*The Connecticut School Journal* ,1901      **The Normal Magazine** ,1910      *The Overland Monthly* ,1915      *Mysterious Mozart* Philippe Sollers,2010 Both a beguiling portrait of the artist and an idiosyncratic self portrait of the author Mysterious Mozart is Philippe Sollers s alternately oblique and searingly direct interpretation of Wolfgang Amadeus Mozart s oeuvre and lasting mystique audaciously reformulated for the postmodern age With a mix of slang abstractions quotations first and third person narratives and blunt opinion French writer and critic Philippe Sollers taps into Mozart s playful correspondence and the lesser known pieces of his enormous repertoire to analyze the popularity

and public perceptions of his music Detailing Mozart's drive to continue producing masterpieces even when saddled with debt and riddled with illness and anxiety Sollers powerfully and meticulously analyzes Mozart's seven last great operas using a psychoanalytical approach to the characters' relationships As Sollers explores themes of constancy prodigy freedom and religion he offers up bits of his own history revealing his affinity for the creative geniuses of the eighteenth century and a yearning to bring that era's utopian freedom to life in contemporary times What emerges is an inimitable portrait of a man and a musician whose greatest gift is a quirky companionability a warm and mysterious appeal that distinguishes Mozart from other great composers and is brilliantly echoed by Sollers's artful tangle of narrative *Overland Monthly* Bret

New,2013-05-07 For 2000 years the Bible has provided evidence and witness for the beliefs of three major world religions Some consider the Bible dangerous while others have died for it but the response to the Bible is always passionate This book relates the story of such passions from the Roman Empire to the present It is a story primarily about individuals the drama of their lives woven into the tapestry of their times barbarian invasions Black Death Waldensian heresy the pageantry of medieval romance the debauchery of the medieval Vatican the spirit of the Renaissance the tradition of monk and scholar All of these historical currents influenced the text now corrupted and distorted and existing in a confusing number of versions This book tells how today's Bible came to be what it is and provides an understanding of the richness of its text **Footsteps that Echo**

**Forever: My Holy Land Pilgrimage** Dave Armstrong,2015-03-07 To travel to Jerusalem or other places where the events of the Bible and life of Jesus took place is not merely like any other trip A Christian literally receives grace and becomes closer to God as a result This book is a type of adventure narrative or spiritual odyssey a firsthand report of what it felt like for our party of five as we traveled to all these holy sites in Israel I will also be detailing some of the exciting archaeological discoveries that have been occurring in Israel and Jordan and almost literally revolutionizing the field of biblical archaeology and utilizing scriptural references to relate the places we visit to biblical history along with the occasional exposition of the text My hope is that a lively sense of the pilgrimage can be directly conveyed to the reader For those particularly who may never be able to visit the Holy Land the goal is to make our pilgrimage come alive for you so that you can experience something of what we felt
