## Looking On Images Femininity:

*Looking on* Rosemary Betterton, 1987      **Feminine Look** Jennifer Friedlander, 2009-01-01 *Feminine Look* shows how the Lacanian concept of sexualization makes possible a new account of the relationship among feminism psychoanalysis and spectatorship Whereas previous studies have tended to ask how spectatorship may be influenced by sexual difference Jennifer Friedlander asks how particular spectatorial encounters may engender different sexualized responses In so doing she traces a fresh path through Freud's account of the relationship between visual perception and sexual difference and rereads Freud's fable of castration anxiety suggesting that sexual identity arises as a response to the symbolic order's indifference to the subject's need for a solid identity She examines provocative and controversial artistic images by Jamie Wagg Marcus Harvey and Sally Mann to demonstrate how images not only create and embody social practices but also precipitate viewer anxieties and pleasures      Sexing the Look in Popular Visual Culture Kathy Justice Gentile, 2020-05-15 With dramatic advances in media technology the practice of sexing or erotically enhancing images has become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard's theory of seduction that posits femininity as a strategy of illusion and subversion to Bridget Jones's challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men's fashion in late Victorian England and a rape prevention campaign's unintentional reinforcement of persistent heterosexist misconceptions about rape      Seeking Janet Claussen, Julia Ann Keller, 2003 *Seeking* *Doing Theology with Girls* is an introduction to theological methods and reflection with an emphasis on actively engaging girls in making connections between their experience and the wisdom of the Scriptures and Tradition The overriding theme of this manual is that the life experience of women brings richness and balance to the academic discipline of theology Topics covered include images of God gospel feminism women theologians morality sexual integrity ecofeminism and personal and global justice grounded in a theology of life      Dolly Parton, Gender, and Country Music Leigh H. **The Image of the Feminine in the Poetry of W.B. Yeats and Angelos Sikelianos** Anastasia Psoni, 2018-12-19 Modernism as a powerful movement saw the literary and artistic traditions as well as pure science starting to evolve radically creating a crisis even chaos in culture and society Within this chaos myth offered an ordered picture of that world employing symbolic and poetic images Both W B Yeats and Angelos Sikelianos embraced myth and symbols because they liberate imagination and raise human consciousness bringing together humans and the cosmos Being opposed to the rigidity of scientific materialism that inhibits spiritual development the two poets were waiting for a new age and a new religion expecting that they themselves would inspire their community and usher in the change In their longing for a new age archaeology was a magnetic field for Yeats and Sikelianos as it was for many writers and thinkers After Sir Arthur Evans's discovery of the Minoan Civilization where women appeared so peacefully prominent the dream of re-creating a gynocentric mythology was no longer a fantasy In Yeats's and Sikelianos's gynocentric mythology the feminine figure appears in various forms and like in a drama it plays different roles Significantly a gynocentric mythology permeates the work of the two poets and this mythology is of pivotal importance in their poetry their poetics and even in their life as the intensity of their creative desire brought to them female personalities to inspire and guide them Indeed in Yeats's and Sikelianos's gynocentric mythology the image of the feminine holds a place within a historical context taking the reader into a larger social political and religious space

**The Palgrave Handbook of Gender, Media and Communication in the Middle East and North Africa** Loubna H. Skalli, Nahed Eltantawy, 2023-05-20 The Palgrave Handbook of Gender Media and Communication in the Middle East and North Africa stands as an authoritative and up to date resource on the critical debates research methods and ongoing reflections on how gender and communication intersect with the economic social political and cultural fabrics of the countries in the MENA region The Handbook comprises thirty one chapters written by both established and rising scholars of gender media and digital technologies and will rely on fresh data which seeks to capture the dynamic and complex realities of MENA societies as well as the tensions and contradictions in the politics of gender and uses of communication technologies The Handbook is split into six sections Gender Identities and Sexualities The Gender of Politics Gender and Activism Gender Based Violence Gender and Entrepreneurship and Gender in Expressive Cultures

