Lord Denning The Judge And The Law:

Lord Denning Jeffrey L. Jowell, Patrick McAuslan, 1984 **Lord denning, the judge and the law. (edited by) j. L. Jowell, j. P. W. B. Mcauslan** Jeffrey L. Jowell, J. P. W. B. McAuslan, 1984 *Lord Denning* James Wilson, 2023-03-17 Lord Denning was the most famous English judge of the twentieth century Arguably he was the most famous of any century His judgments were legendary for both their style and substance The style was instantly recognisable with his short sentences and unique method of storytelling The substance was always less about law and more about justice as Denning looked for the fairest outcome to every case before him Over time Denning's views on justice and his manipulation of precedent became increasingly controversial As society changed around him he adhered rigidly to the Edwardian morality of his childhood His report on the Profumo Affair the most sensational political scandal of post war Britain was dismissed by some as an establishment whitewash His rulings in trade union disputes earned him many critics while his dismissal of the appeal of the Birmingham Six falsely convicted of a terrorist atrocity became notorious when a gross miscarriage of justice was later uncovered Yet enough goodwill remained for him to be called after his death the best known and best loved judge in the whole of our history by the Lord Chief Justice Lord Bingham For all his controversies there is no question that Denning led an extraordinary life Born into a family of modest means in a small Hampshire town in 1899 he went on to gain two firsts from Oxford and a commission in the First World War before becoming a successful barrister and serving almost 40 years as a senior judge This book looks at that remarkable life story as well as assessing Denning's legacy showing how he continues to influence inspire and occasionally infuriate *Lord Denning* Iris Freeman, 1993 Although he retired over a decade ago Lord Denning remains Britain's best known and to many most controversial judge As Master of the Rolls a position he occupied for 20 years he saw his job as the making of law not merely the interpretation of it and he gave judgments which placed the judiciary at the centre of political and social change *The Due Process of Law* Alfred Denning, 1980-01-11 Two central themes run through *The Due Process of Law* The first is the workings of the various measures authorised by the law so as to keep the streams of justice pure that is to say contempt of court judicial inquiries and powers of arrest and search The second is the recent development of family law focusing particularly on Lord Denning's contribution to the law of husband and wife These broad themes are elaborated through a discussion of Lord Denning's own judgments and opinions on a wide range of topics **Tough-Minded Christianity** William A. Dembski, Thomas Schirrmacher, 2009-03-01 *Tough Minded Christianity* is a collection of essays about the great work of John Warwick Montgomery 1931 a living legend in the field of Christian apologetics who has earned eleven degrees in philosophy theology law and librarianship debated historic atheists including Madalyn Murray O Hair and influenced the work of bestselling authors such as Josh McDowell Contributors to this volume include J I Packer Ravi Zacharias John Ankerberg Erwin Lutzer Vernon Grounds Gary Habermas and among others Paige Patterson who writes in the foreword that John Warwick Montgomery did the intellectual heavy lifting that undergirded

