

I have articles in Platys but the greater
part of them could not be used by me -
now for three hundred years to come -
however there is enough left at these - and
~~ready for a flowing~~
~~man~~ - to make you a ~~good~~
preface for such an edition as you
institute - but this by the way - I
have not made up my mind. - -

I enclose you a note on the subject
of "Purina" which I thought you
for you - It is an extract of particulars
from a history of Persia.

I trust that you have been attracted to
Philosophy - for ^{the history} we have the character
of reflecting the Greeks at present - which
I hope you will value. - -

Yours in haste

Wm. W. W.
