

Story Magic

A whimsical illustration of a young girl with long brown hair, wearing a purple dress and brown boots, jumping from a tree branch. She is reaching out towards a bright, sparkling light in the night sky. In the background, a large, multi-towered castle sits atop a hill, illuminated by a warm, golden light. The sky is dark blue with stars and a few wispy clouds. The overall scene is magical and dreamlike.

Channel Surfing the Bible Rev. Thomas O'Donnell, 2008-08-12 Two thousand years ago a simple man walked this planet with a simple message They called him Jesus His was a message of radical inclusion in a world he called the Kingdom of God He spoke in parables grounded in common everyday experiences parables about yeast and leavened bread weeds and mustard seeds fishing nets and pearls In the Kingdom of God everyone was equal and differences made no difference But the world couldn't handle such an outrageous message Whoever heard of a world where differences make no difference Of course they make a difference So they dangled him from a cross for all the world to take note After his death they honored him with a title the Christ and began a whole new religion in his name But for two thousand years far too many have been dishonoring him by misrepresenting his message His message of radical inclusion has been twisted and contorted into a message that far too many of his followers use to sanction that which he came to overcome Instead of eliminating distinctions between insiders and outsiders pure and impure clean and unclean his message has been used to perpetuate sexism racism ageism homophobia imperialism and all the other isms that stand in the way of radical inclusion All this has happened so gradually literally over centuries if not millennia through crusty old doctrines dogma and creeds that very few have even noticed Christianity has become fat and happy just like the frog in the Parable of the Boiling Frog You stick a frog in a vat of boiling water and it will struggle with all its might to escape an otherwise certain death But if you stick a frog in a vat of lukewarm water and ever so gradually keep warming it one degree at a time the frog will grow comfortable in the increasing warmth of its environment until before he realizes it he has been boiled Two thousand years later it is time to set the record straight time to return to Jesus simple message through the common ordinary experiences of today In the biblical witness Moses wandered in the wilderness for forty years Jesus for forty days So too shall we wander by channel surfing through forty chapters of scripture From Adam and Eve to Ricky Nelsons Garden Party at Madison Square Garden from the Book of Job Eliphaz Bildad and Zophar to The Three Stooges from Matthews and Lukes nativity scenes to Larry Darryl and Darryl of The Bob Newhart Show from the temptation stories and Jesus wandering in the wilderness to American Bandstand the Temptations and Dion from Pilate and Herod cross examining Jesus to Judge Wapner and Judge Judy from atonement theology to Lets Make a Deal it is time to paint our antiquated parables with a more contemporary brush in so doing it is time to turn Jesus simple message into a profound reality Onward radical inclusion On to the Kingdom of God In the immortal words of Bart Simpson Surfs up dude
