The Lost Art of Resurrection Freddy Silva,2017-01-27 Reveals the radical ancient practice of living resurrection in which initiates ritually died and were reborn into a state of higher consciousness Explores living resurrection initiation practices from world cultures including Egyptian Greek Gnostic Chinese Celtic and Native American traditions Describes the secret chambers and temples where Mystery Schools practiced raising the dead Shows why this practice was branded a heresy and suppressed by the Church More than two thousand years before the resurrection of Jesus initiates from spiritual traditions around the world were already practicing a secret mystical ritual in which they metaphorically died and were reborn into a higher spiritual state During this living resurrection they experienced a transformative spiritual awakening that revealed the nature of reality and the purpose of the soul described as rising from the dead Exploring the practice of living resurrection in ancient Egyptian Phoenician Greek Persian Indian Japanese Chinese Celtic and Native American traditions Freddy Silva explains how resurrection was never meant for the dead but for the living a fact supported by the suppressed Gnostic Gospel of Philip Those who say they will die first and then rise are in error If they do not first receive the resurrection while they live when they die they will receive nothing He reveals how these practices were not only common in the ancient world but also shared similar facets in each tradition initiates were led through a series of challenging ordeals retreated for a three day period into a cave or restricted room often called a bridal chamber and while out of body became fully conscious of travels in the Otherworld Upon returning to the body they were led by priests or priestesses to witness the rising of Sirius or the Equinox sunrise Silva describes some of the secret chambers around the world where the ritual was performed including the so called tomb of Thutmosis III in Egypt which featured an empty sarcophagus and detailed instructions for the living on how to enter the Otherworld and return alive He reveals why esoteric and Gnostic sects claimed that the literal resurrection of Jesus promoted by the Church was a fraud and how the Church branded all living resurrection practices as a heresy relentlessly persecuting the Gnostics to suppress knowledge of this self empowering experience He shows how the Knights Templar revived these concepts and how they survive to this day within Freemasonry Exploring the hidden art of living resurrection Silva shows how this personal experience of the Divine opened the path to self empowerment and higher consciousness leading initiates such as Plato to describe it as the pinnacle of spiritual development

KIRKUS REVIEW
A collection of insights into the esoteric meanings of ancient Egyptian religious and spiritual practices
This extraordinary book the product of extensive research by author and Rosicrucian lecturer de Motte
The Grail Quest 2003 is ideal for readers who want to go beyond ancient Egypt's pyramids artifacts and mummies
Here in highly readable form the author presents the broad outlines of the ancient Egyptian spiritual belief system from the founding cosmology of a watery amorphous pre-creation mass to the rise of Ra Osiris Isis Horus and Seth and on to the highly developed use of symbols as keys to mystic truths comprehended only by a chosen few
Why do ancient Egyptian renderings of human figures have bird heads
The book gives the answer
They depict among other things the soul in flight freed from an earthly cage and able to access other realms of reality
The book also explains how the scarab an insect that stores balls of dung to feed its offspring is intimately linked to the mighty sun god Ra who must successfully pass through the underworld each night
One of the book's main themes is the notion that in every age there's a body of secret knowledge about life death and the afterlife known only to initiates and never preached or recorded
That knowledge is passed on exclusively by word of mouth over the millennia lest it fall into the hands of those who would abuse it
In the Egyptian model the priestly class served this function in so-called mystery schools with elaborate pageantry
Although de Motte's prose is highly readable some readers may find this a difficult book to absorb
The author presents a very large amount of information here and readers not well acquainted with his topic may find it necessary to re-read it to keep from getting lost
Only bona fide Egyptologists can render scholarly judgment on de Motte's dazzling pages but neophytes will appreciate the author's liberal citation of experts even when he doesn't agree with them
An impressive work that brings light to a mysterious ancient culture

The Seven Great Mysteries of the Mystic Brotherhoods Ron MacFarlane, 2020-07-02 **The Christ Mysteries: the Return of the Mystery Schools** Susan Andersen, 2018-12-10