the conservative renewal of the Southern Baptist Convention A Study in Legal History Volume III; Freedom under the Law Charles Stephens, 2009-10-02 In his book *Law and Politics The House of Lords as a Judicial Body 1800 1976* Robert Stevens wrote that Lord Denning was certainly the most interesting and possibly the most important English judge of the twentieth century Stevens also suggested that Lord Denning was one of the few English judges who clearly merits an extensive intellectual biography *Freedom under the Law* essays this task by setting the jurisprudence of Lord Denning in the context of the history of the 1960s and 1970s assessing his writings about the law and examining his role in the Profumo affair and other major political and legal controversies of that era Lord Denning's approach to matters such as religion education the currency the Empire the Union national security the status of aliens and foreigners social change the family the rights of trades unions and the role of the courts in the regulation of industrial conflict and the City of London are examined in the course of a detailed consideration of the judgments which he handed down in the Court of Appeal between 1962 and 1982 *The Law-Making Process* Michael Zander KC, 2020-06-25 As a critical in depth analysis of the law making process this book has no equal It deals with all the stages and forms of law making the preparation of legislation its passage through Parliament statutory interpretation the operation of the rules of precedent in judicial decision making the many facets of judicial law making the machinery of law reform The new eighth edition covers the operation of EU law in the UK after Brexit It also covers pre Brexit events such as the unprecedented legislation by backbench MPs to stop a No Deal Exit from the EU and the two great Supreme Court decisions over the triggering of Brexit and the prorogation of Parliament The books draws on a wide range of sources including important new empirical research such as Lord Sumption's 2019 Reith lectures *Trials of the State Law and the Decline of Politics* and the work of Sir Geoffrey Palmer former Prime Minister and Justice Minister of New Zealand on *The Law Reform Enterprise* There are new sections on the attempt to control the size of the House of Lords on whether Parliament should have a role in the selection of senior judges and on the topical question whether decisions of the courts on constitutional questions are legal or political **The Judicial Process** E. W. Thomas, 2005-09-15 In the absence of a sound conception of the judicial role judges at present can be said to be muddling along They disown the declaratory theory of law but continue to behave and think as if it had not been discredited Much judicial reasoning still exhibits an unquestioning acceptance of positivism and a rulish predisposition Formalistic thinking continues to exert a perverse influence on the legal process This 2005 book dismantles these outdated theories and seeks to bridge the gap between legal theory and judicial practice The author propounds a coherent and comprehensive judicial methodology for modern times Founded on the truism that the law exists to serve society and adopting the twin criteria of justice and contemporaneity with the times a judicial methodology is developed which is realistic and pragmatic and which embraces a revised conception of practical reasoning including in that conception a critical role for legal principles

Essays in Honour of Judge Taslim Olawale Elias Emmanuel G. Bello, Prince Bola A. Ajibola (SAN), 2023-07-17 Text no

1 The variety of topics covered and the quality of the contributors make these two volumes a necessary part of any law library in the world The essays are designed to overlap in the well tested and established fields and branches of law dealing with contemporary issues which lawyers diplomats political scientists politicians and research scholars are familiar with The essays fully demonstrate the depth of knowledge of the eminent professors and specialists who have written them The two volumes of essays are divided into seven parts Volume One entitled Contemporary International Law and Human Rights focuses essentially on subjects relating to International Law and is divided into three sections Part one of the first volume encompasses Topics in International Law such as Some New Thoughts on the Codification of International Law by his Excellency Judge Roberto Ago Evidence in the Procedure of the International Court of Justice The Role of the Court by His Excellency Judge Manfred Lachs The Validity of International Law an Empirical Experiment by Professor Georg Schwarzenberger with a particularly engaging and incisive Introduction to the two volumes of Essays by Professor Ian Brownlie Q C Human rights subjects still hold pride of place in the thinking of many legal experts and scholars and that is clearly reflected here The title of the second volume is African Law and Comparative Public Law Part Five of the essays contains topics of interest in the African Legal system which has its roots in the British Common Law System Constitutional Law is broadly covered in part six which forms a section of its own in Volume Two Text no 2 This Festschrift pays tribute to Judge Taslim Olawale Elias the leading African exponent of International Law to date The two volumes of essays are divided into seven parts The first volume focuses essentially on subjects relating to International Law and is divided into three sections Part one of the first volume encompasses Topics in International Law such as Some New Thoughts on the Codification of International Law by His Excellency Judge Roberto Ago Evidence in the Procedure of the International Court of Justice The Role of the Court by His Excellency Judge Manfred Lachs The Validity of International Law an Empirical Experiment by Professor Georg Schwarzenberger with a particularly engaging and incisive Introduction to the two volumes of Essays by Professor Ian Brownlie Q C Human Rights subjects still hold the pride of place in the thinking of many legal experts and scholars which is clearly reflected here The title of the second volume is African Law and Comparative Public Law Part five of the essays contains topics of interest in African Legal system which took its roots from the British Common Law System Constitutional Law is broadly covered in part six which forms a section of its own in volume two Quite apart from the variety of topics covered in this festschrift the quality of the contributors to it makes the whole exercise a necessary part of an important collection of any law library in the world The framework of the essays suggest that they are designed to overlap in the well tested and established field of law and those branches of law dealing with contemporary issues which lawyers diplomats political scientists politicians and research scholars are familiar with The richness of the festschrift is m

