Losing Face & Finding Grace Tom Lin, 1996-12-12 What does it mean to be Asian and Christian Tom Lin provides twelve inductive Bible studies for Asian Americans exploring themes of personal identity parental expectations perfectionism shame grace and more
Finding Grace Loretta Rothschild, 2025-07-08 NATIONAL BESTSELLER A July Indie Next Pick A strikingly original and deeply moving debut People Begins with such a gasp inducing twist that it's almost impossible to describe Real Simple The literary book of the summer Sarah Gelman CBS Mornings SHE THOUGHT IT WAS FATE I KNEW IT WASN'T Honor seems to have everything she adores her bright and beautiful daughter Chloe and her charming handsome husband Tom even if he works one hundred hours a week Yet Honor's longing for another baby threatens to eclipse all of it until a shocking event changes their lives forever Years later Tom makes a decision that ripples through their families lives in ways he could never have foreseen As the consequences of that fateful choice unfold two women's paths become irrevocably intertwined But when old love clashes with new who will be left standing And what happens when your secrets come back to haunt you Blending a page turning moral dilemma with satisfying emotional poignancy Finding Grace is a sweeping love story that explores the price of a new beginning how the ghosts of our past shape our future and whether redemption can be found in the wreckage of what we've lost

~~~~~ Greg Jao, ~~~~~ Paul Tokunaga, **Finding Grace** K.L. Slater, 2019-02-14 This morning my daughter sat right here munching her breakfast too excited to finish it Now she is missing The day after her ninth birthday Lucie and Blake Sullivan agree for the very first time to let their daughter Grace make the four minute walk back home alone from a friend's house just down the street They joke with friends about hiding behind bushes to ensure she is safe But the joke turns sour when Grace does not appear Despite the best efforts of the police and local community Grace seems to have vanished into thin air With hope fading fast Lucie knows she can rely on her husband to support her through such dark times That is until the day she makes a shocking discovery hidden in Blake's desk and suddenly she begins to doubt everything she knew about the man she married But Lucie harbours a terrible secret of her own One that she has never shared with anyone even Blake And as the search for Grace reaches fever pitch Lucie receives a terrifying message If she is ever to see Grace again Lucie has no choice but to face the past she tried hard to bury forever And she must do it alone The most gripping psychological thriller you'll read this year from the bestselling author K L Slater If you love The Wife Between Us or Gone Girl you'll be totally hooked on Finding Grace What everyone is saying about Finding Grace An absolute scorcher K L Slater has truly outdone herself I'm already having a feeling it will appear on my list of 2019 favourites Such suspense Such twists If you like nail biting good psychological thrillers that keep you on the edge of your seat look no further I literally cancelled all plans sat down and devoured Finding Grace in one sitting Yes it was just THAT good Plot twist bomb after plot twist bomb will be dropped They just keep coming Ticked all the boxes for me and more and I can 200% recommend it to any fan of the genre It