The Christ Mysteries are a School for souls as they evolve to divinity and godhood
Two Masters of these Mysteries have been teaching in the world in this era from 1959-2018
His Divinity Maharishi Mahesh Yogi and Avatar Master John Douglas
Maharishi's Vedic knowledge and the Christ Mysteries are both about the transformation of the human vehicle to hold more light and higher consciousness
The Christ Mysteries take up where the Vedic Mysteries leave off
Previous books have recounted the relationship of the tasks of these two Masters such as Avatar Master John Douglas and the Truth of Matter
Vedic Civilization the Kingdom of God on Earth The Love of God's Love the Final Step of Enlightenment The Way the Avatars Evolve the Human Race and The Christ in Our Time
The Mystery Schools are returning now but in a different form
Physical places are no longer needed as locations for Mystery Schools because the souls coming to earth now

are advanced and only need to be in the presence of the Avatar Masters in the inner planes The teaching is private at this stage of soul initiation Christ is not the head of an historical church he is the Universal Logos the Divine Teacher who comes in many incarnations to evolve the souls Each incarnation is for a different purpose The Christ Mysteries are available on the CDs of Avatar Master John Douglas a beginning portal to working with him on higher planes **Hidden Mysteries** Joshua David Stone,1996-12-12 The Essenes the Kahunas of Hawaii Pan and the nature kingdom the angelic kingdom the Vedas and Upanishads the Kabbalah the Yoga sutras of Patanjali the Egyptian mysteries and The Keys of Enoch These profound spiritual teachings unknown to so many on our planet are a valuable resource to anyone wishing to move further along the path to enlightenment and ascension This book contains a wealth of information on esoteric teachings from the ancient mystery schools to the recently founded religions More than a mere retelling of well known facts the story begins with what may be the most elusive knowledge of our time that of the extraterrestrial presence on Earth **The Road to Eleusis** R. Gordon Wasson,Albert Hofmann,Carl A. P. Ruck,2008-11-25 Unlock the secrets of the Eleusinian Mysteries A deep exploration of secret rites psychedelic sacraments and spiritual revelations that captivated ancient Greek society for nearly two millennia Uncover the evocative history of The Road to Eleusis Once held in hushed whispers the Eleusinian Mysteries were a series of secret rituals and initiations in honor of the goddesses Demeter and Persephone They stood as an enigmatic cornerstone of ancient Greek spirituality capturing imaginations and fevered intrigue for close to two millennia But beneath the veils of tradition and ceremony lay a potent secret First unveiled in this book s controversial 1978 release a groundbreaking trio a mycologist chemist and historian proposed a radical theory the sacred potion imbibed during these clandestine rites was infused with a potent psychoactive entheogen This was not just a challenge to conventional interpretations it was a revolutionary reframe of the role that naturally occurring psychedelic drugs have played in spiritual rituals and rites since time immemorial The Road to Eleusis goes beyond dissecting ancient rites it charts how the authors reshaped our modern understanding of entheogens role in spiritual ceremony revealing facets of the Mysteries previously thought lost to history The authors share intriguing new insights on experiential religious practices perspectives on the healing potential of psychedelics and how and why the secrets of the Mysteries were deliberately concealed The book s revelations reach beyond the scholarly into legal social and spiritual realms all while recasting everything we thought we knew about the rites and rituals of Hellenic cults and expanding our understanding of foundational tenets of Western philosophical and spiritual thought This 30th anniversary edition brings with it an enlightening preface by religious luminary Huston Smith and a renewed exploration of the chemical findings by Peter Webster It powerfully argues for a reimagining of Western religious history and the transformative magic of entheogens **The Great Kings, Mystics, Initiates Were in the Mystery Schools of Egypt** Marcia Batiste,2014-07-15 The great kings mystics initiates were in the mystery schools of Egypt and through these mystery schools we received our greatest benefactors as well as in the East **The Ancient Mystery**
