Macdonald His Life And World:

Macdonald Peter B. Waite,1975 **MACDONALD, HIS LIFE AND WORLD. ED.BY W.KAYE LAMB.** Peter Busby Waite,1975 *The John A. Macdonald Retrospective 2-Book Bundle* Ged Martin,2014-10-29 This special 2 book bundle contains a number of perspectives on a man who was arguably Canada s most famous political leader a figure of legendary proportions in the history of Canada s birth and development Ged Martin s biography tells Macdonald s story Shocked by Canada s 1837 rebellions Macdonald sought to build alliances and avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country s first prime minister He drove the Dominion s westward expansion rapidly incorporating the Prairies and British Columbia before a railway contract scandal unseated him in 1873 He conquered his drinking problem and rebuilt the Conservative Party to regain power in 1878 The centrepiece of his protectionist National Policy was the transcontinental railway but a western uprising in 1885 was followed by the controversial execution of rebel leader Louis Riel Although dominant nationally this popular hero had many flaws Macdonald at 200 presents fifteen fresh interpretations of Canada s founding prime minister published for the occasion of the bicentennial of his birth in 1815 Crisply written by recognized scholars and specialists the collection throws new light on Macdonald s formative role in shaping government promoting women s rights managing the nascent economy supervising westward expansion overseeing relations with Native peoples and dealing with Fenian terrorism A special section deals with how Macdonald has or has not been remembered by historians as well as the general public The book concludes with an afterword by prominent Macdonald biographer Richard Gwyn Macdonald emerges as a man of full dimensions an historical figure that is surprisingly relevant to our own times Includes John A Macdonald Macdonald at 200 **Macdonald at 200** Patrice Dutil,Roger Hall,2014-10-10 Here are fifteen fresh interpretations of Canada s founding Prime Minister published for the occasion of the bicentennial of his birth in 1815 Well researched and crisply written by recognized scholars and specialists the collection throws new light on Macdonald s formative role in our nation **Theology of George MacDonald** John R. de Jong,2021-01-01 George MacDonald 1824 1905 was writing at a time of Evangelical unease In a society ravaged by Asiatic cholera numbed by levels of infant mortality and fearful of revolution and the toxicity of industry to name but a few of the many challenges the gospel proclaiming eternal damnation for unbelievers was hardly good news rather Christianity was increasingly viewed as the source of bad news and a tool of state oppression MacDonald agreed in his view the church had become a vampire sucking the blood of her children instead of offering them Eucharistic life In contrast like Christ MacDonald offers us a child Although at first sight a familiar Romantic incarnation in MacDonald s theology the child becomes an unlikely icon challenging the vampire s kingdom and confronting the foundations of much of Western theology John R de Jong s meticulously researched study of MacDonald s work especially his realist and fantasy novels in its Victorian context is of more than historical interest In light of the growth

of fundamentalist expressions of Christianity we are encouraged to consider embracing MacDonald's radical solution to religious vampirism becoming children

The Canadian Department of Justice and the Completion of Confederation 1867-78 Jonathan Swainger, 2011-11-01 The federal Department of Justice was established by John A Macdonald as part of the Conservative party's program for reform of the parliamentary system following Confederation. Among other things it was charged with establishing national institutions such as the Supreme Court and the North West Mounted Police and with centralizing the penitentiary system. In the process the department took on a position of primary importance in post Confederation politics. This was particularly so up to 1878 when Confederation was completed. Jonathan Swainger considers the growth and development of the ostensibly apolitical Department of Justice in the eleven years after the union of 1867. Drawing on legal records and other archival documents he details the complex interactions between law and politics exploring how expectations both inside and outside the legal system created an environment in which the department acted as an advisor to the government. He concludes by considering the post 1878 legacy of the department's approach to governance wherein any problem legal or otherwise was made amenable to politicized solutions. Unfortunately for the department and the federal government this left them ill prepared for the constitutional battles to come. One crucial task was to establish responsibilities within the federal government rather than just duplicate offices which had existed prior to union. Others were the establishment of national or quasi national institutions such as the Supreme Court 1875 and the North West Mounted Police 1873 the redrafting of the Governor General's instructions which was done between 1875 and 1877 and centralization of the penitentiary system completed by 1875. The Department benefited from a deeply rooted expectation that law was both apolitical and necessary. This ideology functioned in a variety of ways it gave the Department considerable latitude for setting policy and solving problems but rationalized the appearance of politicized legal decisions. It also legitimized Department officials claim that it was especially suited to review all legislation advise on the royal prerogative of mercy administer national penitentiaries and appoint judges to the bench. Ultimately the fictional notion of law as apolitical and necessary placed the Department of Justice squarely in the midst of the completion of Confederation. The Canadian Department of Justice and the Completion of Confederation will be of particular interest to students and scholars of Canadian legal and political history.

