## **Magistrates And Assemblies A Study Of Legislative Practice In:**

Magistracy and the Historiography of the Roman Republic Ayelet Haimson Lushkov, 2015-02-09 The study of Roman republican magistracy has traditionally been the preserve of historians posing constitutional and prosopographical questions As a result one fundamental aspect of our most detailed contemporary and near contemporary sources about magistracy has remained largely neglected their literariness This book takes a new approach to the representation of magistrates and shows how the rhetorical and formal features of prose texts principally Livy's history but also works by Cicero and Sallust shape our understanding of magistracy Applying to the texts an expanded concept of exemplarity Haimson Lushkov shows how a rich body of anecdotes concerning the behaviour and speech of magistrates reflects on the values and tensions that defined the republic A variety of contexts familial military and electoral among others flesh out the experience of being becoming and encountering a Roman magistrate and the political and ethical problems highlighted and negotiated in such circumstances

**Ancient Rome** Matthew Dillon, Lynda Garland, 2013-10-28 A companion volume to the highly successful and widely used *Ancient Greece* this Sourcebook is a valuable resource for students at all levels studying ancient Rome Lynda Garland and Matthew Dillon present an extensive range of material from the early Republic to the assassination of Julius Caesar Providing a comprehensive coverage of all important documents pertaining to the Roman Republic *Ancient Rome* includes source material on political developments in the Roman Republic 509-44 BC detailed chapters on social phenomena such as Roman religion slavery and freedmen women and the family and the public face of Rome clear precise translations of documents taken not only from historical sources but also from inscriptions laws and decrees epitaphs graffiti public speeches poetry private letters and drama concise up to date bibliographies and commentaries for each document and chapter a definitive collection of source material on the Roman Republic All students of ancient Rome and classical studies will find this textbook invaluable at all levels of study

**Commanders and Command in the Roman Republic and Early Empire** Fred K. Drogula, 2015-04-13 In this work Fred Drogula studies the development of Roman provincial command using the terms and concepts of the Romans themselves as reference points Beginning in the earliest years of the republic Drogula argues provincial command was not a uniform concept fixed in positive law but rather a dynamic set of ideas shaped by traditional practice Therefore as the Roman state grew concepts of authority control over territory and military power underwent continual transformation This adaptability was a tremendous resource for the Romans since it enabled them to respond to new military challenges in effective ways But it was also a source of conflict over the roles and definitions of power The rise of popular politics in the late republic enabled men like Pompey and Caesar to use their considerable influence to manipulate the flexible traditions of military command for their own advantage Later Augustus used nominal provincial commands to appease the senate even as he concentrated military and governing power under his own control by claiming supreme rule In doing so he laid the groundwork for the early empire's rules of command

**End of the Roman Republic 146 to 44 BC**

Catherine Steel, 2013-03-05 In 146 BC the armies of Rome destroyed Carthage and emerged as the decisive victors of the Third Punic War. The Carthaginian population was sold and its territory became the Roman province of Africa. In the same year and on the other side of the Mediterranean Roman troops sacked Corinth, the final blow in the defeat of the Achaean conspiracy. Thereafter Greece was effectively administered by Rome. Rome was now supreme in Italy, the Balkans, Greece, Macedonia, Sicily and North Africa, and its power and influence were advancing in all directions. However, not all was well. The unchecked seizure of huge tracts of land in Italy and its farming by vast numbers of newly imported slaves allowed an elite of usually absentee landlords to amass enormous and conspicuous fortunes. Insecurity and resentment fed the gulf between rich and poor in Rome and erupted in a series of violent upheavals in the politics and institutions of the Republic. These were exacerbated by slave revolts and invasions from the east.

*A Companion to Livy* Bernard Mineo, 2014-09-15 *A Companion to Livy* features a collection of essays representing the most up to date international scholarship on the life and works of the Roman historian Livy. Features contributions from top Livian scholars from around the world. Presents for the first time a new interpretation of Livy's historical philosophy which represents a key to an overall interpretation of Livy's body of work. Includes studies of Livy's work from an Indo-European comparative aspect. Provides the most modern studies on literary archetypes for Livy's narrative of the history of early Rome.

