Magic Of Mergers The Saga Of Meshulam Ri:

Encyclopaedia Judaica Fred Skolnik,2007 Provides an exhaustive and organized overview of Jewish life and knowledge from the Second Temple period to the contemporary State of Israel from Rabbinic to modern Yiddish literature from Kabbalah to Americana and from Zionism to the contribution of Jews to world cultures The Magic of Mergers Oscar Schisgall,1968 THIS is an adventure story adventure in American business during an unprecedented era of multimillion dollar mergers It is also a biography since it deals with the career of an extraordinary businessman Meshulam Riklis If his rise were marked on a chart it would show a climb in a single decade when he was still in his twenties and thirties from nothing to the summit of a tremendous industrial complex Then abruptly there would be a precipitous dip And immediately afterward the line would trace a steep climb to heights loftier than ever Those who say the good old days are gone that in the current state of our society no one can ever again become a millionaire that no one can hope to compete with established Big Business A career like that of Meshulam Riklis vividly demonstrates that all such negative observations are untrue It is just as feasible to amass millions today as it has always been Only the methods have changed In fact we now have more millionaires than ever before This can indeed be called a golden age for acquiring fortunes
