edwardian world was transformed unrecognisably through war technological progress and social change into the Nuclear Age It saw the coming of mass democracy the apogee of empire the Depression the threat of fascism the development of suburban society and as yet scarcely understood the end of Britain's international hegemony Andrew Thorpe's superb contribution to the *Companions* series illuminates all this and much else It will be indispensable to anyone interested in the history and politics of modern Britain

**A/AS Level History for AQA Challenge and Transformation:**

**Britain, c1851-1964 Student Book** Thomas Dixon, Rosemarie Little, Alan Gillingham, 2016-06-30 A new series of bespoke full coverage resources developed for the AQA 2015 A AS Level History Written for the AQA A AS Level History specifications for first teaching from 2015 this print Student Book covers the Challenge and Transformation Britain c1851 1964 Breadth component Completely matched to the new AQA specification this full colour Student Book provides valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes London, 1984 Stephen Brooke, 2024 London 1984 examines the history of London during the tumultuous 1980s Against the backdrop of dramatic political and social change driven by Margaret Thatcher and the Conservative government it explores the radical politics of the capital tracing the impact of political and social changes on the lives of ordinary Londoners The Spaces of Justice Peter Robson, Johnny Rodger, 2017-08-13 This book looks at the architecture of the courts in Scotland and the importance of these civic spaces Given the importance of courts to the legal experience it starts by exploring why scholars have been so reticent in examining spaces in which the administration of justice takes place It notes the major changes already unfolding in Scotland and puts these into a historical and cultural context The authors trace the emergence of the notion of the dedicated courtroom space in 19th century Scotland and the ways in which the courtroom setting affected the exercise of power through law They show what factors led to the adoption of different architectural styles They examine the changes in the legal political and social world which drove such changes and how these changed in the 20th and 21st centuries They also examine the symbolic functions of courts both internally and externally They note the changes in the decision makers and their goals in the 21st century and how this will lead to a very different kind of courtroom in the near future They examine the wider factors affecting the process of litigation and trends in dispute resolution They conclude that the goals of transparency and civil dignity have serious implications for the kinds of spaces which will serve as halls of justice in the future Since these are driven it seems by financial imperatives it does not bode well for the retention of civic pride and community which the courts of justice might be said to embody *Cricket's Changing Ethos* Jon Gemmell, 2018-04-28 This book examines historically how cricket was codified out of its variant folk forms and then marketed with certain lessons sought to reinforce the values of a declining landed interest It goes on to show how such values were then adapted as part of the imperial experiment and were eventually rejected and replaced with an ethos that better reflected the interests of new dominant elites The work examines the impact of globalisation and marketization on cricket and analyses the shift from an English dominance on a sport that is ever increasingly being shaped by Asian forces The book's distinctiveness lies in trying to decode the spirit of the game outlining a set of actual characteristics rather than a vague sense of values An historical analysis shows how imperialism nationalism commercialism and globalisation have shaped and adapted these characteristics As such it will be of interest to students and scholars of sport sociology post

colonialism globalisation as well as those with an interest in the game of cricket and sport more generally Britain in the Hanoverian Age, 1714-1837 Gerald Newman, Leslie Ellen Brown, 1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families