*Consuls and Res Publica* Hans Beck, Antonio Duplá, Martin Jehne, Francisco Pina Polo, 2011-09-08 The consulate was the focal point of Roman politics. Both the ruling class and the ordinary citizens fixed their gaze on the republic's highest office to be sure from different perspectives and with differing expectations. While the former aspired to the consulate as the defining magistracy of their social status, the latter perceived it as the embodiment of the Roman state. Holding high office was thus not merely a political exercise. The consulate prefigured all aspects of public life with consuls taking care of almost every aspect of the administration of the Roman state. This multifaceted character of the consulate invites a holistic investigation. The scope of this book is therefore not limited to political or constitutional questions. Instead, it investigates the predominant role of the consulate in and its impact on the political culture of the Roman republic.

*A Community in Transition* Mattia Balbo, Federico Santangelo, 2023 The Roman Republic has become a huge interest among both specialized readers and the general public. This volume addresses the period in which the Republic reached its peak and covers a number of key themes in the history of the Roman polity during the Middle Republic such as political competition, legal practice and economic change. Its chapters are the result of a close and up to date discussion among established scholars from Europe, the UK, the USA and Australia.

*A Companion to Greek Democracy and the Roman Republic* Dean Hammer, 2014-08-25 *A Companion to Greek Democracy and the Roman Republic* offers a comparative approach to examining ancient Greek and Roman participatory communities. Explores various aspects of participatory communities through pairs of chapters, one Greek, one Roman, to highlight comparisons between cultures. Examines the types of relationships that sustained participatory communities, the challenges they faced and how they

responded Sheds new light on participatory contexts using diverse methodological approaches Brings an international array of scholars into dialogue with each other      *The Oxford Handbook of Roman Law and Society* Paul J du Plessis, Clifford Ando, Kaius Tuori, 2016-10-20 The Oxford Handbook of Roman Law and Society surveys the landscape of contemporary research and charts principal directions of future inquiry More than a history of doctrine or an account of jurisprudence the Handbook brings to bear upon Roman legal study the full range of intellectual resources of contemporary legal history from comparison to popular constitutionalism from international private law to law and society thereby setting itself apart from other volumes as a unique contribution to scholarship on its subject The Handbook brings the study of Roman law into closer alignment and dialogue with historical sociological and anthropological research into law in other periods It will therefore be of value not only to ancient historians and legal historians already focused on the ancient world but to historians of all periods interested in law and its complex and multifaceted relationship to society      **A Companion to the Political Culture of the Roman Republic** Valentina Arena, Jonathan R. W. Prag, Andrew Stiles, 2022-01-25 An insightful and original exploration of Roman Republic politics In A Companion to the Political Culture of the Roman Republic editors Valentina Arena and Jonathan Prag deliver an incisive and original collection of forty contributions from leading academics representing various intellectual and academic traditions The collected works represent some of the best scholarship in recent decades and adopt a variety of approaches each of which confronts major problems in the field and contributes to ongoing research The book represents a new updated and comprehensive view of the political world of Republican Rome and some of the included essays are available in English for the first time Divided into six parts the discussions consider the institutionalized loci political actors and values rituals and discourse that characterized Republican Rome The Companion also offers several case studies and sections on the history of the interpretation of political life in the Roman Republic Key features include A thorough introduction to the Roman political world as seen through the wider lenses of Roman political culture Comprehensive explorations of the fundamental components of Roman political culture including ideas and values civic and religious rituals myths and communicative strategies Practical discussions of Roman Republic institutions both with reference to their formal rules and prescriptions and as patterns of social organization In depth examinations of the afterlife of the Roman Republic both in ancient authors and in early modern and modern times Perfect for students of all levels of the ancient world A Companion to the Political Culture of the Roman Republic will also earn a place in the libraries of scholars and students of politics political history and the history of ideas      **On the Way to Statehood** Peter Radan, 2017-05-15 The present international order is characterized by the rapid globalization of economic activity by systematic attempts to coordinate state responses to the outbreaks of violence and by unilateral military interventions against sovereign states either by the USA or by one of its regional allies This collection explores the changes that the current international order has brought to the theory and practice of recognition of secessionist claims and to the conditions for secessionist mobilization

