*The Long Life of Magical Objects* Allegra Iafrate,2020-01-17 This book explores a series of powerful artifacts associated with King Solomon via legendary or extracanonical textual sources Tracing their cultural resonance throughout history art historian Allegra Iafrate delivers exciting insights into these objects and interrogates the ways in which magic manifests

itself at a material level Each chapter focuses on a different Solomonic object a ring used to control demons a mysterious set of bottles that constrain evil forces an endless knot or seal with similar properties the shamir known for its supernatural ability to cut through stone and a flying carpet that can bring the sitter anywhere he desires Taken together these chapters constitute a study on the reception of the figure of Solomon but they are also cultural biographies of these magical objects and their inherent aesthetic morphological and technical qualities Thought provoking and engaging Iafrate's study shows how ancient magic artifacts live on in our imagination in items such as Sauron's ring of power Aladdin's lamp and the magic carpet It will appeal to historians of art religion folklore and literature

*Surrealism* Natalya Lusty, 2021-08-12 This book examines the salient ideas and practices that have shaped Surrealism as a protean intellectual and cultural concept that fundamentally shifted our understanding of the nexus between art culture and politics By bringing a diverse set of artistic forms and practices such as literature manifestos collage photography film fashion display and collecting into conversation with newly emerging intellectual traditions ethnography modern science anthropology and psychoanalysis the essays in this volume reveal Surrealism's enduring influence on contemporary thought and culture alongside its anti colonial political position and international reach Surrealism's fascination with novel forms of cultural production and experimental methods contributed to its conceptual malleability and temporal durability making it one of the most significant avant garde movements of the twentieth century The book traces how Surrealism's urgent political and aesthetic provocations have bequeathed an important legacy for recent scholarly interest in thing theory critical vitalism new materialism ontology and animal human studies

*Magic Objects for Beginners* Harry Eilenstein, 2021-05-07 Magical items are mostly familiar from fantasy novels and fantasy movies but they also exist in real life However these real magic items are different from those that appear in the realm of fantasy They are gateways to certain qualities spirits and deities but not items that give a person a power they could not otherwise obtain Such magical objects include talismans magic rings magic wands voodoo dolls and the spiritus familiaris a self made spirit as well as statues temples sweat lodges haunted houses pyramids power places crop circles and homeopathic globules These magical objects are neither indispensable you can achieve everything without them nor useless they can help with many things they are tools that can facilitate many things in magic

*Material Approaches to Roman Magic* Adam Parker, Stuart McKie, 2018-04-30 This second volume in the new TRAC Themes in Roman Archaeology series seeks to push the research agendas of materiality and lived experience further into the study of Roman magic a field that has until recently lacked object focused analysis Building on the pioneering studies in Boschung and Bremmer's 2015 *Materiality of Magic* the editors of the present volume have collected contributions that showcase the value of richly detailed context specific explorations of the magical practices of the Roman world By concentrating primarily on the Imperial period and the western provinces the various contributions demonstrate very clearly the exceptional range of influences and possibilities open to individuals who sought to use magical rituals to affect their lives in these specific contexts something

that would have been largely impossible in earlier periods of antiquity Contributions are presented from a range of museum professionals commercial archaeologists university academics and postgraduate students making a compelling case for strengthening lines of communication between these related areas of expertise

School and the Magic of Children Greg Bottrill, 2020-02-24 In this book I share with you an alternative to the school of today A way of creating the conditions for you to go on an adventure with children Education should not be a predetermined journey with map already drawn with no ability to leave the path or pause It should be a co adventure This co adventure can only take place when we take the first step into the unknown This can feel daunting and can open us up to questions and uncertainty However once we do take that first step an adventure lies ahead like no other an adventure so magical that it can and will change everything And the reason that this adventure is so special is that it will take you into the very soul of children and of yourself In these pages I offer you an invitation It comes from my head and heart to speak to yours It is not didactic It is a way to create the conditions for the magic of children to thrive Greg

