The Book of Opposites Chloe Campbell, 2014 This book is a book of opposites It is a work of fiction and tells the true story of my own life from the age of five at convent boarding schools to the present day In between it tells of love and death and suicide of murder and addiction and catastrophic breakdown But mostly it tells of love and isolation The story takes place in Cornwall in a small village by the sea where I spent most of my life It tells the story of Rachel and her two children Four years after her husband s death because of cancer she meets and falls in love with a Catholic priest This love story then becomes a brutal obsession and bears witness to the complete disintegration of her mind and it takes her to the edge of madness Everything has an opposite good and bad evil and redemption This book also contains passages regarding astrology and Greek mythology and of animals and birds that continually speak to Rachel and warn her of her downfall These passages are meant to convey a sense that Rachel is pursued by her demons from the start They are playful and enigmatic but also dark and spiteful a kind of childlike adult magic

Opposite World Elizabeth Anne Martins, 2025-11-11 Memories are malleable dreams are a battlefield and reality is a shifting landscape Think Inception meets Dark Matter with echoes of Eternal Sunshine of the Spotless Mind and the unsettling corporate dystopia of Severance Piper Pip Screed remembers nothing about her mother s mysterious death or the strange episode that left her in a deep unexplained sleep All she knows is that her father uprooted them to a secluded mountain cabin severed all ties to the outside world and refuses to answer her questions Fifteen years later Pip escapes isolation and discovers The Reverie Cloud a revolutionary sleep therapy program that merges the subconscious with virtual reality Here users can experience their desires confront fears and rewrite their pasts in a dreamscape indistinguishable from reality But when The Reverie Cloud falls into the hands of those who see her subconscious as a prize Pip becomes ensnared within its unstable architecture Now locked inside the program she must navigate its mercurial layers face the horrors buried within her subconscious and unravel the truth about her past before time runs out Worse she s not the only one at risk her father s life hangs in the balance too But the deeper Pip ventures the more dangerous the game becomes If she pushes too far she may never escape Yet only by confronting the truth can she hope to uncover what really happened to her mother before the program consumes her entirely Blending science fiction with psychological horror surreal fantasy and an aching tremor of human longing OPPOSITE WORLD is an exploration of memory identity and the thin divide between perception and reality FLAME TREE PRESS is the imprint of long standing Independent Flame Tree Publishing dedicated to full length original fiction in the horror and suspense science fiction the award winners and exciting original voices Learn more about Flame Tree Press at www.flametreepress.com and connect on social media FlameTreePress

The Opposite of Love Julie Buxbaum, 2008-01-29 With perfect pitch for the humor and heartbreak of everyday life Julie Buxbaum has fashioned a heroine who will be instantly recognizable to anyone who has loved and lost and loved again When successful twenty nine year old Manhattan attorney Emily Haxby ends her happy relationship just as her boyfriend is on the verge of proposing she can t explain to even her

closest friends why she did it Somewhere beneath her sense of fun her bravado and her independent exterior Emily knows that her breakup with Andrew has less to do with him and more to do with her You're your own worst enemy her best friend Jess tells her It's like you get pleasure out of breaking your own heart As the holiday season looms and Emily contemplates whether she made a huge mistake the rest of her world begins to unravel she is assigned to a multimillion dollar lawsuit where she must defend the very values she detests by a boss who can't keep his hands to himself her Grandpa Jack a charming feisty octogenarian and the person she cares most about in the world is losing it while her emotionally distant father has left her to cope with this alone and underneath it all fading memories of her deceased mother continue to remind her that love doesn't last forever How this brave original young heroine finally decides to take control of her life and face the fears that have long haunted her is the great achievement of Julie Buxbaum's marvelous first novel Written with the authority grace and wisdom of an author far beyond her years *The Opposite of Love* heralds the debut of a remarkable talent in contemporary fiction

Reid, 2020-05-12 This gripping memoir about what it means to face uncertainty details the plans Janine had for her family and her life that were gutted by her then 10-year-old son Mason's diagnosis of a cancerous brain tumor only to be followed by her own cancer diagnosis All Janine Urbaniak Reid ever wanted was for everyone she loved to be okay so she might relax and maybe be happy Her life strategy was simple do everything right This included trying to be the perfect mother to her three kids so they would never experience the kind of pain she pretended not to feel growing up What she didn't expect was the chaos of an out-of-control life that begins when her young son's hand begins to shake and he is diagnosed with a brain tumor at age 10 This moving memoir is the story of Janine's reluctant journey beyond easy answers and platitudes She searches for a source of strength bigger than her circumstances only to have her circumstances become even thornier when she is diagnosed with breast cancer Drawn deeply and against her will into herself she discovers hidden reserves of strength humor and a no-matter-what faith that looks nothing like she thought it would *The Opposite of Certainty* is Brilliant breathtakingly honest and sometimes very funny account of marriage motherhood and the unfathomable salvation we find in God An unvarnished look at defying the gravity of challenging life circumstances The recognition that anyone can tap a source of strength inside themselves to walk through the impossible Beautifully written and deeply hopeful Janine shows us how we can come through impossible times transformed and yet more ourselves than we've ever allowed ourselves to be *Playing with Picturebooks* C.