The volume examines how independence movements achieve legitimacy amongst both their target populations and outside states and how the forces of increasing economic globalization and political interdependence impact on secessionist mobilization. It addresses how the outside states recognize the independence of new states and whether the claims to independent statehood can be justified within normative theories of secession and international law. These issues are explored both through comparative analysis within legal international relations and political science frameworks and through an examination of several recent attempts at secession.

*The Consul at Rome* Francisco Pina Polo, 2011-02-24 In modern times there have been studies of the Roman Republican institutions as a whole as well as in depth analyses of the senate, the popular assemblies, the tribunate of the plebs, the aedileship, the praetorship and the censorship. However, the consulship, the highest magistracy of the Roman Republic, has not received the same attention from scholars. The purpose of this book is to analyse the tasks that consuls performed in the civil sphere during their term of office between the years 367 and 50 BC, using the preserved ancient sources as its basis. In short, it is a study of the consuls at work both within and outside the city of Rome in such varied fields as religion, diplomacy, legislation, jurisdiction, colonisation, elections and day to day politics. Clearly and accessibly written, it will provide an indispensable reference work for all scholars and students of the history of the Roman Republic.

*Rome, Blood & Politics* Gareth C. Sampson, 2020-01-31 This in depth chronicle examines the series of political upheavals that led to division, violence and civil war in the ancient Roman Republic. The last century of the Roman Republic saw the consensus of the ruling elite shattered by a series of high profile politicians who proposed political or social reform programs, many of which culminated in acts of bloodshed on the streets of Rome itself. This began in 133 BC with the military recruitment reforms of Tiberius Gracchus, which saw him and his supporters lynched by a mob of angry Senators. Gracchus's grim example was followed by a series of radical politicians, each with their own agenda that challenged the status quo of the Senatorial elite. Each met a violent response from elements of the ruling order, leading to murder and even battles on the streets of Rome. These bloody political clashes paralyzed the Roman state, eventually leading to its collapse. Covering the period 133-70 BC, this volume analyzes each of the key reformers, what they were trying to achieve and how they met their end, narrating the long decline of the Roman Republic into anarchy and civil war.

*A Companion to the Roman Republic* Nathan Rosenstein, Robert Morstein-Marx, 2011-09-07 This Companion provides an authoritative and up to date overview of Roman Republican history as it is currently practiced. Highlights recent developments including archaeological discoveries, fresh approaches to textual sources and the opening up of new areas of historical study. Retains the drama of the Republic's rise and fall. Emphasizes not just the evidence of texts and physical remains but also the models and assumptions that scholars bring to these artefacts. Looks at the role played by the physical geography and environment of Italy. Offers a compact but detailed narrative of military and political developments from the birth of the Roman Republic through to the death of Julius Caesar. Discusses current controversies in the field.

