Gwen Stefani and No Doubt: Simple Kind of Life Jeff Apter, 2009-12-09 The eclectic Orange County band No Doubt was formed in 1986 by Eric Stefani and John Spence who soon recruited Eric's younger sister Gwen as co vocalist With the addition of Tony Kanal on Bass they launched a 20 year career that would fuse ska grunge alt rock and shades of several other musical genres into a unique mix The 1987 suicide of John Spence resulted in the battlefield promotion of Gwen to lead vocalist a shift that would prove a launch pad for her future solo career and media celebrity status Through it all No Doubt went from strength to strength and in 1995 following the departure of Eric Stefani finally found mainstream success when their third album Tragic Kingdom enjoyed over 15 million sales worldwide Since then this ska loving band from Southern California has flourished Despite a frequently changing line up and the potential distraction of Gwen's parallel solo career No Doubt have stayed true to their mission to be musical and visual innovators

Farm Life, 1919 Advances in Artificial Life Mathieu Capcarrere, Alex A. Freitas, Peter J. Bentley, Colin G. Johnson, Jon Timmis, 2005-09-19 The Artificial Life term appeared more than 20 years ago in a small corner of New Mexico USA Since then the area has developed dramatically many researchers joining enthusiastically and research groups sprouting everywhere This frenetic activity led to the emergence of several strands that are now established in themselves We are now reaching a stage that one may describe as maturer with more rigour more benchmarks more results more stringent acceptance criteria more applications in brief more sound science This which is the natural path of all new areas comes at a price however A certain enthusiasm a certain adventurousness from the early years is fading and may have been lost on the way The field has become more reasonable To counterbalance this and to encourage lively discussions a conceptual track where papers were judged on criteria like importance and or novelty of the concepts proposed rather than the experimental theoretical results has been

introduced this year A conference on a theme as broad as Artificial Life is bound to be very diverse but a few tendencies emerged First fields like Robotics and Autonomous Agents or Evolutionary Computation are still extremely active and keep on bringing a wealth of results to the ALife community Even there however new tendencies appear like collective robotics and more specifically self-assembling robotics which represent now a large subsection Second new areas appear **Philip Roth Considered** Steven Milowitz, 2015-12-22 This book comprehensively surveys Philip Roth's published and unpublished works focusing on the thematic unity which binds them together the memory of the Holocaust and the altered universe born of that memory The Holocaust is understood as the orienting event for Roth's fiction and non-fiction the force that surrounds the characters and the narratives at all times Roth's obsession with questions of the Holocaust questions of responsibility meaning and powerlessness explains his recurring discussion of entrapment dehumanization nihilism guilt and coercion The concentrationary universe of the title is defined in this work as not only the universe of camps but also the universe that exists after the devastation Moral and philosophical norms are revoked in this new world Roth's early works are presented on a desolate landscape The introduction explicates this landscape specifically by invoking an early play of Roth's a play which is set in a Jewish ghetto during the Holocaust This unpublished work introduces the historical period that shapes the visions of Roth's future protagonists The next three chapters study Roth's relentless excavation of the dilemmas of fathers mothers authority figures and the inner discord of need and purpose These seemingly quotidian problems are exacerbated and intensified by the Holocaust's shadowy presence No relationship no effort at fulfillment no action is untempered by history in Roth's varied fictions Chapters four and five look directly at Roth's allusions to the Holocaust They explore through each of Roth's works how the Holocaust thematic the play of ideology and nihilism and the Holocaust pattern the idea of the past encroaching upon the present work through Roth's career informing his readers not only of his fascination with the Holocaust but of his particularly human way of dealing with it The last chapter briefly summarizes the findings of the previous chapter and connects Roth's specific concentrationary universe to the larger world The linguistic clues of Roth's novels are revealed and investigated pointing to Roth's celebration of ambiguity and individuality as parts of an imperfect formula for writing and living in the debased aftermath of the Holocaust **Lost and Stranded** Sprinkle

Timothy, 2017-11-14 For anyone who spends time in the backcountry understanding not only what sorts of dangers you can run into out there but also exactly what those risks can do to you is part of being a smart well-informed outdoor traveler In *Lost and Stranded* author Timothy Sprinkle breaks down the perils that can befall hikers hunters and other outdoor enthusiasts There are animal encounters weather events lightning strikes parasites giardia biting insects bees wasps winter hazards avalanches natural disasters forest fires hypothermia dehydration disorientation and much much more to worry about Although these risks are generally well known what's less understood by many adventurers is what exactly happens to you when say you become malnourished in the backcountry What does it feel like How does the condition progress How long

do you generally have before the body shuts down What helps or hurts when you re fighting for survival Lost and Stranded will answer these questions and many more by taking an inside look at more than two dozen outdoor hazards Each one will include a narrative section that dramatizes the experience of a certain situation based on real world events From there information from expert sources medical doctors first responders wildlife experts and others will fill in the details around exactly how each scenario plays out on the ground followed by suggestions on how to avoid or survive each risk factor making this book is a vital resource for outdoor travelers

Carved in Stone Kate Douglas,2013-09-13 Archeologist and folklore expert Nate Murdock has discovered ancient stone carvings that will either revolutionize thinking in his field or get him laughed out of it entirely and he s hired world renowned photographer Alex Martin to document his find and bolster his claim When the alluring Alexandra Martin not Alex shows up for the job Nate s not sure whether to send her packing or take her into his arms Alexandra Martin the daughter of the famed photographer and just as talented with a camera is a dark haired and dark eyed beauty Years ago her father built his reputation on photographs he d stolen from her and she s out to prove once and for all that she s the real deal When the opportunity to work with the celebrated and ruggedly handsome Nate Murdock falls into her lap she jumps at the chance whether he likes it or not As tempers flare and accusations fly the two dig in for a battle of wills and an uneasy truce at their remote mountainside camp But when drug smugglers trap them in a cave and leave them to die Nate and Alexandra realize they must trust each other and the fiery passion growing between them and surrender to a mysterious force as it guides them through a perilous escape and the acceptance of a powerful love as primal and compelling as the mountain itself
