 original book Sample Book Insights 1 Looking out for number one is the conscious effort to make rational decisions that lead  
 to the greatest amount of happiness over the long term so long as those actions do not involve the use of force or fraud  
 against anyone else 2 Happiness is the state of mind you experience when you are experiencing pleasure It is the main  
 objective of life and all other objectives are means to achieving it The more rational your decisions and actions are the more  
 often you will experience results that lead to happiness 3 The brain s Weight and Balance Happiness Scale which is a  
 biological computer chip weighs every alternative available to you and chooses the one that will result in the greatest amount  
 of happiness for you However it can malfunction and make decisions that aren t in your best interest 4 The problem of  
 choosing inappropriate subobjectives stems from irrational thinking However having too many subobjectives can be a result  
 of buying into the generally accepted notion that winning at everything is admirable This can lead to several bad  
 consequences      Gesenius's Hebrew and Chaldee lexicon to the Old Testament scriptures, tr., with additions and