*Gender matters (2nd ed)* Anca-Ruxandra Pandea, Dariusz Grzemny, Ellie Keen, 2020-02-24 Gender based violence undermines the core values of human rights on which the Council of Europe is based and to which its member states have subscribed Gender based violence refers to any type of harm that is perpetrated against a person or group of people because of their actual or perceived sex gender sexual orientation and or gender identity Gender based violence can be sexual physical verbal psychological emotional or socio

economic and it can take many forms from verbal violence and hate speech on the internet to rape or murder Statistics show that gender based violence affects women disproportionately Gender based violence undermines the core values of human rights on which the Council of Europe is based and to which its member states have subscribed It is a problem in all member states and affects millions of women and men young people and children regardless of their social status cultural or religious background sexual orientation or gender identity Preventing addressing and combating gender based violence are intrinsic to human rights education youth work and non formal learning activities which support young people on their path to autonomy as active citizens mindful of everyone s human rights The issues that are addressed through this work are all relevant to young people s lives and they relate directly to the world in which young people live Gender Matters is a manual to address gender based violence with young people It provides insights into gender and gender based violence background information to key social political and legal issues and especially educational activities and methods for education and training activities with young people Gender Matters should be used as a practical resource in guiding young people to become more aware of their own actions and the actions of others It contributes to a better understanding of how to stay safe and secure and how to support those who have experienced violence in their lives It will not suffice to eradicate gender based violence However it is a necessary and urgent step towards dignity for all

The Aftermath of Feminism Angela McRobbie, 2008-11-20 In this trenchant inquiry into the state of feminism Angela McRobbie breaks open the politics of sexual equality and affirmative feminism and sets down a new theory of gender power Challenging the most basic assumptions of the end of feminism this book argues that invidious forms of gender re stabilisation are being re established Consumer and popular culture encroach on the terrain of so called female freedom appearing supportive of female success yet tying women into new post feminist neurotic dependencies With a scathing critique of women s empowerment McRobbie has developed a distinctive feminist analysis that she uses to examine socio cultural phenomena embedded in contemporary women s lives from fashion photography and the television make over genre to eating disorders body anxiety and illegible rage A turning

point in feminist theory The Aftermath of Feminism will set a new agenda for gender studies and cultural studies

**Narratology** Susana Onega, Jose Angel Garcia Landa, 2014-09-19 This text provides an excellent introduction and overview of Narratology a rapidly growing field in the humanities Literary narratologists have provided many key concepts and analytical tools which are widely used in the interdisciplinary analysis of such narrative features as plot point of view speech presentation ideological perspective and interpretation The introduction explains the central concepts of narratology their historical development and draws together contemporary trends from many different disciplines into common focus It offers a compendium of the development of narratology from classical poetics to the present The essays are all prefaced by individual forewords helping the reader to place each individual selection in context Recent developments are assessed across disciplines highlighting the mutual influences of narratology and deconstruction psychoanalysis feminism film and media studies

**Blackness at the Intersection** Kehinde Andrews, Kimberlé Crenshaw, Annabel Wilson, 2024-02-08 A ground breaking collection applying Crenshaw s concept of intersectionality to the black diasporic experience in Britain In the 1980s Professor Kimberlé Crenshaw first coined the term intersectionality Since then the concept has spread across national and disciplinary boundaries and has had a transformative impact on the way in which we understand identity and the experience of discrimination But outside the US the application of intersectional theory has largely been disconnected from any analysis of Blackness despite intersectionality s origins in critical race theory CRT Curated by Crenshaw Andrews and Wilson as well as several of the leading scholars of CRT this collection bridges that gap and is the first to apply both these concepts to contexts outside the US Focusing on Blackness in Britain the contributors examine how scholars and activists are employing intersectionality to foreground Black British experiences Its essays encompass key issues such as gender and Black womanhood issues of representation within contemporary British culture and the position of Black Britons within institutions such as the family education and health The book also looks to the role intersectionality can play in shaping future political activism and in forging links beyond Blackness to other social movements

*Masquerade and Femininity* Urszula Chowaniec, Ursula Phillips, Marja Rytönen, 2009-03-26 *Masquerade and Femininity* Essays on Russian and Polish Women Writers introduces the reader to the diversity of women s writing in Poland and Russia in the 19th and 20th centuries in the light of the notion of masquerade The present articles scrutinize particular works by women writers Nadezhda Dmitrievna Khvoshchinskaia Irina Odoevtseva Vera Pavlova Narcyza Michowska Maria Komornicka Irena Krzywicka and others and the strategies of masquerading female experience Taken together the articles draw attention to the feeling of an inexpressible gap between the living body and its everyday life experience of pain and suffering or happiness and pleasure and the culturally constructed powerfully imposed code of expression that readily makes use of various masks guises and acts of pretending applied especially cleverly in literary works The concept of masquerade illuminates the complexity of what we call femininity by combining two sides of the divide the real feelings and the

