Mother-Infant Attachment and Psychoanalysis Mary Y. Ayers,2014-06-11 Winner of the 2004 Gradiva Award from the National Association for the Advancement of Psychoanalysis The issue of shame has become a central topic for many writers and therapists in recent years but it is debatable how much real understanding of this powerful and pervasive emotion we have achieved Mother Infant Attachment and Psychoanalysis argues that shame can develop during the first six months of life through an unreflected look in the mother s eyes and that this shame is then internalised by the infant and reverberates through its later life The author further expands on this concept of the look through a powerful and extensive study of the concept of the Evil Eye an enduring universal belief that eyes have the power to inflict injury Finally she presents ways of healing shame within a clinical setting and provides a fascinating analysis of the role of eye contact in the therapeutic encounter This book brings together a unique blend of theoretical interpretations of shame with clinical studies and integrates major concepts from psychoanalysis Jungian analysis developmental psychology and anthropology The result is a broad understanding of shame and a real understanding of why it may underlie a wide range of clinical disorders temple bar. ,1884 **Augusta, Gone** Martha Tod Dudman,2001-04-08 I m not telling you where I am Don t try to find me

Sibley, 2015-11-12 Today we worry about Mad Cow Disease AIDS Alzheimers and other prolonged onset ailments But back in the good old days folks worried about infected cuts and slashes internal diseases parasites and a whole variety of ailments which are perfectly treatable or preventable by means of modern medicine Folks rarely lived long enough to suffer from a long slow disease heck just staying alive to see one's fortieth birthday was considered a feat Even as late as the 19th century medicine was pretty medieval to our way of looking at it There were no wonder drugs no X ray or CAT scans no hospitals as we know them today and spotty training of medical professionals The dentist was feared and quack nostrums were sold by the case by traveling snake oil salesmen Many of those nostrums contained relatively innocuous ingredients but some were downright dangerous especially those incorporating psychoactive alkaloids heavy metals or raw isotopes Mercury or radium were primary ingredients in some quack medicinal cures even into the early 20th century And in rural areas the old magic medicine was still practiced by generations of folks who passed on these traditions and lore to their students and or children Much of the material presented in this volume has already been documented and published in the Norwegian language by scholars and folklorists such as Ingjald Reichborn Kjennerud Nils Lid Hjalmar Falk Olav B O A Heg Per Holck Odd Nordland Chr Bang and A Steen among others There has been a growing interest in folklore folk medicine and the old ways in recent years and this volume is an attempt to present a part of this lore to the English speaking audience **A Haunt of Fears** Martin Barker, 1984 An exploration of the British campaign against horror comics between 1949 and 1955 that led to the passage of the Children and Young Persons Act of 1955 *The EC Archives: Shock SuspensStories Volume 3* Carl Wessler, 2023-12-05 Now available in an affordable paperback edition Shock SuspensStories Volume 3 continues the fabled EC tradition of presenting the finest noir comics of the era These hard as nails tales of betrayal larceny and murder are the works of legendary creators Al Feldstein Wally Wood Jack Davis Reed Crandall Jack Kamen and more Includes Squeeze Play the only EC story illustrated solely by Frank Frazetta who appears as the main character in the story Collects Shock SuspensStories 13 18 and features a foreword by comics superstar Brian Michael Bendis **Battle of the Starlords** Prince Patrick, 2014-04-29 Long ago in a distant universe an ancient prophecy foretells of two kings that will be born One king will be the savior of the

THE NEW WORLD STORY H.S. Sandhu,2021-12-08 This story begins 1 728 000 years ago When a great war was going on in a different world of different dimensions The evil from that world came into our dimension and started taking control of this earth The warriors of that world took a new birth on our earth But these warriors did not remember anything about their previous birth Jealousy and Envy Léon Wurmser,Heidrun Jarass,2011-02-25 Jealousy and envy permeate the practice of psychoanalytic and psychotherapeutic work New experience and new relevance of old but neglected ideas about these two feeling states and their origins warrant special attention both as to theory and practice Their great complexity and multilayered nature are highlighted by a number of contributions the very early

inception of the triangular jealousy situations the prominence of womb envy and hatred against femininity rooted in the envy of female procreativity the role of shame and the core of both affects the massive effects of the embodiment of these feelings in the conscience i e the envious and resentful attacks by the inner judge against the self the attempt to construct a cultic system of sacrifices the would countermand womb envy by an all male cast of killing rebirth redemption and blissful nourishment and finally the projection of envy jealousy and their context of shame and self condemnation in the form of the Evil Eye Taken together the contributions to the stunning and insightful volume form a broad spectrum of new insights into the dynamics of two central emotions of rivalry and their clinical and cultural relevance and application **J.M.
