

“The Lost Children Being Found”

An Inspirational Message for those who support
[the Family Bible Preservation Project](#)

An interesting account, below, found on FamilySearch Memories an account of a “Lost Infant”
we find accounts and stories like this again and again on the [Family Bible Preservation Project](#).

May each one of you know the importance of the work you do - - and the significance in the eternal perspective
as we ensure one of God’s little children is remembered now and in the eternities . .

[Name withheld]

I found a baby this week. He’d been lost for 161 years. And it’s only because of the Forman Family Bible that I’m confident he belongs in our family.

You’ll recall that we learned from the family names listed in the bible that the “L” in Samuel L. Forman’s name stood for “Longstreet.” So I wasn’t immediately surprised to happen upon a death record for Samuel Longstreet Foreman. Until I read that he died at age 14 months in 1857. Ancestry.com only had the indexed details, but FamilySearch.org had an image of the actual document (shown above.) No parents are listed for this baby. The original SLF is named after his mother’s father (Samuel Longstreet.)

So who would be likely to name a child Samuel Longstreet Forman in 1856? Wouldn’t it be logical that the son of Samuel Longstreet Forman would give that name to his son, possibly his first-born son?

Samuel L. Forman had 2 sons: William Lake and Isaac E. In 1856, Isaac was only 15 years old, but William Lake had been married to Amanda Orilla McAllister since 1853. That date is fairly new since I only found their marriage date in a newspaper record in the past year or two.

Lost And Found The Search For My Family:

Lost and Found Stephen A. Richardson, 2001 *Lost and Found* Troy Dunn, 2003 If you are among the millions of people who are looking for someone from your past you are about to embark on an exciting journey Perhaps your search is one of the big five most common search categories adoptee birth parent lost love old friend or military buddy Or you may be searching for a past co worker former neighbor childhood friend This book contains the strategies and information you will need to complete your search as quickly and simply as possible *Lost and Found* Betty W. Taylor, 2007-12-26 There is no available information at this time **Lost and Found** Babette Hughes, 2015-10-13 Lost and Found is a story of the struggle to survive and transcend murder secrets and abandonment It is the story of a family captured by its own bloody history and ultimately a triumphant tale of Babette's step by step passage from an ill starved and dark destiny to selfhood freedom and a transported life *Family Lost and Found* Drew Bridges, 2006 What does a person have to do to find out certain family secrets Would life then make a little more sense Maybe there are no big bad secrets How do you know unless you look John Randt grew up in suburban Ohio the only child of loving and capable parents They gave him a childhood that was orderly Only when he went away to college did he discover that not every family in America would write the date of purchase on fresh raw eggs so each could be used in the order it was bought In the Randt household nothing was ever spoiled lost or out of place It was perhaps inevitable that he would become interested in people with messy lives At length this would take him on a trip of discovery that included a southern community in the process of losing its own particular character and the last remnants of its innocence He found himself involved with a one hundred year old family mystery met a race car driving female cousin and a cast of other unforgettable characters He ultimately found more than he sought **Missing Persons** Gayle Greene, 2017-10-18 Missing Persons is a memoir about dealing with death in a culture that gives no help As the last of her family Greene's losses are stark first her aunt then her mother in quick succession She is as ill equipped for the challenges of caring for a dying person at home as she is for the other losses long repressed that rise to confront her at this time the suicide of her younger brother the death of her father As the professional identity on which she's based her selfhood comes to feel brittle and trivial she is catapulted into questions of who am I and what have I done with my life The memoir is structured as an account of her mother's and aunt's final days and the year that follows a year in which she reconstructs her life This is a powerful story about family what it means to have one to lose one never to have made one and what if anything might take its place It's the story of a vexed mother daughter relationship that mellows with age It is also a search for home as the very landscape shifts around her and the vast orchards are dug up and paved over for tract housing strip malls freeways and the Santa Clara Valley once known as the Valley of Heart's Delight is transformed to Silicon Lost & Found Betty Jean Lifton, 2009 Explores the obstacles and issues that adoptees orphans and foster children face when they have been separated from a parent or denied the right to know their origins Amanda Brook Celar's of a Not so Civil War Amanda