constructed expressions This volume uses both feminist and non feminist approaches to women s writing and sheds new light on the themes of femininity woman s identity experience masks body gender relations nature culture and authorship *Masquerade and Femininity* brings together East European literary studies and gender studies offering a comparative perspective on literature literary theory and cultural phenomena in Poland and Russia and featuring a range of both eastern European and western scholars In its pages the reader is invited to move beyond Russian literature and language into a dialogic approach between Slavic literatures This book will also contribute to filling the comparative gap which is still relatively unexplored not only with regard to the application of western scholarship to East European studies but also with regard to the dialogue between Russian and Polish scholarship *Beyond the Feminine* Ope Lori, 2025-06-26 How can contemporary artists and image makers challenge representations of race and gender in visual culture and produce alternate visions Exploring a range of lens based British art that engages with questions of race and gender this book critiques power structures that embed racial dichotomies to arrive at a nuanced understanding of the position of race in contemporary visual culture It examines how white and light skinned Black women are privileged over Black and dark skinned women in music videos advertising and even in classic paintings Focusing on skin colour as implicit in constructions of femininity the works discussed deconstruct the links between race and gender to expose hidden power relations Presenting intimate interviews with four British artists NT Marcia Michael Sadie Lee and Ajamu X along with the author s own artistic practice this book provides a much needed toolkit for image makers and critics alike Using the analogy of the set up this boundary breaking book encourages us to not only question what we see but to see differently beyond the conventions of the male gaze Reversing normative categories and social hierarchies *Beyond the Feminine* puts forth a new gaze an up set to the system

**Gender And The Changing Face Of Higher Education: A Feminized Future?** Leathwood, Carole, Read, Barbara, 2008-12-01 Drawing on international and national data theory and research *Gender and the Changing Face of Higher Education* provides an accessible but nuanced discussion of the feminization of higher education for postgraduates policy makers and academics working in the field *Star Gazing* Jackie Stacey, 2013-11-05 In a historical investigation of the pleasures of cinema *Star Gazing* puts female spectators back into theories of spectatorship Combining film theory with a rich body of ethnographic research Jackie Stacey investigates how female spectators understood Hollywood stars in the 1940 s and 1950 s Her study challenges the universalism of psychoanalytic theories of female spectatorship which have dominated the feminist agenda within film studies for over two decades Drawing on letters and questionnaires from over three hundred keen cinema goers Stacey investigates the significance of certain Hollywood stars in women s memories of wartime and postwar Britain Three key processes of spectatorship escapism identification and consumption are explored in detail in terms of their multiple and changing meanings for female spectators at this time *Star Gazing* demonstrates the importance of cultural and national location for the meanings of female spectatorship giving a new direction to questions of popular culture

and female desire      **Discourses of Race, Ethnicity and Gender in Education** Joseph Zajda, 2022-11-22 This book examines dominant discourses affecting race ethnicity and gender in education and societies globally It presents cutting edge research on the major global trends in globalization race ethnicity and gender education globally Using diverse paradigms ranging from critical theory to discourse analysis the book examines major trends in race ethnicity and gender research with a focus on the ambivalent and problematic relationship between race ethnicity and gender discourses ideology and the state It discusses and critiques key issues in race ethnicity and gender research Readers will gain a more holistic understanding of the nexus between race ethnicity and gender discourses and dominant ideologies both locally and globally It also provides an easily accessible practical yet scholarly insights into local and global trends in the field of race ethnicity and gender education With contributions from key scholars worldwide this book will be useful to a broad spectrum of readers including policy makers academics graduate students education policy researchers administrators and practitioners      The Monstrous-Feminine Barbara Creed, 2015-09-04 In almost all critical writings on the horror film woman is conceptualised only as victim In *The Monstrous Feminine* Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions of the monstrous is the female reproductive body With close reference to a number of classic horror films including the Alien trilogy T      Gender in the Mirror Diana Tietjens Meyers, 2002-02-21 Harmful culturally prevalent imagery of feminine sexuality beauty and motherhood constrains women's self determination *Gender in the Mirror* proposes alternative imagery of feminine sexuality beauty and motherhood and advances an account of feminist discursive politics that takes on the challenge of neutralizing patriarchal imagery