The Denning Family Story Alfred Thompson Denning Baron Denning, Lord Denning, 2007 The life and times of a famous English judge and his family Provided by publisher *The Court of Appeal* Gavin Drewry, Louis Blom-Cooper, Charles

Blake, 2007-04-10 Civil justice has been undergoing a massive transformation There have been big changes in the management of judicial business the Human Rights Act 1988 has had a pervasive impact the Constitutional Reform Act 2005 has effected many changes notably the prospective transfer of the appellate jurisdiction of the House of Lords to a new Supreme Court Against this backcloth of radical change this book looks at the recent history and the present day operation of the civil division of the Court of Appeal a court that despite its pivotal position has attracted surprisingly little scholarly attention It examines the impact of the permission to appeal requirements and the way in which applications particularly those by litigants in person are handled it looks at the working methods of the Lords Justices and at the leadership of the Court by recent Masters of the Rolls it considers the relationship between the Court and the House of Lords looking at high profile cases in which the Court has been reversed by the Lords Notwithstanding the impending arrival of the Supreme Court it concludes that the Court of Appeal will remain firmly in place occupying its crucial position as to all intents and purposes the court of last resort indeed a supreme court for most civil appellants

Part I: The Business of Judging ;The Judge as Juror: The Judicial Determination of Factual Issues ;The Judge as Lawmaker: An English Perspective ;The Discretion of the Judge ;Part II: Judges in Society ;Judicial Independence ;Judicial Ethics ;Part III: The Wider World ;'There is a World Elsewhere': The Changing Perspectives of English Law ;Law in a Pluralist Society ;Speech on the Jubilee of the Supreme Court of India ;Part IV: Human Rights ;The European Convention on Human Rights: Time to Incorporate ;Opinion: Should there be a Law to Protect Rights of Personal Privacy? ;The Way We Live Now: Human Rights in the New Millennium ;Tort and Human Rights ;Part V: Public Law ;Should Public Law Remedies be Discretionary? ;The Old Despotism ;Mr Perlmutter, Mr Liversidge, and Lord Atkin ;Part VI: The Constitution ;The Courts and the Constitution ;Anglo-American Reflections ;Part VII: The English Criminal Trial ;The English Criminal Trial: The Credits and the Debits ;Justice and Injustice ;Silence is Golden - or is it? ;A Criminal Code: Must We Wait for Ever? ;Part VIII: Crime and Punishment ;The Sentence of the Court ;Justice for the Young ;The Mandatory Life Sentence for Murder ;Speech on the Second Reading of the Crime (Sentences) Bill ;Part IX: Miscellaneous ;Address to the Centenary Conference of the Bar ;Who Then in Law is my Neighbour? ;The Future of the Common Law ;Lecture at Toynbee Hall on the Centenary of its Legal Advice Centre ;Address at the Service of Thanksgiving for Rt Hon Lord Denning OM

The late Tom Bingham, Thomas Henry Bingham, 2011 Collecting the most important writings of Tom Bingham during his time in judicial office before the House of Lords The Business of Judging is written for anyone with an interest in public affairs It offers an absorbing account of the law and the courts in public life presenting Bingham's reflections on the judicial role and the common law

The Law Lords
Alan Paterson, 1983-09-01 **Lord Denning** Universal Law Publishing Company Pvt. Limited, Contract Law Neil

Andrews, 2011-05-26 This textbook takes a fresh approach to contract law as a first edition it reflects the subject in the 21st

century more accurately than other texts Comprehensive and scholarly it maps the curriculum perfectly but detailed references and further reading sections encourage students to explore the subject further Understanding is paramount and chapter introductions clearly guide students through the material The textbook takes an innovative approach to case law breaking down and discussing individual elements of a case and selecting short key extracts it gives students the tools to read cases independently and with confidence An examination of the historical and theoretical foundations of the subject and a concluding chapter tracking emerging fields ensure the broadest possible perspective Discussion of key recent cases such as Durham Tess Valley Airport 2010 and Chartbrook 2009 make this important new text a must for contract law students

