overtly modern perspective on the legend intruding and even commenting on the tale of King Arthur Shifting from an idealistic utopia to a silly place the myriad notions of Camelot offer a look at the importance of myth in American popular culture Author Megan Woller s approach rooted in the literary theory of scholars like Linda Hutcheon highlights the intertextual connections between chosen works and Arthurian legend In so doing *From Camelot to Spamalot* intersects with and provides a timely contribution to several different fields of study from adaptation studies and musical theater studies to film studies and Arthurian studies
