t expect to find it By chance and brave discovery these teenage explorers find a buried old train track in the middle of nature It s a relic from a long time ago that time seems to have forgotten The thick bushes that line this path not only add to the mystery but they also show the line between the magical and the normal a gateway that only the purest hearts can pass through A whistle tells everyone that a train is coming that no one saw coming while the kids rake up the grass Not just any train it s a work of art with its bright and sparkling look that captures the mind People see the train with its magical energy and endless cars stretching beyond sight as a symbol for the endless possibilities that lie ahead It encourages kids and adults to explore a world where strange things become normal and where people can have experiences that go beyond what they know Like many young people the kids decide to get on the train because they are naturally curious and want to try new things This is a very important time for them because they are leaving the safety of their known world and going into the wide unknown With its beautiful and ethereal look the train becomes a way to travel that is only bound by the imagination letting people go on adventures that aren t possible in real life It s a story about how everyone wants to discover new things and learn more about the world The Discovery is the beginning of an epic story that seems to be both a look into the characters personal lives and a trip through magical realms If you keep reading the story will take you further into the world of mystery adventure and the never ending search for growth and knowledge This introduction is so well written that it makes you feel the wonder of finding the courage needed to go into the unknown and the amazing journey that starts when you dare to dream beyond the lines of a map This chapter is more than just the start it encourages readers of all ages to remember the thrill of discovery and the joy of setting out on a trip to see the world from a different point of view instead of just going to one place Chapter 2 The Forest of Whispers The Forest of Whispers takes readers to a strange place where nature and people s hearts mix making it hard to tell what is miraculous and what is possible This chapter takes place in a train car and shows a beautiful green landscape full of natural sounds It s like the forest not only lives but also talks and whispers to its visitors In this book magical realism is used to create a world where animals and trees speak out loud in the quiet of nature and offer advice and education through their ancient knowledge The setting emphasizes the balance between people and nature which modern society often overlooks or forgets and it connects strongly with the idea of being connected The meeting with the lost fox is a moving part of the story that turns an exciting trip into a chance to teach compassion empathy and empathy This part of their journey isn t just about going through a magical forest it s also about learning more about what makes us human The kids learn firsthand how their actions no matter how small or unimportant they may seem affect other people by helping the fox This act of kindness is a powerful reminder of how important it is to listen with both ears and minds to the needs of everyone and everything around us including people and animals Also when they say goodbye the kids get a symbolic gift from the forest a leaf that whispers words of support giving them strength and confidence These leaves are more than just greenery they stand for the forest s knowledge and protection reminding the animals that they are

never really alone even when they are in danger This part of the story shows what the forest s magic is all about how it can help comfort and connect people      Crisanta Knight: The Severance Game Geanna Culbertson,2016-12-06 I m the girl who wants to be strong in a world where everyone thinks I m weak A lot of questions ran through my head as I desperately clung to the roof of a magic train crossing over a gaping canyon Like How did I get here What could I have done to avoid this fate And did I remember to shave my underarms before coming on this quest But even after taking on a witch in a gingerbread house bloodthirsty actors and a whole mess of magic hunters and other fairytale shenanigans the biggest most pressing question pulsing through my brain as my fingers started to slip and my enemy bore down on me was this Could I really trust the person whose life I d ruined to keep me from falling With antagonists closing in inner demons threatening to consume me and vivid nightmares chewing up my soul every time I shut my eyes I was running out of options I knew the moment to decide whether or not I could truly trust any of my friends was fast approaching But my head and heart were stuck For just like the precarious position I now found myself in the pain of holding onto the path I d chosen thus far was outmatched only by the worry I had over gulp letting it go Readers love Crisanta Knight I love this story it brings out the inner princess in me The main character reminds me of Merida from Brave due to her personality I also have my fingers crossed that at some point she makes a guest appearance One More Chapter Blog The worldbuilding continues to be amazing Pages Full of Stars If you like reading books full of action magic and a strong heroine this is the one for you Crazy Cat Books Trust self discovery and friendship were definitely the defining factors of this novel with a great emphasis on trust The Unicorn Reader YouTube The Crisanta Knight series Book 1 Protagonist Bound Book 2 The Severance Game Book 3 Inherent Fate Book 4 The Liar The Witch Book 5 to be released in April of 2019 To Death Back      **All About Transportation Gr. 2 ,**
