The Land's Wild Music Mark Tredinnick, 2011-04-14 The Land's Wild Music explores the home terrains and the writing of four great American writers of place Barry Lopez Peter Matthiessen Terry Tempest Williams and James Galvin In their work and its relationship with their home places Tredinnick an Australian writer searches for answers to such questions such as whether it's possible for a writer to make an authentic witness of a place how one captures the landscape as it truly is and how one joins the place in witness so that its lyric becomes one's own and enters into one's own work He asks what it might mean to enact an ecological imagination of the world and whether it might be possible to see the work and the writer as part of the place itself The work is a meditation on the nature of landscape and its power to shape the lives and syntax of men and women It is animated by the author's encounters with Lopez Matthiessen Williams and Galvin by critical readings of their work and by the author's engagement with the landscapes that have shaped these writers and their writing the Cascades Long Island the Colorado Plateau and the high prairies of the Rocky Mountains Tredinnick seeks the spring of nature writing deep in the nature of a place itself carried in a writer's wild self inside and resonated over and over again at the desk until it is a work in which the place itself sings

When and How the Jewish Majority in the Land of Israel Was Eliminated Rivka Shpak Lissak, 2015-10-13 Imperialist Rome employed a policy of colonization and confiscation of Jewish land transferring it to foreigners who immigrated to the Land of Israel and settled there with the support of Roman governments

Jewish resistance to Roman policies in the Great Revolt 66-70 and the Bar Kokhba Revolt 132-135 was cruelly suppressed. Of a population of nearly 2.5 million Jews in the Land of Israel during the first century CE, only 800,000 or so remained by the end of Roman occupation in the fourth century CE. The Jewish majority in the Land of Israel was eliminated by war casualties, the sale of prisoners of war in Roman slave markets throughout the empire, and the flight of Jewish refugees. In response to the Jewish resistance to Roman policies, the Romans concentrated their attacks on elements central to the Jewish religion, destroying the temple in Jerusalem and passing decrees against circumcision and the study of the Torah. Renaming Judea as Syria Palaestina aimed to remove any surviving connection to the Jewish nation. The Jewish minority in the Land of Israel continued to shrink during the centuries of Byzantine, Arab, Crusader, and Mamluk occupations. Jews preferred emigration over conversion.

Paranormal Merseyside S. D. Tucker, 2013-01-15 A fabulous collection of ghostly hauntings in Merseyside.

Under Heaven's Brow Ward Hunt Goodenough, 2002 For the people of Chuuk and for students of religion and Micronesian culture, this book pulls together and makes available in English the somewhat scattered published accounts, largely in German, along with Goodenough's own as yet unpublished information about religious beliefs and ritual practices in pre-Christian Chuuk. The materials are presented in a way that seeks to document and illustrate a particular approach, a functional one, to understanding the kinds of human concerns that give rise to religious behavior. Simply to describe traditional beliefs and rituals without the relevant social background information leaves the reader without any feeling for what were the emotional concerns engendered by life in Chuukese society that ritual practices helped people address. Ward Goodenough offers a theoretical introduction, the necessary background information about Chuuk and the ways in which members of Chuukese society experienced themselves and their fellows, the world view and overall set of beliefs providing the intellectual framework within which ritual practices were formulated and understood, and the various bodies of ritual practices. He concludes the book with a summary that pulls together how the rituals described appear to relate to the emotional concerns that growing up and living in Chuuk tended to create.

Spirit of the Land Conrad Heisner, 2008-12 Land ownership is exciting, but being a part of the land claimed by the land opens a bond to all the people of the land. From ancient people to modern people, land has fashioned an identity and bond between people who share common problems, troubles, joys, and celebrations. It is as though people become connected through the ages. Our own stories are what tell about the connected lore. Lore is personal but never private. Telling the lore, sharing the lore, creates and is created by spirits mingling stories into a common humanity. Lore is humorous, lore is heartbreaking, serious and silly, but lore of identity is the backbone of culture. It is why we laugh together and why we cry together. My stories are not much different than the stories of all time. In this book, some of the Spirits of the Land do their speaking through what I remember, through what I have learned about events and through imagination. Childhood memories, significant times in life, historical understandings, these are the body of lore ready to be woven into our spirit as people. As I sought to understand all of this, I was guided by a

powerful voice It was a mystical voice a driving voice I came to know the voice of the spirit world as a physical body a face I could see hear and talk to in a small pool of water The face and the voice came at her own will and sometimes overtook my will The face and voice left my view when it willed me to act on my own strengths But the voice of the face is never gone The spirit is never gone It is the Spirit of the Land