Brook Celars,2016-04-25 Based on a true story the book tells of an English womans travels and experiences in the former Yugoslavia during the vicious fighting that saw its breakup After the failure of her first marriage in 1987 she moves to Amsterdam and there she meets and falls in love with Ilija Celar They travel to pre war Osijek and there Amanda experiences Serbian culture relates humorous anecdotes explores Kopacki Rit and other parts of Croatia Following the election of Franjo Tudjman in 1990 Amanda and Ilija are made aware of the increasing tensions and are horrified by Croatian friends talking about racial purity Following a sinister visit from paramilitaries to their home they appeal to Josip Reihl Kir the Osijek Police Chief who tries to reassure them Tragically he is later ambushed and murdered by Croatian extremists After witnessing the burning of Serbian and dissident Croatians books maps and paintings on the local piazza Ilija receives a warning from a friendly policeman that he is on a death list He and Amanda flee in the middle of the night to Baranja where Ilija becomes very involved in the defence of the villages and is one of the original 19 fighters Fighting erupts in Beli Manastir on the night of the 19th August 1991 Meanwhile in London Amanda joins the Serbian Lobby with Prince Tomislav Michael Lees and other prominent figures She hurriedly returns to Baranja in October 1991 after receiving the news that Ilija is wounded The story tries to convey the terror so many Serbians felt when they heard Tudjmans Ustasha rhetoric and symbols he reintroduced from the Ustasha fascist regime of WW2 Then comes the nightly terror of the shelling attacks from Osijek the arrival of refugees and the harsh conditions the people of Baranja must endure during these months Tragedy to Triumph: a Memoir

April Faith Larrinaga,2011-08-10 The story of Tragedy to Triumph is especially dedicated to my brothers and sisters who suffered years of torment at the hands of a maniacal self proclaimed preacher who ultimately hurt his family beyond imagination Our father evaded the law for several years abandoning his eldest daughter in another state to live a life alone while holding the rest of the family captive Four adults at the end of the journey were directly responsible for the atrocities that befell the children Inside the home the children cried innocence was lost and hearts were broken This story also provides an insight into survival of the human spirit and rising above all indifference sharing the power of faith and miracles that happened in the midst of chaos One person can change the future for their family and ultimately stop the cycle of abuse This book was solely written in the hopes of saving lives **She Called Her Joy** Tamela Georgi,2021-04-21 Who are you The

mystery relative couldn t tell her She was adopted Tami had just discovered that she was a DNA match to a complete stranger They were related But how Tami s mother the family historian couldn t help either She had dementia It would lead Tami on an unbelievable journey of orphanages closed adoptions and family secrets She would learn that there are people who have never seen a blood relative who have no idea who they look like in this world And she would learn that a single choice you make can change the lives of generations to follow How to Live According to Grandpa John Reseck

Jr,2023-10-31 We are presented with several million options during our life that we have to make a choice between The choices we make create the way we see the world and establish how we live in it This environment which we have created for

ourselves is called our world Everyone has a world that is unique and personal to them Of course our worlds are based on assumptions that for one reason or another we choose to believe and call facts We are sure that what we believe takes precedence over everyone else s beliefs and that can make our world a bit of a challenge to live in at times I have decided to share my world with the rest of the world Not to convince anyone that my world is better than theirs but to share some of the things that I found helpful for the world at large In my eighty eight years as a well educated wonderer many of my assumed facts have been proven wrong I see that as progress a good thing The challenge is to be able to accept that one of your lifelong facts just isn t true I have only a few things that I learned that have stayed true so far and have been stabilizers in my world I think they can be of use to almost everyone and need sharing I am not writing this book to encourage you to think like me but rather to just think There are things changing all around you So many new things to learn So many new places to visit So many edges out there you haven t walked on yet No matter how intelligent you are your areas of vast ignorance are greater than your areas of knowledge There is so much to learn that when you throw your arms up and say I know nothing it will be true but it is okay Every other human on earth is in the same situation they just don t know it We have robots with Artificial Intelligence AI far beyond any human right now that are working for us What will happen when they decide we are too dumb and of no use to them I believe this could be a far greater threat to human survival than global warming What do you think and why

Zeyna Lost and Found Shafaq Khan,2025-09-09 In 1970 twelve year old Zeyna has grown up in London but has never quite felt like she fits in Her monotonous life is suddenly interrupted when Zeyna s parents decide to visit their native Pakistan where Zeyna feels she doesn t fit in either But then her parents disappear leaving behind a string of clues that connect them to an international jewel heist Along with her annoying little brother and her clever Pakistani cousin Zeyna sets out to find her parents and clear their names Along the way she discovers that being shaped by two cultures doesn t have to mean she s always an outsider

The Lord's Plan Kimberly Dismukes,2013-01-07 God is real This amazing true story brings to light that the Lord has a plan for each life before we are born The awesome power of prayer the miracles He performs and how He reveals Himself today are demonstrated in this book We are all Gods children and He loves every one of us