The Unfinished Canadian Andrew Cohen, 2008-11-19 The award winning bestselling author of *While Canada Slept* gives his view of a country wasted on Canadians. What is national character? What makes the Americans the British the French the Russians and the Chinese who they are? In this homogenized world where globalization is a byword for a deadening sameness why do peoples who live in the same region use the same money read the same books and watch the same movies remain different from one another? As much as Canada may be seen as a copy clone or colony of America we are unquestionably distinctive. It is a result of our geography history and politics. It comes from our demography and prosperity. Most of all it comes from our character. In *The Unfinished Canadian* Andrew Cohen delves into our past and

present in search of our defining national characteristics He questions hoary shibboleths soothing mythologies and old saws with irreverence humour and flintiness unencumbered by our proverbial politeness itself a great misperception and our suffocating political correctness We are so much in so many shades and it's time we took an honest look at ourselves In this provocative passionate and elegant book Cohen argues that our mythology our jealousy our complacency our apathy our amnesia and our moderation are all part of the unbearable lightness of being Canadian *National Politics and Community in Canada* R. Kenneth Carty, W. Peter Ward, 1986 The authors in this collection challenge traditional notions of the minority and explore Canada's national political system and institutions as a unit **Canadian History: Confederation to the present** Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover *The Longest Boundary: How the US-Canadian Border's Line came to be where it is, 1763-1910 (Consolidated edition)* John Dunbabin, 2024-04-25 A consolidated eBook of Volume one and Volume two of *The Longest Boundary* by John Dunbabin These volumes are firmly based on primary sources but written in a way that should appeal to the general reader as much as to specialised historians Its chief actors are politicians and administrators but there is a range of others extending from First Nations chiefs to goldminers railway entrepreneurs prophets and policemen In the concluding chapter the book's general historical approach is supplemented by assessment of the main perspectives of international relations theory Finally attention is drawn to small anomalies created by the boundary line

Canadian Books for Young People/Livres canadiens pour la jeunesse, 3e Irma McDonough, 1980-12-15 This third completely revised edition contains hundreds of new entries for a total of almost 2 000 children's books and magazines carefully selected and described by a team of children's librarians Entries are arranged by subject with reading levels indicated where necessary and are also listed in a separate author title index A list of prize winning Canadian children's books and a basic book list for librarians teachers and parents are included in this charmingly illustrated volume *George MacDonald's Children's Fantasies and the Divine Imagination* Colin Manlove, 2020-01-01 The great Victorian Christian author George MacDonald is the well spring of the modern fantasy genre In this book Colin Manlove offers explorations of MacDonald's eight shorter fairy tales and his longer stories At the Back of the North Wind The Princess and the Goblin The Wise Woman and The Princess and Curdie MacDonald saw the imagination as the source of fairy tales and of divine truth together For he believed that God lives in the depths of the human mind and sends up from thence wonderful gifts into the light of the understanding This makes MacDonald that very rare thing a writer of mystical fiction whose work can give us experience of the divine Throughout his children's fantasy stories MacDonald is describing the human and divine imagination In the shorter tales he shows how the imagination has different regions and depths each able to shift into the other With the longer stories we see the imagination in relation to other aspects of the self and to its position in the world Here the

imagination is portrayed as often embattled in relation to empiricism egotism and greed **George MacDonald** Rolland Hein,2014-11-10 C S Lewis once remarked that his debt to George MacDonald s writings was almost as great as one man can owe to another I know hardly any other writer who seems to be closer or more continually close to the Spirit of Christ Himself Born in Scotland in 1824 MacDonald was educated at King s College in Aberdeen and Highbury Seminary in London As a Christian minister he indulged early his fondness and skill in the writing of poetry then fantasy and fiction as well as sermons Quickly becoming known for his literary skills he became a popular writer and lecturer counting among his friends and fans Lady Byron Alfred Lord Tennyson Mark Twain John Ruskin Matthew Arnold and Lewis Carroll who only published Alice s Adventures in Wonderland at the urging of the MacDonald family At the time of his death in 1905 he left behind a large volume of work that has had a profound influence on many writers including G K Chesterton C S Lewis J R R Tolkien Madeleine L Engle and Frederick Buechner This seminal biography is based upon a careful researching of thousands of letters written to and by MacDonald as well as personal papers and documents collected in museums and libraries in America and Europe A noted MacDonald scholar Rolland Hein spent over a decade reading and researching these documents with a view to exploring those aspects of the life and experiences of this great author and saint that have so profoundly influenced many of the seminal authors of the twentieth century **The Girl's Own Annual : Ч. 1** Коллектив авторов,2021-01-18

