Reading God's Story George H. Guthrie,2011-11-01 Stories are basic to life Everybody loves a good story We have been reading listening to or watching stories all of our lives so we intuitively know a lot about how they work Yet more and more Christians are unfamiliar with the stories of the Bible and how the grand narrative of God s Word fits together Indeed God gave us the stories of the Bible to reveal great truth about Himself and about our lives and He wants to draw us into the ongoing story of what He is doing in the world By focusing on the narrative framework of Scripture we can better understand what the Bible teaches and live out its instruction more effectively Reading God s Story takes that clear narrative approach to the Bible arranging the complete text into a fresh chronological reading plan developed for the Read the Bible for Life biblical literacy initiative In this plan the books chapters and verses of the Bible are thoughtfully arranged so readers can track the story of Scripture day by day from beginning to end understanding the flow of events and how all the different parts fit together to make sense Reading God s Story features two color interior page layout and is organized into 52 weeks of