Summer of Lost and Found Rebecca Behrens,2016-05-24 From the author of When Audrey Met Alice comes a sweeping middle grade novel about a city girl forced to spend her summer in North Carolina where she becomes involved in a centuries old mystery turning her once boring vacation into an adventure she never could have imagined Nell Dare expected to spend her summer vacation hanging out with her friends in New York City That is until her botanist mom dragged her all the way to Roanoke Island for a research trip To make matters worse her father suddenly and mysteriously leaves town leaving no explanation or clues as to where he went or why While Nell misses the city and her dad a ton it doesn t take long for her to become enthralled with the mysteries of Roanoke and its lost colony And when Nell meets Ambrose a quirky historical reenactor they start exploring for clues as to what really happened to the lost colonists As Nell and Ambrose

s discoveries of tantalizing evidence mount mysterious things begin to happen And someone or something is keeping watch over their quest for answers It looks like Nell will get the adventurous summer she was hoping for and she will discover secrets not only about Roanoke but about herself *Family Treasures Lost & Found* Karen A. Frenkel,2025-03-12 How do you shatter the silence that muffles family stories when those who knew what happened are gone In *Family Treasures Lost and Found* journalist and daughter of Holocaust survivors Karen A Frenkel investigates her parents unspoken WWII stories Readers accompany Frenkel on her quest and discovery of how her resourceful parents survived on the run from the Nazis Her research leads to shocking revelations of one parent s trans Atlantic escape to Mexico and New York and how the other eluded capture throughout Eastern and Central Europe with false papers Having scoured online and real world archives and visited the relevant cities Frenkel honors her parents her sole surviving grandparent and her lost relatives who cease to be mere names and who she came to respect and love The tale Frenkel weaves is both personal and universal as we begin to feel that her family could be ours Frenkel also shares her refugee great grandparents rare and huge collection of stunning oil and pastel portraits photos and documents which were discovered in 1968 in garbage bags Most Holocaust families lost everything but these cherished artifacts reveal the Jewish assimilated culture in Krak w and Berlin that the Nazis obliterated Readers also join Frenkel on her visit to Vienna Krak w Tarn w and Lviv Ukraine where the action took place Such astonishing tales of survival resistance luck and loss have the power to captivate readers of all generations and backgrounds and inspire them to explore their own family histories *Internet Data Brokers* United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Oversight and Investigations,2006 **Lost and Found Family** Dani Haviland,2019-12-30 Sometimes it takes decades to find your true family but only a moment to lose them Separated at birth these twins find they have more than genetics in common they re both the target of killers who are willing to risk everything to take them out In the third book in That Twin Thing series the excitement keeps on going for Van Junior Cindy and everyone else they meet Was peace even possible *Helping Those Experiencing Loss* Robert J. Grover Professor Emeritus,Susan G. Fowler,2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources Grief caused by loss is both a very common human experience and a highly individualized one For example children experience a number of losses that are unique to their young age such as sibling and parent death adoption or divorce and should be given special consideration by professionals and parents helping them in these situations For gay lesbian or cohabiting heterosexual couples that suffer the loss of a partner societal standards often deny the survivors in these relationships the right to grieve *Helping Those Experiencing Loss A Guide to Grieving Resources* is a book like no other supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime as well as a comprehensive guide to the literature of bereavement and grieving It explains the grieving process interpreting the results of research on the topic in plain language

and addressing specific groups children young adults parents who have lost a child adults who have lost spouses and the aging population

Just Looking Back Michael Pilbro, 2015-07-21 In the year 1943 I might have seen some progress in the fight against Nazi Germany but bombs were still falling on the city in which I lived Amidst this chaos I entered the world on April 29 1943 and began a life which offered much variety and a fair degree of excitement The work in a government agency the years volunteering as a special police officer the several failed marriages and the finding of my birth family following my early adoption kept me extremely occupied for most of my life I soon began to learn what life was all about There were never any easy answers and I resented the suggestion that I was just lucky All I needed in my early years was admittedly some sweets and comics and sufficient entertainment to keep me happy Later life became harder and often decidedly unhappier This is perhaps where I should begin My life was amusing and sad in equal proportions but above all it represents a genuine account of a very average life lived by many in a very ordinary environment that seemed to answer more questions than were ever posed

Makes Me Happy Ian Horsewood, 2014-05-18 The 2014 Grade 8s at ATS know happiness And while they are not certified happiness experts they certainly are happy people who look at the world they live in positively and have nothing but uplifting things to say about the topic This book will help you become happier and see the world more optimistically And who doesn't want to be happier The words within this book are remarkable It's fun rejuvenating and good for you as a person it's an antidepressant Prozac for the soul Makes Me Happy looks at happiness from every different angle perspective and opinion With so much negativity in the world it's nice to know that some people still enjoy life and thankfully these young people have taken the time to share their thoughts and philosophies with us Make Me Happy will make you happy

Lost And Found The Search For My Family Introduction

In today's digital age, the availability of Lost And Found The Search For My Family books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lost And Found The Search For My Family books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lost And Found The Search For My Family books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lost And Found The Search For My Family versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lost And Found The Search For My Family books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lost And Found The Search For My Family books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lost And Found The Search For My Family books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lost And Found The Search For My Family books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lost And Found The Search For My Family books and manuals for download and embark on your journey of knowledge?