Native American in the Land of the Shogun Frederik L. Schodt,2013-06-15 The true story of a half Chinook half Scot adventurer who entered feudal Japan in 1848 and helped pave the way for its modernization How Japan after 250 years of self imposed isolation began the process of modernization is in part the story of Ranald MacDonald In 1848 this half Scot half Chinook adventurer from the Pacific Northwest landed on an island off Hokkaido Although promptly arrested and imprisoned for seven months in Nagasaki the intelligent well educated MacDonald fascinated the Japanese and became one of their first teachers of English and Western ways Based on primary research in Japan and North America this book chronicles the events leading to MacDonald s journey and his later struggle to obtain recognition at home Congressional Record United States. Congress,1976 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Gold Thread** William Raeper,2015-11-03 Both children s literature and fantasy literature have become established as genre for critical study in recent years especially in the United States As one of the outstanding children s authors of the nineteenth century and a pioneer of fantasy writing MacDonald has become the focus of increased attention As an acknowledged influence on many authors who came after him authors such as E Nesbit G K Chesterton C S Lewis W H Auden and T S Eliot MacDonald is one of the rare writers whose work is a starting point for evaluating the achievements of others New forms of critical theory Jungian psychoanalytic and

feminist turning towards the exploration of sexuality and the fantastic have also found fitting subjects in MacDonald's texts. This volume studies these developments and also the growing acknowledgment that MacDonald was a Scottish writer and a Victorian. His enduring works have been his children's books *At the Back of the North Wind*, *The Princess and the Goblin*, *The Princess and Curdie* and the fairy tales of *The Golden Key*. His two adult fantasy novels *Phantasties* and *Lilith* are now recognized as classics of their kind.

Summary of Helen Macdonald's *Vesper Flights* Milkyway Media, 2024-03-27 Get the Summary of Helen Macdonald's *Vesper Flights* in 20 minutes. Please note: This is a summary, not the original book. Helen Macdonald's *Vesper Flights* is a collection of essays that weave together personal memories, reflections on nature, and observations of wildlife. Macdonald's childhood fascination with birds and their nests leads her to explore the concept of home and the interconnectedness of humans and nature. She delves into the history of egg collecting and its social dynamics and shares her experiences working with falcon eggs, drawing parallels to her own premature birth.

John A. MacDonald Donald Creighton, 2018-06-11 First published in 1952 and 1955, John A. MacDonald's *The Young Politician* and *The Old Chieftain* remains a classic in Canadian arts and letters. Described as the greatest biography ever written in Canada, it earned Donald Creighton two Governor General's Awards. In 2013, the *Toronto Review of Books* recommended it to anyone who wished to become a better Canadian. In this book, Creighton examines the public and private lives of Canada's first prime minister, his victories and defeats, as well as his joys and pains. A gifted writer, Creighton takes the reader back in time to the nineteenth century, the road to Confederation, and the building of the railway. Along the way, he visits Kingston, Quebec, Charlottetown, Ottawa, and London, following his hero from a few rooms above his father's shop in Kingston to the corridors of power in England, including the magnificent Highclere Castle, where much of the British North America Act was written. This edition includes a new introduction by Creighton's biographer, Donald Wright, and by Peter Waite, Creighton's very first doctoral student.

Perceptions of Childhood in the Victorian Fin-de-Siècle Jennifer Sattaur, 2011-01-18 This book reads Victorian fin de siècle literature through the medium of perceptions of childhood. It examines the connection between monstrous and idealistic symbolic representations of childhood represented by key cultural discourses of the Victorian fin de siècle. Specifically, anxieties about change are linked closely to anxieties about childhood, procreation, and maturation in a range of children's and adults' texts from the 1860s to the 1890s. The book demonstrates the ways in which the emergent social movements which have come to define and represent change in the fin de siècle period were inherently concerned with the ideas of childhood and parenthood and the ways in which they represented both the promise and the threat of the future. The texts are arranged by theme and grouped according to whether they are seen primarily as intended for children or for adults. In texts intended for adult readers, images of childhood are more covert and more metaphorical than those texts aimed at child readers, in which overt pedagogical concerns are often brought to bear. Nothing embodies the idea of the future more than the children who stand as a bridge between now and then. This book analyses the connections between Victorian

perceptions of childhood and the anxieties and upheavals of the Victorian Fin de Si cle

Enjoying the Tune of Term: An Psychological Symphony within **Macdonald His Life And World**

In some sort of eaten by monitors and the ceaseless chatter of instantaneous conversation, the melodic splendor and emotional symphony created by the written word often disappear into the backdrop, eclipsed by the relentless noise and disruptions that permeate our lives. Nevertheless, set within the pages of **Macdonald His Life And World** an enchanting fictional value filled with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by an elegant composer of language, that interesting masterpiece conducts visitors on a psychological trip, skillfully unraveling the hidden melodies and profound influence resonating within each cautiously constructed phrase. Within the depths with this emotional evaluation, we will investigate the book is key harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Macdonald His Life And World Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Macdonald His Life And World PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the

information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Macdonald His Life And World PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Macdonald His Life And World free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Macdonald His Life And World Books

What is a Macdonald His Life And World PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Macdonald His Life And World PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Macdonald His Life And World PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Macdonald His Life And World PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Macdonald His Life And World PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can

go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