Envisioning Worlds in Late Antique Art Anna Cecilia Olovsson, 2018-12-17 It has long been an accepted assumption that the abstracted mode of visual representation that emerged in late antiquity reflected a collective shift from the outer directed and material world view of classical antiquity to an inner directed spiritual mentality informed by Christianity the purpose of this volume is to offer a more nuanced and diverse image of the nature and meanings of abstraction and symbolism in late antique and early medieval art beyond normative interpretation models and from a number of different methodological and interpretative perspectives In ten chapters ten authors specialised in various fields of late antique and Byzantine art explore the historiographical background of the spiritual interpretation paradigm neuroscientific and theological dimensions of Christian visual aesthetics meanings and motive factors behind apparently wholly abstract and aniconic compositions symbolic motifs and schemes for visualising cosmic order and the cosmic state of Christ and the re use

of symbolic Greco Roman themes in Christian contexts The result is a multi focal image of late antique abstraction and symbolism that illuminates the heterogeneity and complexity of the phenomena and of their study Interactive Media for Cultural Heritage Fotis Liarokapis, Maria Shehade, Andreas Aristidou, Yiorgos Chrysanthou, 2025-07-01 The aim of this edited book is to provide a point of reference for the latest advancements in the different fields of interactive media applied in Digital Cultural Heritage research ranging from visual data acquisition classification analysis and synthesis 3D modelling and reconstruction to new forms of interactive media presentation visualization and immersive experience provision via extended reality collaborative spaces serious games and digital storytelling This volume is structured around 4 sections focusing on different types of technologies and applications in Cultural Heritage namely Cutting Edge Applications of Extended Reality in Cultural Heritage Preservation Cultural Heritage Preservation and Exploration through Emerging Digital Technologies Interactive and Immersive Experiences for Storytelling in Cultural Heritage and Innovative Approaches to Interactive Cultural Heritage Visualization Interactive Media for Cultural Heritage consists of theoretical discussions and presents a range of case studies from diverse geographical locations allowing for an international focus of the book It is addressed to academics scholars researchers and students working on interactive media in cultural heritage and provides an interdisciplinary approach to enable cross fertilization and collaboration among those research communities **At Home in the Whedonverse** Juliette C. Kitchens, 2017-06-13 From Buffy the Vampire Slayer to the Marvel Cinematic Universe Joss Whedon s work presents various representations of home spaces that give depth to his stories and storytelling Through the spaceship in Firefly a farmhouse in Avengers Age of Ultron or Whedon s own house in Much Ado About Nothing his work collectively offers audiences the opportunity to question the ways we relate to and inhabit homes Focusing on his television series films and comics this collection of new essays explores the diversity of home spaces in Whedon s many verses and the complexity these spaces afford the narratives characters objects and relationships within them Runic Amulets and Magic Objects Mindy MacLeod, Bernard Mees, 2006 A fresh examination of one of the most contentious issues in runic scholarship magical or not The runic alphabet in use for well over a thousand years was employed by various Germanic groups in a variety of ways including inevitably for superstitious and magical rites Formulaic runic words were inscribed onto small items that could be carried for good luck runic charms were carved on metal or wooden amulets to ensure peace or prosperity There are invocations and allusions to pagan and Christian gods and heroes to spirits of disease and even to potential lovers Few such texts are completely unique to Germanic society and in fact most of the runic amulets considered in this book show wide ranging parallels from a variety of European cultures The question of whether runes were magical or not has divided scholarship in the area Early criticism embraced fantastic notions of runic magic leading not just to a healthy scepticism but in some cases to a complete denial of any magical element whatsoever in the runic inscriptions This book seeks to re evaluate the whole question of runic sorcery attested to not only in the medieval Norse literature dealing with runes but primarily in

the fascinating magical texts of the runic inscriptions themselves Dr MINDY MCLEOD teaches in the Department of Linguistics Deakin University Melbourne Dr BERNARD MEES teaches in the Department of History at the University of Melbourne