The Demise of the Reasonable Man Michael Saltman, 2017-09-08 Judges in most societies often resort to resolving disputes by means of applying a criterion of reasonableness In *The Demise of the Reasonable Man* Michael Saltman explores the ways in which reasonableness varies from one legal culture to another defined by the relative presence or absence of centralized political power In non politically centralized societies Saltman says judges seek meanings underlying human behavior and try to place reasonableness within a societal and cultural context This is possible because primitive societies are relatively homogenous in their values and tend towards consensus when determining what constitutes reasonable behavior In contrast modern judges resort to standards of reasonableness only when the legal standard is unclear Saltman contrasts judges in politically centralized societies who in the absence of such consensus have the authority to determine on the basis of that authority what constitutes reasonableness This rich volume references case studies drawn from ethnographic fieldwork historical sources and law reports to demonstrate differences in judicial attitudes toward reasonableness

Purposive Interpretation in Law Aharon Barak, 2011-10-16 This book presents a comprehensive theory of legal interpretation by a leading judge and legal theorist Currently legal philosophers and jurists apply different theories of interpretation to constitutions statutes rules wills and contracts Aharon Barak argues that an alternative approach purposive interpretation allows jurists and scholars to approach all legal texts in a similar manner while remaining sensitive to the important differences Moreover regardless of whether purposive interpretation amounts to a unifying theory it would still be superior to other methods of interpretation in tackling each kind of text separately Barak explains purposive interpretation as follows All legal interpretation must start by establishing a range of semantic meanings for a given text from which the legal meaning is then drawn In purposive interpretation the text's purpose is the criterion for establishing which of the semantic meanings yields the legal meaning Establishing the ultimate purpose and thus the legal meaning depends on the relationship between the subjective and objective purposes that is between the original intent of the text's author and the intent of a reasonable author and of the legal system at the time of interpretation This is easy to establish when the subjective and objective purposes coincide But when they don't the relative weight given to each purpose depends on the nature of the text For example subjective purpose is given substantial weight in interpreting a will objective purpose in interpreting a

constitution Barak develops this theory with masterful scholarship and close attention to its practical application Throughout he contrasts his approach with that of textualists and neotextualists such as Antonin Scalia pragmatists such as Richard Posner and legal philosophers such as Ronald Dworkin This book represents a profoundly important contribution to legal scholarship and a major alternative to interpretive approaches advanced by other leading figures in the judicial world

Contract Law John Cartwright, 2023-08-24 The fourth edition of this acclaimed textbook addresses the developments in English contract law since the last edition including the impact of the withdrawal of the UK from the European Union and new case law on the role of good faith the doctrine of consideration rectification of written contracts for mistake economic duress illegality contractual interpretation and damages for breach of contract The book introduces the lawyer trained in a civil law jurisdiction to the method of reasoning in the common law and in particular to the English law of contract It is written for the lawyer whether student or practitioner from another jurisdiction who already has an understanding of a different law of contract but who wishes to discover the way in which an English lawyer views a contract However it is also useful for the English law student setting English contract law generally in the context of other European and international approaches the book forms an introductory text not only demonstrating how English contract law works but also giving a glimpse of different ways of thinking about some of the fundamental rules of contract law from a civil law perspective After a general introduction to the common law system how a common lawyer reasons and finds the law the book explains the principles of the law of contract in English law covering all the aspects of a contract from its formation to the remedies available for breach whilst directing attention in particular to those areas where the approach of English law is in marked contrast to that taken in many civil law systems

The Discipline of Law Alfred Denning, 1979-01-23 Monograph comprising the personal contributions and opinions of lord denning on the discipline of law in the UK in the 20th century in order to show the inadequacies of 19th century law uses contemporary legal jurisprudence to illustrate trends in administrative law the abuse of power the doctrine of precedent and the law of negligence etc
