

Luisa Miller

Jonathan Lewsey

Luisa Miller:

The Rough Guide to Opera Matthew Boyden, Nick Kimberley, 2002 Sketches of opera composers opera synopses and CD reviews **A Night at the Opera** Sir Denis Forman, 2011-10-05 Delightful and anti reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty three most popular operas recorded on compact disc from Cilea s *Adriana Lecouvreur* to Mozart s *Die Zauberflöte* For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of *Fidelio* is a bit of a mess while the last scene of *Don Giovanni* towers above the comic finales of *Figaro* and *Cos* and whether or not it is Mozart s greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is included as well as Operatica or the essential elements of opera from the proper place and style of the audience s applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come *Verdi in Victorian London* Massimo Zicari, 2016-07-11 Now a byword for beauty Verdi s operas were far from universally acclaimed when they reached London in the second half of the nineteenth century Why did some critics react so harshly Who were they and what biases and prejudices animated them When did their antagonistic attitude change And why did opera managers continue to produce Verdi s operas in spite of their alleged worthlessness Massimo Zicari s *Verdi in Victorian London* reconstructs the reception of Verdi s operas in London from 1844 when a first critical account was published in the pages of *The Athenaeum* to 1901 when Verdi s death received extensive tribute in *The Musical Times* In the 1840s certain London journalists were positively hostile towards the most talked about representative of Italian opera only to change their tune in the years to come The supercilious critic of *The Athenaeum* Henry Fothergill Chorley declared that Verdi s melodies were worn hackneyed and meaningless his harmonies and progressions crude his orchestration noisy The scribes of *The Times* *The Musical World* *The Illustrated London News* and *The Musical Times* all contributed to the critical hubbub Yet by the 1850s Victorian critics however grudging could neither deny nor ignore the popularity of Verdi s operas Over the final three decades of the nineteenth century moreover London s musical milieu underwent changes of great magnitude shifting the manner in which Verdi was conceptualized and making room for the powerful influence of Wagner Nostalgic commentators began to lament the sad state of the Land of Song referring to the now departed palmy days of Italian opera Zicari charts this entire cultural constellation *Verdi in Victorian London* is required reading for both academics and opera aficionados Music specialists will value a historical reconstruction

that stems from a large body of first hand source material while Verdi lovers and Italian opera addicts will enjoy vivid analysis free from technical jargon For students scholars and plain readers alike this book is an illuminating addition to the study of music reception *Italian Opera* David R. B. Kimbell,1991 David Kimbell traces the history of Italian opera from the Renaissance to the early twentieth century **Verdi** Frederick James Crowest,1897 *American Aria* Sherrill Milnes,2007-01-01 What s it like to grow up on a small farm in Illinois only to find yourself some 20 years later performing on the stage of the Metropolitan Opera House And then to travel the world singing in historic theaters from La Scala in Milan to Vienna Paris London and beyond Former Met star Sherrill Milnes tells all in this completely updated first time in paperback edition of his very successful biography Verdi in America George Whitney Martin,2011 The operas of Giuseppe Verdi stand at the center of today s operatic repertoire and have done so for more than a century The story of how the reputation and wide appeal of these operas spread from Western Europe throughout the world has long needed to be told This latest book by noted Verdi authority George W Martin Verdi in America Oberto through Rigoletto specifically details the changing fortunes of Verdi s early operas in the theaters and concert halls of the United States Among the important works whose fates Martin traces are Nabucco Attila Ernani Macbeth in its original version Luisa Miller and one of Verdi s immortal masterpieces Rigoletto denounced in 1860 as the epitome of immorality Martin also explores the astonishing revival of many of these operas in the 1940s and onward including Macbeth in its revised version of 1865 and the first American productions sometimes in small opera houses outside the main circuit of some Verdi operas that had never previously managed to cross the Atlantic Extensive quotations from newspaper reviews testify to the eventual triumph of these remarkable works They also reveal the crucial shifts in tastes and expectations that have occurred from Verdi s day to our own Publisher description

Verdi George Whitney Martin,1992 Limelight This book relates the life and experiences of composer Giuseppe Verdi from his birth in 1813 to his death in 1901 Besides documenting Verdi s life and the music he created it also goes further in discussing the times and culture in which he was living in 19th century Italy both socially and politically A complete life to death biography wonderfully comprehensive on both life and art wonderfully sensible and splendidly gotten up The Boston Herald The New Grove Guide to Verdi and His Operas Roger Parker,2007-02-26 Based on articles in the New Grove dictionary of opera *Strong on Music* Vera Brodsky Lawrence,1995-12-18 In this second volume of Strong on Music Vera Brodsky Lawrence carries into the 1850s her landmark account of the nineteenth century New York music scene Using music entries from George Templeton Strong s famous journals most published here for the first time as a point of departure Lawrence provides a vivid portrait of a vibrant musical culture Each chapter presents one year in the musical life of New York City with Lawrence s extensive commentary enriched both by excerpts from Strong s diaries and a lavish selection of little known music criticism and comment from the period The reviews written by an often truculent sometimes venal tribe of music journalists cover the entire world of music from opera to barrel organ salon to saloon In this New York operas

performed by renowned artists are parodied by blackface minstrel performances of the Philharmonic Society are drowned by the raucous chatter of flirtatious adolescents who turn concerts into a noisy singles hangout and irate critics trash the first performances of Verdi operas calling the plots indecent and the scores noisy and unmelodic In this volatile atmosphere a native musical culture is born its whose first faltering efforts are dubiously received and the first American composers begin to emerge