The Russian Folktale by Vladimir Yakovlevich Propp Vladimir Yakovlevich Propp, 2012-09-12 Vladimir Propp is the Russian folklore specialist most widely known outside Russia thanks to the impact of his 1928 book *Morphology of the Folktale* but *Morphology* is only the first of Propp's contributions to scholarship This volume translates into English for the first time his book *The Russian Folktale* which was based on a seminar on Russian folktales that Propp taught at Leningrad State University late in his life Edited and translated by Sibelan Forrester this English edition contains Propp's own text and is supplemented by notes from his students *The Russian Folktale* begins with Propp's description of the folktale's aesthetic qualities and the history of the term the history of folklore studies first in Western Europe and then in Russia and the USSR and the place of the folktale in the matrix of folk culture and folk oral creativity The book presents Propp's key insight into the formulaic structure of Russian wonder tales and less schematically than in *Morphology* though in abbreviated form and it devotes one chapter to each of the main types of Russian folktales the wonder tale the novellistic or everyday tale the animal tale and the cumulative tale Even Propp's bibliography included here gives useful insight into the sources accessible to and used by Soviet scholars in the third quarter of the twentieth century Propp's scholarly authority and his human warmth both emerge from this well balanced and carefully structured series of lectures An accessible introduction to the Russian folktale it will serve readers interested in folklore and fairy tale studies in addition to Russian history and cultural studies

*The Storyteller* Deborah Hext, 2025-07-28 Tamsyn's life has always felt magical even if it isn't a fairytale As the daughter of a Storyteller she knows the power of stories Living with her foster mum and siblings has its challenges but Tamsyn is sure of one thing they always have each other And when life gets tough a good story can make it all better But when a stranger arrives with the shocking news that someone is destroying the magic in her world and unraveling the stories that protect it everything changes As magic fades so does hope and everything Tamsyn loves is at risk Determined to fight back Tamsyn and her foster siblings set off on a dangerous adventure Facing unimaginable challenges they must summon all their courage strength and belief Can they save their world before it's too late Or will this spell the end of everything Tamsyn holds dear

**Surrealist Sorcery** Will Atkin, 2023-08-10 Often regarded as an artistic movement of interwar Paris Surrealism comprised an international community of artists writers and intellectuals who have aspired to change the conditions of life itself over the course of the past century Consisting of a wide range of dedicated case studies from the 1920s to the 1970s this book highlights the international dimensions of the Surrealist Movement and the radical chains of thought that linked its followers across the globe from France to Romania and from Canada to the former Czechoslovakia From very early on the surrealists approached magic as a means of bypassing discrediting and combatting rationalism capitalism and other institutionalized systems and values that they saw to be constraining influences upon modern life *Surrealist Sorcery* maps out

how this interest in magic developed into a major area of surrealist research that led not only to theoretical but also practical explorations of the subject Taking an international perspective Atkin surveys this important quality of the movement and how it s remained an important element in the surrealist project and its ongoing legacy **Junk Jet n°4 , The Complete Introduction to Magic** Julius Evola, The UR Group, 2023-10-31 All three volumes of the occult classic available together as a deluxe boxed set for the first time Volume I includes translations of rare texts alongside rites practices and arcane magical knowledge Volume II offers studies of mystery traditions throughout history and shares authentic initiatic wisdom and a rigorous selection of initiatory exercises Volume III explores esoteric practices for individual development and realization of immortal and divine potential handed down from a primordial tradition In 1927 Julius Evola and other leading Italian esotericists formed the mysterious UR group The purpose of this group was to study and practice ancient rituals from the mystery traditions of the world both East and West They produced a monthly journal containing techniques for spiritual realization initiatory exercises magical rites accounts of personal experiences translations of ancient texts and original essays on the occult Many years later in 1971 Evola gathered these essays into three volumes Available together as a deluxe boxed set for the first time in English these volumes present the steps necessary to purify the soul with the light of knowledge and the fire of dedication as well as allowing the reader to be liberated from conventional dogmas religious political scientific and psychological and see with the clearer eye of realization

## Embracing the Beat of Phrase: An Emotional Symphony within **Magical Objects From Around The World**

In a global used by displays and the ceaseless chatter of instant interaction, the melodic elegance and mental symphony created by the published word frequently diminish into the backdrop, eclipsed by the constant sound and disturbances that permeate our lives. Nevertheless, set within the pages of **Magical Objects From Around The World** a marvelous fictional treasure filled with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this charming masterpiece conducts viewers on a mental journey, skillfully unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths with this poignant assessment, we will examine the book's main harmonies, analyze its enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
