

MANSFIELD ON MACHIAVELLI

Harvey C. Mansfield: *Machiavelli's Virtue*. (Chicago: University of Chicago Press, 1996. Pp. xvi, 371. \$29.95.)

Harvey C. Mansfield and Nathan Tarcov, translators: *Niccolo Machiavelli: Discourses on Livy*. (Chicago: University of Chicago Press, 1996. Pp. liii, 367. \$34.95.)

There have been in the last hundred years two landmark works in the English language in the textual study and translation of Machiavelli's books. The first was A. L. Burd's edition of *Il Principe* (1891) with Lord Acton's famous Introduction. The second was Father Leslie Walker's two-volume translation of the *Discourses* (1950). Though the translation was unsatisfactory in spots, his unsurpassed critical apparatus, forming the second volume of over 400 pages, more than made up for the deficiencies of the translation. Now comes the Mansfield-Tarcov translation of the *Discourses* which deserves to be considered the third landmark of its kind in the English language.

There are two main reasons why this should be so. The first is the quality of the translation itself, especially its literalness. Some readers, especially those accustomed to Allan Gilbert's 1965 translation of the *Discourses*, may find the present translation a bit stilted in places. But readable as Gilbert is, he left a lot to be desired when it came to the philosophical meaning of terms and nuances of thought. And to read the *Discourses* without a full understanding of the meaning and the nuances is to read it but superficially. The Mansfield-Tarcov translation has now removed the basis for such reading. The second reason is the Glossary of terms and the Index to proper names. These scholarly aids, normally consigned to the rank of humble adjuncts to learned works, play, in the present case, a proud and indispensable role. They lend a much needed helping hand in tackling a work like the *Discourses*. The Glossary (pp. 311-49) gives complete references to each of the important word used in the book. The reader can quickly check all the locations where a particular word is used. The Index of proper names (pp. 349-67) gives not only the dates but also the locations where the person in question is mentioned. Readers of the *Discourses* often feel intimidated by the breadth and the details of Machiavelli's knowledge of history. It is often very difficult to follow an argument unless the reader has a good idea of its historical context, the persons involved, and the issues alluded to. Few readers, certainly not the beginners, have the necessary information readily available to them, such that they are likely to follow the line of least resistance and skip difficult sections altogether. The need for such skimpy reading has now been removed, and scholars everywhere, and not only in politics but also in other disciplines such as history, Renaissance studies, and classics should be grateful to our thoughtful translators.

Machiavelli's Virtue is a collection of essays and articles, most of which had been published elsewhere. Individually they address specialized issues, but together they represent what Mansfield has to say on Machiavelli

Machiavellis Virtue Introduction

In the digital age, access to information has become easier than ever before. The ability to download Machiavellis Virtue has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Machiavellis Virtue has opened up a world of possibilities. Downloading Machiavellis Virtue provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Machiavellis Virtue has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Machiavellis Virtue. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Machiavellis Virtue. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Machiavellis Virtue, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Machiavellis Virtue has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Machiavellis Virtue Books

What is a Machiavellis Virtue PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.