The Musical World ,1852 *Verdi: Man and Musician* Frederick James Crowest,2018-09-21 Reproduction of the original Verdi Man and Musician by Frederick James Crowest

Opera Production II Quaintance Eaton,2009-06 Opera Production II was first published in 1974 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions For the world of opera this is an indispensable basic reference work which provides essential information about more than 350 operas Producers singers directors students orchestras and audiences will find useful concise information in this handbook a sequel to the author s earlier book Opera Production I A Handbook which contains similar information about more than 500 other operas While the first volume concentrates on more familiar operas this book is devoted principally to lesser known works both old and new including many as yet unperformed contemporary operas The details given about each opera are those needed to assess the production requirements for a given work the number and importance of settings size of orchestra chorus and ballet number of singers their relative importance and individual requirements vocal and acting demands of performers including vocal ranges in most cases plot synopsis and brief historical material to anchor the reader in the necessary knowledge of the period and source of the libretto The information is compressed into capsule form so that anyone using the book can tell at a glance the suitability of a work to the particular facilities talents or tastes of an opera company or its public In addition to the reference material there is a chapter Production Problems in Handel s Opera by Randolph Mickelson a helpful feature since nine of Handel s operas are included and they are apt to pose special production problems

Verdi With a Vengeance William Berger,2010-06-23 Everything you could possibly know about Verdi and his operas from the brilliant and humorous author of Wagner Without Fear If you want to know why La traviata was actually a flop at its premiere in 1853 it s in here If you want to know why claiming to have heard Bjorling s Chicago performance of Il trovatore is the classic opera fan faux pas it s in here Even if you just want to know how to pronounce Aida or what the plot of Rigoletto is all about this is the place to look From the composer s intense hatred of priests to synopses of the operas and a detailed discography of the best recordings to buy it can all be found in Verdi with a Vengeance William Berger has given another improbable performance serving up a book as thorough as it is funny and as original as it is astute an utterly indispensable guide for novice and expert alike

The Smallest Grand Opera in the World Anthony Amato,2011-08-30 The Amato Opera Company has delighted music lovers throughout the years establishing an extraordinary artistic tradition in New York City Bill Clinton The Amato Opera theatre is a truly extraordinary New York cultural institution and it is a priceless addition to our

great City's music industry Rudolph W Giuliani Author Anthony Tony Amato produced full staged grand opera in New York City for 61 years Now Tony tells his story from his earliest childhood in Minori Italy immigration to the U S his early career in restaurant kitchens and as a butcher and the courtship of his beloved wife Sally when they were both young working singers The book goes on to describe how Tony and Sally created The Smallest Grand Opera in the World gaining international critical acclaim in the process The Smallest Grand Opera in the World is a story of the extraordinary will and effort of two people in an uncommon marriage and partnership It is a joyous story in which Tony willingly shares the secrets of why The Amato Opera was a success It is a how to book for the aspiring theatre professional as well as an inspiration for all who have ever dreamed of being a part of the miraculous world of opera

Victorian Vocalists Kurt Ganzl, 2017-09-29 Victorian Vocalists is a masterful and entertaining collection of 100 biographies of mid to late 19th century singers and stars Kurt Ganzl paints a vivid picture of the Victorian operatic and concert world revealing the backgrounds journeys successes failures and misdemeanours of these singers This volume is not only an outstanding reference work for anyone interested in vocalists of the era but also a compelling meticulously researched picture of life in the vast shark tank that was Victorian music

The Lure of Music Olin Downes, 1918 *The Real Traviata* René Weis, 2015-09-24 The Real Traviata is the rags to riches story of a tragic young woman whose life inspired one of the most famous operas of all time Verdi's masterpiece La Traviata as well as one of the most scandalous and successful French novels of the nineteenth century La Dame aux Camélias by Alexandre Dumas fils The woman at the centre of the story Marie Duplessis escaped from her life as an abused teenage girl in provincial Normandy rising in an amazingly short space of time to the apex of fashionable life in nineteenth century Paris where she was considered the queen of the Parisian courtesans Her life was painfully short but by sheer willpower intelligence talent and stunning looks she attained such prominence in the French capital that ministers of the government and even members of the French royal family fell under her spell In the 1840s she commanded the kind of paparazzi attention that today we associate only with major royalty or the biggest Hollywood stars Aside from the younger Dumas her conquests included a host of writers and artists including the greatest pianist of the century Franz Liszt with whom she once hoped to elope When she died Thophile Gautier one of the most important Parisian writers of the day penned an obituary fit for a princess Indeed he boldly claimed that she had been a princess notwithstanding her peasant origin and her distinctly demi monde existence And although now largely forgotten in the years immediately after her death Marie's legend if anything grew in stature with her immortalization in Verdi's La Traviata an opera in which the great Romantic composer tried to capture her essence in some of the most heart wrenching and lyrical music ever composed

Who's Who in Verdi Jonathan Lewsey, 2019-04-11 This title was first published in 2001 Concentrating exclusively on the dramatic content of Verdi's opera this text illuminates the characters and plot scenarios that inspired one of the greatest composers of opera Organized alphabetically the reference contains over 250 entries with synopses and first performance and cast details

The Athenaeum , 1858
