Los Sobrinos Del Tio Sam:

Los sobrinos del Tío Sam Carlos Rivero Collado,1976 *Los sobrinos del Tío Sam* Carlos Rivero Collado,1976 Los sobrinos del tío Sam Juan Pablo Ortega,2014 The Nixon Administration and Cuba Håkan Karlsson,Tomás Díez Acosta,2021-05-07 This book presents a detailed analysis of the U S policy that was adopted toward Cuba by the Richard M Nixon administration between January 20 1969 and August 8 1974 Based on governmental as well as other sources from both the U S and Cuba this book examines the rupture where the policy of passive containment was complemented with a policy of dirty war President Nixon attempted to reestablish a confrontational and violent path of action and once again Cuba was exposed to a dirty war consisting of different forms of aggressive terrorist activities Since the conditions for this violent route had changed dramatically both in the U S and in Cuba a policy characterized by a continuity of the economic and psychological warfare came to be the central one for the Nixon administration This book is unique since it is written from a Cuban perspective and it therefore complements and enriches the knowledge of the U S Cuban relationship during the end of the 1960s and the beginning of the 1970s and the policy adopted by the Nixon administration It is of relevance to everyone interested in the issue and especially for students and researchers within the disciplines of history and political science

relations between the two nations as a result of the generational and social changes that have been occurring in the Cuban American community **BOOK JACKET** **Bacardi** Hernando Calvo Ospina, 2002-07-20 The Bacardi rum company is one of the most successful and recognisable brands in the world It spends millions on marketing itself as the spirit of youth and vitality But behind its image as a party drink lies a very different story In this book investigative journalist Hernando Calvo Ospina brings to light the commercial and political activities of the Bacardi empire to reveal its role in fostering the 40 year long confrontation between the United States and the revolutionary government of Cuba Through meticulous research Ospina reveals how directors and shareholders of the family owned firm have aggressively worked to undermine the Castro government He explores how they have been implicated in supporting paramilitary organisations that have carried out terrorist attacks and reveals their links to the extreme right wing Cuban American Foundation that supported Ronald Reagan s Contra war in Nicaragua Bacardi The Hidden War explains the company s hand in promoting special interest legislation against its competitor Havana Club Rum which is manufactured in Cuba and promoted by the European company Pernod Ricard Ospina reveals the implications of Bacardi s involvement in this growing dispute that threatens to create a trade war between America and Europe Exploring the Bacardi empire s links to the CIA as well as its inside links with the Bush administration this fascinating account shows how multinational companies act for political as well as economic interests

El mundo militar, 1916 **War On Drugs** Alfred W. McCoy, 2021-11-28 Since George Bush declared his war on drugs in 1989 cocaine addiction in America has increased 15% and narcotics have emerged as major commodities from the Third World Focusing on US narcotics policy Latin America s cocaine traffic and Asia s heroin trade the essays in this book offer evidence indicating that the war is not working Communist Armies In Politics Jonathan R. Adelman, 2019-03-13 This book analyzes the historical and contemporary political roles of armies in the majority of the world s Communist countries stressing the problems faced and overcome by Communist parties in the creation and development of legitimate and effective armies The authors all area specialists explore the sources of the dramatic differences between the highly visible and powerful political roles of the Chinese Vietnamese and Cuban armies the small but increasing political role of the Soviet army and the minimal political roles of most Eastern European armies Emphasized are such variables as the nature of revolution the role of civil war and the extent of external interference particularly from the Soviet Union The authors show how these variables are key factors in determining the path of army political development **Diplomacy Meets Migration** Hideaki Kami, 2018-06-28 Between revolution and counterrevolution The legacy of violence A time for dialogue The crisis of 1980 Acting as a superhero The two contrary currents Making foreign policy domestic Cuba Professor Jorge I Doma-NGuez, Jorge Dominguez, 2009-06-01 Upon publication in the late 1970s this book was the first major historical analysis of twentieth century Cuba Focusing on the way Cuba has been governed and in particular on the way a changing elite has made claims to legitimate rule it carefully examines each of Cuba s three main political eras the first from Independence in

1902 to the Presidency of Gerardo Machado in 1933 the second under Batista from 1934 until 1958 and finally Castro's revolution from 1959 to the present Jorge Domínguez discusses the political roles played by interest groups mass organizations and the military He also investigates the impact of international affairs on Cuba and provides the first printed data on many aspects of political economic and social change since 1959 He deals in depth with agrarian politics and peasant protest since 1937 and his concluding chapter on Cuba's present culture is a fascinating insight into a society which though vitally important remains mysterious to most readers in the United States Cuba's role in international affairs is vastly greater than its size The revolution led by Fidel Castro the Bay of Pigs invasion the missile crisis in 1962 the underwriting of revolution in Latin America and recently in Africa all these events have thrust Cuba onto the modern world stage Anyone hoping to understand this country and its people and above all its changing systems of government will find this book essential **Blanco y negro** ,1897 **Caras y caretas** ,1910 *Arrebatos carnales III* Francisco Martín
