finalist for the 2023 National Book Critics Circle Award Winner of the Women's Prize for Nonfiction NEW YORK TIMES BESTSELLER National Indie Bestseller A New York Times notable book of 2023 Vulture's 1 book of 2023 One of Slate's ten best books of 2023 A Guardian best ideas book of 2023 One of Time's ten best books of 2023 Winner of the Pacific Northwest Book Award I've been raving about Naomi Klein's *Doppelgänger* I can't think of another text that better captures the berserk period we're living through Michelle Goldberg The New York Times If I had to name a single book that makes sense of these last few dark years it would be this one Katie Roiphe The New York Times Book Review Editors' Choice What if you woke up one morning and found you'd acquired another self a double who was almost you and yet not you at all What if that double shared many of your preoccupations but in a twisted upside-down way furthered the very causes you'd devoted your life to fighting against Not long ago the celebrated activist and public intellectual Naomi Klein had just such an experience she was confronted with a doppelgänger whose views she found abhorrent but whose name and public persona were sufficiently similar to her own that many people got confused about who was who Destabilized she lost her bearings until she began to understand the experience as one manifestation of a strangeness many of us have come to know but struggle to define AI-generated text is blurring the line between genuine and spurious communication New Age wellness entrepreneurs turned anti-vaxxers are scrambling familiar political allegiances of left and right and liberal democracies are teetering on the edge of absurdist authoritarianism even as the oceans rise Under such conditions reality itself seems to have become unmoored Is there a cure for our moment of collective vertigo Naomi Klein is one of our most trenchant and influential social critics an essential analyst of what branding austerity and climate profiteering have done to our societies and souls Here she turns her gaze inward to our psychic landscapes and outward to the possibilities for building hope amid intersecting economic medical and political crises With the assistance of Sigmund Freud Jordan Peele Alfred Hitchcock and bell hooks among other accomplices Klein uses wry humor and a keen sense of the ridiculous to face the strange doubles that haunt us and that have come to feel as intimate and proximate as a warped reflection in the mirror Combining comic memoir with chilling reportage and cobweb-clearing analysis Klein seeks to smash that mirror and chart a path beyond despair *Doppelgänger* asks What do we neglect as we polish and perfect our digital reflections Is it possible to dispose of our doubles and overcome the pathologies of a culture of multiplication Can we create a politics of collective care and undertake a true reckoning with historical crimes The result is a revelatory treatment of the way many of us think and feel now and an intellectual adventure story for our times

The Magic Box Rob Young, 2021-08-03 A LOUDER THAN WAR BOOK OF THE YEAR A riveting journey into the psyche of Britain through its golden age of television and film a cross-genre feast of moving pictures from classics to occult hidden gems *The Magic Box* is the nation's visual self-portrait in technicolour detail The definition of gripping Truly a trove of weird treasures BENJAMIN MYERS A lovingly researched history of British TV that recalls the brilliant the bizarre and the unworldly GUARDIAN A reclamation not just of a visual golden age but of Britain as a darkly

magical place THE SPECTATOR A feat of argument description and affection FINANCIAL TIMES Young unearths the ghosts of TV past and Britain's dark psyche HERALD Highly entertaining A fabulous treasure trove SCOTSMAN Young is a phenomenal scholar OBSERVER Impassioned THE CRITIC Growing up in the 1970s Rob Young's main storyteller was the wooden box with the glass window in the corner of the family living room otherwise known as the TV set Before the age of DVDs and Blu ray discs YouTube and commercial streaming services watching television was a vastly different experience You switched on you sat back and you watched There was no pause or fast forward button The cross genre feast of moving pictures produced in Britain between the late 1950s and late 1980s from Quatermass and Tom Jones to The Wicker Man and Brideshead Revisited from A Canterbury Tale and The Go Between to Bagpuss and Children of the Stones and from John Betjeman's travelogues to ghost stories at Christmas contributed to a national conversation and collective memory British made sci fi folk horror period drama and televisual grand tours played out tensions between the past and the present dramatised the fractures and injustices in society and acted as a portal for magical and ghostly visions In The Magic Box Rob Young takes us on a fascinating journey into this influential golden age of screen and discovers what it reveals about the nature and character of Britain its uncategorisable people and buried histories and how its presence can still be felt on screen in the twenty first century A forensic dissection this tightly packed treatise takes pains to illustrate how what we view affects how we view ourselves TOTAL FILM