**A Commentary on Livy, Books VI-X**

S. P. Oakley, 2005-10-13 Livy's tenth book an exciting climax to his first decade narrates two political advances of 300 BC the Lex Valeria de provocatione and the opening up of major priesthoods to plebeians it also tells of the Spartan Cleonymus' landfall at the site that long afterwards would be Venice Its main topic however is Roman warfare above all the outbreak of the Third Samnite War and the decisive battle of Sentium in 295 BC This new commentary which completes Professor Oakley's exposition of Books VI-X deals comprehensively with all aspects of Livy's work including the literary structure of his narrative the historical and topographical problems of the Samnite Wars the poetical and archaic language sometimes affected by Livy and the numerous textual problems posed by the extant manuscripts An extensive section of addenda and corrigenda contains revisions to the preceding volumes      **The Oxford Handbook of Warfare in the Classical World** Brian Campbell, Lawrence A. Tritle, 2017-07 This Handbook gathers 38 leading historians to describe analyze and interpret warfare and its effects in classical Greece and Rome      **Edinburgh Companion to the History of Democracy** Benjamin Isakhan, 2015-03-24 Re-examines the long and complex history of democracy and broadens the traditional view of this history by complementing it with examples from unexplored or under-examined quarters      Politics in the Roman Republic Henrik Mouritsen, 2017-03-02 A very readable introduction exploring much contested issues and debates and providing an original synthesis of this important topic      **Law and Power in the Making of the Roman Commonwealth** Luigi Capogrossi Colognesi, 2014-11-13 With a broad chronological sweep this book provides an historical account of Roman law and legal institutions which explains how they were created and modified in relation to political developments and changes in power relations It underlines the constant tension between two central aspects of Roman politics the aristocratic nature of the system of government and the drive for increased popular participation in decision making and the exercise of power The traditional balance of power underwent a radical transformation under Augustus with new processes of integration and social mobility brought into play Professor Capogrossi Colognesi brings into sharp relief the deeply political nature of the role of Roman juridical science as an expression of aristocratic politics and discusses the imperial jurists' fundamental contribution to the production of an outline theory of sovereignty and legality which would constitute together with Justinian's gathering of Roman legal knowledge the most substantial legacy of Rome      **Magistrates and assemblies** Kaj Sandberg, 2001

## **Magistrates And Abemblies A Study Of Legislative Practice In Introduction**

Magistrates And Abemblies A Study Of Legislative Practice In Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Magistrates And Abemblies A Study Of Legislative Practice In Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Magistrates And Abemblies A Study Of Legislative Practice In : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Magistrates And Abemblies A Study Of Legislative Practice In : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Magistrates And Abemblies A Study Of Legislative Practice In Offers a diverse range of free eBooks across various genres. Magistrates And Abemblies A Study Of Legislative Practice In Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Magistrates And Abemblies A Study Of Legislative Practice In Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Magistrates And Abemblies A Study Of Legislative Practice In, especially related to Magistrates And Abemblies A Study Of Legislative Practice In, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Magistrates And Abemblies A Study Of Legislative Practice In, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Magistrates And Abemblies A Study Of Legislative Practice In books or magazines might include. Look for these in online stores or libraries. Remember that while Magistrates And Abemblies A Study Of Legislative Practice In, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Magistrates And Abemblies A Study Of Legislative Practice In eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Magistrates And Abemblies A Study Of Legislative Practice In full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Magistrates And Abemblies A Study Of Legislative Practice In eBooks, including some popular titles.

## **FAQs About Magistrates And Abemblies A Study Of Legislative Practice In Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Magistrates And Abemblies A Study Of Legislative Practice In is one of the best book in our library for free trial. We provide copy of Magistrates And Abemblies A Study Of Legislative Practice In in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Magistrates And Abemblies A Study Of Legislative Practice In. Where to download Magistrates And Abemblies A Study Of Legislative Practice In online for free? Are you looking for Magistrates And Abemblies A Study Of Legislative Practice In PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Magistrates And Abemblies A Study Of Legislative Practice In. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Magistrates And Abemblies A Study Of Legislative Practice In are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Magistrates And Abemblies A Study Of Legislative Practice In. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Magistrates And Abemblies A Study Of Legislative Practice In To get started finding Magistrates And Abemblies A Study Of Legislative Practice In, you are right to find our website which has a comprehensive

collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Magistrates And Abemblies A Study Of Legislative Practice In So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Magistrates And Abemblies A Study Of Legislative Practice In. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Magistrates And Abemblies A Study Of Legislative Practice In, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Magistrates And Abemblies A Study Of Legislative Practice In is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Magistrates And Abemblies A Study Of Legislative Practice In is universally compatible with any devices to read.
