**Light of Nature and the Law of God** Allen P. Stouffer, 1992-06-01 Allen Stouffer's analysis of Ontario's response to the freedmen reveals a virulent strain of racism that helps to explain why British North Americans were slow to join their British and American counterparts in the North Atlantic antislavery triangle After exploring the Canadian churches mixed reaction to antislavery he applies cliometrics to draw a socio economic profile of Canadian antislavery's leaders and followers Employing British American and Canadian primary sources Stouffer has written this study the first book length examination of Canadian antislavery from a British North American perspective Earlier studies concluded that Canadian anti slavery was largely the result of Canada's proximity to the United States a proximity which precluded Canada's ignoring the situation While Stouffer recognizes the importance of the American influence he shows that the leaders of Canadian anti slavery were immigrants from Britain who had been deeply involved in antislavery in their homeland

from Harriet Beecher Stowe's *Uncle Tom's Cabin*      **Boundless Dominion** Denis McKim, 2017-11-30 In the twenty first century the word Presbyterian is virtually synonymous with austere and parochial. These associations are by no means historically unfounded as early Canadian Presbyterians insisted on Sabbath observance and had a penchant for inter and intra denominational disagreement. However many other ideas circulated within this religious community's collective psyche. *Boundless Dominion* delves into the elaborate worldview that galvanized nineteenth century Canadian Presbyterianism. Denis McKim uncovers a vibrant print culture and Presbyterian support for such initiatives as Indigenous evangelism, temperance advocacy and anti slavery activism and finds that many of the denomination's characteristics contrast sharply with its dour and quarrelsome reputation. Tracing the themes of providence, politics, nature and history in Presbyterian communities across five provinces from Prince Edward Island, Nova Scotia and New Brunswick to Lower and Upper Canada, this book reveals that at the heart of this denomination lay a desire to facilitate God's dominion and to promote Protestant piety across northern North America and beyond. Through an innovative approach to the study of religious ideas, *Boundless Dominion* highlights the permeability of borders and the myriad ways in which nineteenth century Canada, including its Presbyterian community, shaped and was shaped by interactions with the wider world.

**Comings and Goings** Charles Moden Levi, 2003-02-18 Looking at almost 120 years of Canadian history, Charles Levi examines the origins, activities and careers of 1,876 members of the executive of the University College Literary and Athletic Society of the University of Toronto from the inception of the College until 1973. Using an intricate quantitative analysis of data from student records and genealogical sources, Levi charts the history of student activities at University College, filling a gap in the historiography of higher education in Canada. In an era when all forms of education are being scrutinized to determine if they are fulfilling their functions, *Comings and Goings* shows that the Canadian university has continually adapted to the needs of society as a whole and that Canadian university students have used their educational experiences in innovative ways.

**In Search of the Promised Land** John Hope Franklin, Loren Schweninger, 2005-09-01 Based on family letters and other first hand evidence, this remarkable piece of detective work follows a remarkable Black family as its members walk the boundary between slave and free, traveling across the country in search of a promised land where African Americans would be treated with respect. Their record of these journeys provides a vivid picture of antebellum America, stretching from New Orleans to St. Louis, from the Overland Trail to the California Gold Rush and from Civil War battles to steamboat adventures. John Hope Franklin and Loren Schweninger weave a compelling narrative that illuminates the larger themes of slavery and freedom.