The Ethnographer's Magic and Other Essays in the History of Anthropology
George W. Stocking, 1992 George Stocking has been widely recognized as the premier historian of anthropology ever since the publication of his first volume of essays Race Culture and Evolution in 1968 As editor of several publications including the highly acclaimed History of Anthropology series he has led the movement to establish the history of anthropology as a recognized research specialization In addition to the study Victorian Anthropology his work includes numerous essays covering a wide range of anthropological topics The eight essays collected in The Ethnographer's Magic consider the emergence of anthropology since the late nineteenth century as an academic discipline grounded in systematic fieldwork Drawing extensively on unpublished manuscript materials the essays focus primarily on Franz Boas and Bronislaw Malinowski the leading figures in the American and the British academic fieldwork traditions According to George Marcus of Rice University the essays represent the most informative and insightful writings on Malinowski and Boas and their legacies that are yet available Beyond their biographical material the essays here touch upon major themes in the history of anthropology its powerfully mythic aspect and persistent strain of romantic primitivism the contradictions of its relationship to the larger sociopolitical sphere its problematic integration of a variety of natural scientific and humanistic inquiries and the tension between its scientific aspirations and its subjectively acquired data To provide an overview against which to read the other essays Stocking has also included a sketch of the history of anthropology from the ancient Greeks to the present For this collection Stocking has written prefatory commentaries for each of the essays as well as two more extended

contextualizing pieces An introductory essay Retrospective Prescriptive Reflections places the volume in autobiographical and historiographical context the Afterword Postscriptive Prospective Reflections reconsiders major themes of the essays in relation to the recent past and present situation of academic anthropology

The New Avatar and The Destiny of the Soul J. D. Buck, 2022-07-31 In *The New Avatar and The Destiny of the Soul* J D Buck presents a thought provoking exploration of metaphysical themes weaving together concepts of spirituality reincarnation and the evolution of the soul The book is characterized by its lyrical prose and philosophical depth drawing upon Eastern and Western mystical traditions Buck examines the role of the avatar as a divine incarnation positing that these figures serve as catalysts for spiritual awakening and transformation Through a blend of allegory and rigorous intellectual inquiry this work situates itself within the context of late 19th century spiritualism and theosophy challenging readers to reconsider their understanding of spiritual development and destiny J D Buck a notable figure in the spiritualist movement of his time was profoundly influenced by the metaphysical questions surrounding the purpose of life and the nature of existence His background in philosophy and mysticism combined with his personal experiences informed his writing making him a credible voice in discussing the interplay between human consciousness and divine intervention Buck's engagement with contemporaneous spiritual philosophies shaped his views and enriched his arguments concerning the avatar's significance in human evolution This book is highly recommended for readers interested in spirituality metaphysics and the esoteric dimensions of human experience Whether you are a scholar of religious studies a seeker on a spiritual journey or someone curious about the complexities of the soul's destiny Buck's work offers profound insights that resonate across time and culture

Getting a Life Benjamin Woo, 2018-03-31 Comic book superheroes fantasy kingdoms and futuristic starships have become inescapable features of today's pop culture landscape and the people we used to deride as nerds or geeks have ridden their popularity and visibility to mainstream recognition It seems it's finally hip to be square Yet these conventionalized representations of geek culture typically ignore the real people who have invested time and resources to make it what it is *Getting a Life* recentres our understanding of geek culture on the everyday lives of its participants drawing on fieldwork in comic book shops game stores and conventions including in depth interviews with ordinary members of the overlapping communities of fans and enthusiasts Benjamin Woo shows how geek culture is a set of interconnected social practices that are associated with popular media He argues that typical depictions of mass mediated entertainment as something that isolates and pacifies its audiences are flawed because they do not account for the conversations relationships communities and identities that are created by engaging with the products of mass culture *Getting a Life* combines engaging interview material with lucid interpretation and a clear interdisciplinary framework The volume is both an accessible introduction to this contemporary subculture and an exploration of the ethical possibilities of a life lived with media

Master of Sorrows Justin Travis Call, 2020-02-25 You've heard the story before an orphaned boy raised by a wise old man comes to a fuller knowledge of his magic and uses it to fight the great evil threatening his world But

what if that hero were destined to become the new dark lord The Academy of Chaenbalu has stood against magic for centuries Hidden from the world acting from the shadows it trains its students to detect and retrieve magic artifacts which it jealously guards from the misuse of others Because magic is dangerous something that heals can also harm and a power that aids one person may destroy another Of the academy's many students only the most skilled can become avatars warrior thieves capable of infiltrating the most heavily guarded vaults and only the most determined can be trusted to resist the lure of magic More than anything Annev de Breth wants to become one of them But Annev carries a secret Unlike his classmates who were stolen as infants from the capital city Annev was born in the village of Chaenbalu was believed to be executed and then unknowingly raised by his parents killers Seventeen years later he struggles with the burdens of a forbidden magic a forgotten heritage and a secret deformity When Annev is subsequently caught between the warring ideologies of his priestly mentor and the Academy's masters he must finally decide whether to accept the truth of who he really is or embrace the darker truth of what he may one day become
